Who Was Jack the Ripper? Members of H Division Crime Club,2023-12-30 Jack the Ripper is the ultimate cold case The Whitechapel Murders of 1888 have remained unsolved for over 130 years and hundreds of theories have been suggested as to the killer s identity Despite numerous books claiming to unmask the infamous Victorian villain none have come close until now The authors of this book are all members of H Division Crime Club the world s largest body of experts on the Jack the Ripper murders They have all come together for the first time in history to deliver their own personal research into each suspect and to finally nail down the identity of the man known as Jack the Ripper Taking the original police reports eye witness accounts and research by the world s leading authorities into account we ask two crucial questions Who did the police suspect at the time Who was in the area to commit the murders Using 21st century profiling techniques it is time to reveal the truth behind the men most likely to have been Jack the Ripper With each chapter discussing a separate suspect in detail this book is the ultimate guide to solving the world s greatest murder mystery

*Jack the Ripper: Scotland Yard Investigates* Stewart P Evans, Donald Rumbelow, 2010-05-21 In 1888 the dreaded figure of Jack the Ripper stalked London's East End murdering prostitutes His crimes set in motion a huge police operation and have held a dark fascination over the public's imagination for over a century yet his identity has never been proved Now for the first time two leading Ripper experts have joined forces to treat the case like a police investigation Drawing on their unparalleled knowledge of the Jack the Ripper murders and their professional experience as police officers they uncover clues that have remained undetected for over a hundred years There are five canonical Ripper victims yet Scotland Yard's Whitechapel Murders files include another six suspected victims Drawing the reader into the world of police investigation in Victorian London Evans and Rumbelow reveal the conflict between the City and Metropolitan forces and the ridicule heaped on the police by the press Investigating each murder they conclude that only four of the eleven victims were actually killed by the Ripper Perhaps most tellingly they question the motives behind the destruction of evidence particularly the message The Juwes are the men that will not be blamed for nothing which was chalked on the wall near one murder site and rubbed out on order of the Chief Commissioner and ask whether the enigmatic Dr Robert Anderson officer in charge of the investigation knew the Ripper's true identity Jack the Ripper Scotland Yard Investigates strips away much of the nonsense that has accumulated since 1888 and reopens files on a case that will perhaps never be fully solved but will always fascinate
