Be Like the Fox Jan 09 2022 Niccol Machiavelli lived in a fiercely competitive world, one where brute wealth, brazen liars and ruthless self-promoters seemed to carry off all the prizes and a new breed of leaders - super-rich dynasties like the Medici or military strongmen like Cesare Borgia - promised radical alternatives to the status quo. In the republic of Florence, Machiavelli and his contemporaries faced a choice- should they capitulate to these new princes, or fight to save the city's democratic freedoms? In this book, Erica Benner follows Machiavelli's dramatic quest for political and human freedom through his own eyes. Far from the cynical henchman people think he was, Machiavelli emerges as his era's staunchest champion of liberty, a profound ethical thinker who refused to compromise his ideals to fit corrupt times. But he did sometimes have to mask his true convictions, becoming a great artist of fox-like dissimulation- a master of disguise in dangerous times.

Crazy Like a Fox May 05 2024 Rufus the fox is up to something-- find out why he's acting so crazy in this clever simile story. All night, he's been sleeping like a log. When the sun rises, he feels as fresh as a daisy. In a story told entirely with similes, Rufus sneaks up and startles his friend Babette, and leads her on a wild chase through the woods. Perfect for teaching figurative language, this brightly-illustrated picture book includes the definition of a simile, as well as a brief introduction to idioms and clichés-- and examples on every page of different sayings and similes. Loreen Leedy's zany illustrations depict the figurative sayings in literal ways-- a wooden fox sleeping like a log, a yellow and black striped sheep who's as mad as a hornet-- to bring home the meanings of the expressions. Perfect for kids studying creative writing, or English language learners who may not be familiar with common but less literal sayings, *Crazy Like a Fox* will make readers happy as a clam-- and help them incorporate similes into their own writing.

Be Like the Fox: Machiavelli In His World Sep 16 2022 “Remarkable, engaging.... Be Like the Fox can be read with pleasure by anyone interested in the craft of politics and the life of ideas.”—New York Times Book Review In the five hundred years since he wrote *The Prince*, Machiavelli’s name has been linked to tyranny and the doctrine that “the ends justify the means.” But that is not what he stood for. In *Be Like the Fox*, Erica Benner takes us back to Renaissance Florence, where newly liberated citizens fought to build a free republic after the Medici princes were exiled. Machiavelli dedicated his life to this struggle for freedom. But despite his heroic efforts, the Medici soon swept back into power. Forced out of politics and prevented from speaking freely, Machiavelli had to use his skills of foxlike dissimulation to defend democracy in an era of tyrannical princes. Drawing on his letters, political writings, hard-hitting satirical dramas, and conversations with kings and popes, *Be Like the Fox* reveals Machiavelli as an unlikely hero for our times.

Crazy Like a Fox Oct 30 2023 In this thrilling new foxhunting mystery from New York Times bestselling author Rita Mae Brown, an investigation into a missing and valuable object flushes out murder, ghosts, and old family rivalries. Now “Sister” Jane Arnold and a pack of four-legged friends must catch the scent of a killer and unearth a long-buried truth. As the calendar turns, the crisp October winds bode well for this year’s hunting season. But before the bugle sounds, Sister Jane takes a scenic drive up the Blue Ridge Mountains for a board meeting at the Museum of Hounds and Hunting. Brimming with colorful stories and mementos from hunts of yore, the mansion is plunged into mystery when a venerable hunting horn is stolen right out of its case. The only clue, on a left-behind cell phone, is what seems to be a “selfie” video of the horn’s original owner, Wesley Carruthers—deceased since 1954. Odder still, Wesley’s body was never found. When Sister makes a discovery that may explain his unsolved disappearance, it leads her back to the Jefferson Hunt at midcentury, with her faithful hounds at her side. But as the clues quickly mount, Sister is no longer sure if she’s pursuing a priceless artifact, a thief, Wesley’s killer . . . or a ghost. The only certainty is that someone wants to put Sister off the chase—perhaps permanently. Teeming with familiar and beloved characters, intrigue, and the rich local history of Virginia’s horse country, *Crazy Like a Fox* races toward its stunning conclusion in full cry and packed with plenty of surprises. Once again, Rita Mae Brown dazzles and delights in her irresistible style, with a novel readers are certain to be crazy about. Praise for *Crazy Like a Fox* “If you can pick up *Crazy Like a Fox* and recognize the voices of Comet, a wise old gray fox; Dasher, a hound at the top of his game; and Golliwog, a snippy calico cat, you qualify as a member of the pack that surrounds Sister Jane Arnold, Master of Jefferson Hunt and the sleuth in Rita Mae Brown’s enchanting novels set in the Virginia horse country. . . . Just the kind of story that adds to the charm of Brown’s whimsical mysteries, with their thrilling hunts and intelligent animals.”—The New York Times Book Review “Brown’s animal characters, including horses, hounds, and foxes, have as much to say as the people, and Brown never misses an opportunity to interject her own social commentary. This will appeal . . . to fans of Brown’s *Sneaky Pie* novels.”—Publishers Weekly

How to Tame a Fox (and Build a Dog) Feb 19 2023 Tucked away in Siberia, there are furry, four-legged creatures with wagging tails and floppy ears that are as docile and friendly as any lapdog. But, despite appearances, these are not dogs—they are foxes. They are the result of the most astonishing experiment in breeding ever undertaken—imagine speeding up thousands of years of evolution into a few decades. In 1959, biologists Dmitri Belyaev and Lyudmila Trut set out to do just that, by starting with a few dozen silver foxes from fox farms in the USSR and attempting to recreate the evolution of wolves into dogs in real time in order to witness the process of domestication. This is the extraordinary, untold story of this remarkable undertaking. Most accounts of the natural evolution of wolves place it over a span of about 15,000 years, but within a decade, Belyaev and Trut's fox breeding experiments had resulted in puppy-like foxes with floppy ears, piebald spots, and curly tails. Along with these physical changes came genetic and behavioral changes, as well. The foxes were bred using selection criteria for tameness, and with each generation, they became increasingly interested in human companionship. Trut has been there the whole time, and has been the lead scientist on this work since Belyaev's death in 1985, and with Lee Dugatkin, biologist and science writer, she tells the story of the adventure, science, politics, and love behind it all. In *How to Tame a Fox*, Dugatkin and Trut take us inside this path-breaking experiment in the midst of the brutal winters of Siberia to reveal how scientific history is made and continues to be made today. To date, fifty-six generations of foxes have been domesticated, and we continue to learn significant lessons from them about the genetic and behavioral evolution of domesticated animals. *How to Tame a Fox* offers an incredible tale of scientists at work, while also celebrating the deep attachments that have brought humans and animals together throughout time.

No Time Like the Future Mar 23 2023 INSTANT NEW YORK TIMES BESTSELLER A moving account of resilience, hope, fear and mortality, and how these things resonate in our lives, by actor and advocate Michael J. Fox. The entire world knows Michael J. Fox as Marty McFly, the teenage sidekick of Doc Brown in *Back to the Future*; as Alex P. Keaton in *Family Ties*; as Mike Flaherty in *Spin City*; and through numerous other movie roles and guest appearances on shows such as *The Good Wife* and *Curb Your Enthusiasm*. Diagnosed at age 29, Michael is equally engaged in Parkinson's advocacy work, raising global awareness of the disease and helping find a cure through The Michael J. Fox Foundation for Parkinson's Research, the world's leading non-profit funder of PD science. His two previous bestselling memoirs, *Lucky Man* and *Always Looking Up*, dealt with how he came to terms with the illness, all the while exhibiting his iconic optimism. His new memoir reassesses this outlook, as events in the past decade presented additional challenges. In *No Time Like the Future: An Optimist Considers Mortality*, Michael shares personal stories and observations about illness and health, aging, the strength of family and friends, and how our perceptions about time affect the way we approach mortality. Thoughtful and moving, but with Fox's trademark sense of humor, his book provides a vehicle for reflection about our lives, our loves, and our losses. Running through the narrative is the drama of the medical madness Fox recently experienced, that included his daily negotiations with the Parkinson's disease he's had since 1991, and a spinal cord issue that necessitated immediate surgery. His challenge to learn how to walk again, only to suffer a devastating fall, nearly caused him to ditch his trademark optimism and "get out of the lemonade business altogether." Does he make it all of the way back? Read the book.

Maybe a Fox Nov 30 2023 Worlds collide in a spectacular way when Newbery and National Book Award finalist Kathi Appelt and Pulitzer Prize nominee and #1 New York Times bestseller Alison McGhee team up to create a fantastical, heartbreaking, and gorgeous tale about two sisters, a fox cub, and what happens when one of the sisters disappears forever. Sylvie and Jules, Jules and Sylvie. Better than just sisters, more than best friends, they’d be identical twins if only they’d been born in the same year. And if only Sylvie wasn’t such a fast—faster than fast—runner. But Sylvie is too fast, and when she runs to the river they’re not supposed to go anywhere near to throw a wish rock just before the school bus comes on a snowy morning, she runs so fast that no one sees what happens...and no one ever sees her again. Jules is devastated, but she refuses to believe what all the others believe, that—like their mother—her sister is gone forever. At the very same time, in the shadow world, a shadow fox is born—half of the spirit world, half of the animal world. She too is fast—faster than fast—and she senses danger. She’s too young to know exactly what she senses, but she knows something is very wrong. And when Jules believes one last wish rock for Sylvie needs to be thrown into the river, the human and shadow worlds collide. Writing in alternate voices—one Jules’s, the other the fox’s—Kathi Appelt and Alison McGhee tell the searingly beautiful tale of one small family’s moment of heartbreak, a moment that unfolds into one that is epic, mythic, shimmering, and most of all, hopeful.

Hair Like a Fox Jul 15 2022 "While it is often stated with great confidence that pattern baldness is the result of defective genes and "male" androgenic hormones (e.g., testosterone, DHT), the theory is physiologically unsound. In fact, after 60 years of research the "genetic-androgen" doctrine has produced a single FDA-approved "therapy" that works less than 50% the time and can result in permanent chemical castration. ...Standing on the shoulders of giants (e.g., Otto Warburg, Albert Szent-Györgyi, Gilbert Ling, Ray Peat and others), *Hair Like a Fox* sets up an alternative "bioenergetic model" of pattern hair loss with a focus on the smallest unit of life, the cell. This same context elucidates simple yet effective therapies for halting and perhaps reversing pattern hair loss in a way that harmonizes with our unique physiology"--Amazon.com.

Delightful illustrations show the children wearing masks representing their chosen animal, while the few lines of text on each page work as a series of simple poems throughout the book. In a brief author's note, Danielle Daniel explains the importance of totem animals in Anishinaabe culture and how they can also act as animal guides for young children seeking to understand themselves and others.

The Hedgehog and the Fox May 25 2023 "The fox knows many things, but the hedgehog knows one big thing." This ancient Greek aphorism, preserved in a fragment from the poet Archilochus, describes the central thesis of Isaiah Berlin's masterly essay on Leo Tolstoy and the philosophy of history, the subject of the epilogue to *War and Peace*. Although there have been many interpretations of the adage, Berlin uses it to mark a fundamental distinction between human beings who are fascinated by the infinite variety of things and those who relate everything to a central, all-embracing system. Applied to Tolstoy, the saying illuminates a paradox that helps explain his philosophy of history: Tolstoy was a fox, but believed in being a hedgehog. One of Berlin's most celebrated works, this extraordinary essay offers profound insights about Tolstoy, historical understanding, and human psychology. This new edition features a revised text that supplants all previous versions, English translations of the many passages in foreign languages, a new foreword in which Berlin biographer Michael Ignatieff explains the enduring appeal of Berlin's essay, and a new appendix that provides rich context, including excerpts from reviews and Berlin's letters, as well as a startling new interpretation of Archilochus's epigram.

Every Day I'm Hustling Jan 01 2024 Vivica A. Fox is a dynamo who has created a lasting career on her own, through sheer, roll-up-your-sleeves DIY hustle. *Every Day I'm Hustling* is a personal book with a message Fox passionately believes in: that you make your own luck, that you never ever wake up in the morning thinking somebody's going to call you and offer you that part or ask you out on that date that's going to change your life, that you have to wake up and put on your longest eyelashes and fiercest heels and go out and make your life happen yourself. The actress provides start-today strategies for success in business and "been there" lessons in love, buttressed with stories from her early family life all the way through to today. Always honest and always funny, Fox also tells behind-the-scenes tales from some of her biggest movies — such as Uma Thurman's life-changing advice during *Kill Bill* and Will Smith's downtime pep talk on Independence Day. And she maps out exactly what it took to come back with a role

on the smash hit Empire and her own frisky show on Lifetime, Vivica's Black Magic. She also shares her how-is-she-53? secrets to looking your best, no matter the age on your driver's license.

Crazy Like a Fox Apr 04 2024 The inspiring true story of "one of the country's finest educators" (National Review) and the school he changed forever. Under the leadership of highly unorthodox principal Dr. Ben Chavis, Oakland's American Indian Public Charter School was hailed as an "education miracle" by governor Arnold Schwarzenegger after it was transformed from a failing "nuisance" into one of the best public middle schools in the nation. This is the story of that transformation and of a man who dared to be different. With his rigorous, no-nonsense approach, Dr. Chavis debunks the myth that poor, minority, inner-city schools have little chance at academic excellence. Focusing on back-to-basics ideals, he has created a structured educational model that, combined with the enthusiasm of his students and teachers, delivers astounding results. In Crazy Like a Fox, Dr. Chavis recounts how he did it-in his own words and through the stories of the extraordinary young people he's helped.
