Gershon Gorenberg

1967 Israel The War And Year That Transformed Middle East Tom Segev

1967 Tom Segev, 2007-05-29 A marvelous achievement Anyone curious about the extraordinary six days of Arab Israeli war will learn much from it The Economist Tom Segev s acclaimed works One Palestine Complete and The Seventh Million overturned accepted views of the history of Israel Now in 1967 a number one bestseller in Hebrew he brings his masterful skills to the watershed year when six days of war reshaped the country and the entire region Going far beyond a military account Segev re creates the crisis in Israel before 1967 showing how economic recession a full grasp of the Holocaust s horrors and the dire threats made by neighbor states combined to produce a climate of apocalypse He depicts the country s bravado after its victory the mood revealed in a popular joke in which one soldier says to his friend Let s take over Cairo the friend replies Then what shall we do in the afternoon Drawing on unpublished letters and diaries as well as government memos and military records Segev reconstructs an era of new possibilities and tragic missteps He introduces the legendary figures Moshe Dayan Golda Meir Gamal Abdul Nasser and Lyndon Johnson and an epic cast of soldiers lobbyists refugees and settlers He reveals as never before Israel s intimacy with the White House as well as the political rivalries that sabotaged any chance of peace Above all he challenges the view that the war was inevitable showing that a series of disastrous miscalculations lie behind the bloodshed A vibrant and original history 1967 is sure to stand as the definitive account of that pivotal year

1967 Tom Segev, 2007-05-29 An Israeli historian examines a watershed year in the history of the Middle East detailing the apocalyptic atmosphere in which Israel existed the six day 1967 war and the implications of the war in terms of reshaping the the Middle East

1967 Tom Segev, 2008-04-29 A marvelous achievement Anyone curious about the extraordinary six days of Arab Israeli war will learn much from it The Economist Tom Segev s acclaimed One Palestine Complete and The Seventh Million overturned accepted views of the history of Israel Now in 1967 he brings his masterful skills to the watershed year when six days of war reshaped the country and the entire region Going far beyond a military account Segev re creates the apocalyptic climate in Israel before the war as well as the country s bravado after its victory He introduces the legendary figures Moshe Dayan Golda Meir Gamal Abdel Nasser and Lyndon Johnson and an epic cast of soldiers lobbyists refugees and settlers He reveals as never before Israel s intimacy with the White House and the political rivalries that sabotaged any chance of peace Above all Segev challenges the view that the war was inevitable showing that behind the bloodshed was a series of disastrous miscalculations Vibrant and original 1967 is sure to stand as the definitive account of that pivotal year

1949 the First Israelis Tom Segev, 2018-08-14 Renowned historian Tom Segev strips away national myths to present a critical and clear eyed chronicle of the year immediately following Israel s foundation Required reading for all who want to understand the Arab Israeli conflict the best analysis of the problems of trying to integrate so many people from such diverse cultures into one political body The New York Times Book Review Historian and journalist

Tom Segev stirred up controversy in Israel upon the first publication of 1949. It was a landmark book that told a different story of the country's early years, one that wasn't taught in schools or shown in popular culture. Rather than painting the idealized picture of the Israel's founding in 1948 after the wreckage of the Holocaust, Segev reveals the gritty underside behind the early years. The new country of Israel faced challenges on all sides. Day to day life was severe, marked by austerity and food shortages. Israeli society was fractured between traditional and secular camps. Jewish immigrants from Middle Eastern countries faced discrimination and second class treatment, and clashes between settlers and the Arabs would set the tone for relations for the following decades, hardening attitudes and creating a violent cycle of retaliation. Drawing on journal entries, letters, declassified government documents, and more, 1949 is a richly detailed look at the friction between the idealism of the Zionist movement and the cold realities of history. Decades after its publication in the United States, Segev's groundbreaking book is still required reading for anyone who wants to understand Israel's past and future.

[A State at Any Cost](#) Tom Segev, 2019-09-24. 2019 National Jewish Book Award Finalist. A fascinating biography, a masterly portrait of a titanic yet unfulfilled man. This is a gripping study of power and the loneliness of power. The Economist. As the founder of Israel, David Ben-Gurion long ago secured his reputation as a leading figure of the twentieth century. Determined from an early age to create a Jewish state, he thereupon took control of the Zionist movement, declared Israel's independence, and navigated his country through wars, controversies, and remarkable achievements. And yet Ben-Gurion remains an enigma; he could be driven and imperious or quizzical and confounding. In this definitive biography, Israel's leading journalist-historian Tom Segev uses large amounts of previously unreleased archival material to give an original, nuanced account transcending the myths and legends that have accreted around the man. Segev's probing biography ranges from the villages of Poland to Manhattan libraries, London hotels, and the hills of Palestine, and shows us Ben-Gurion's relentless activity across six decades. Along the way, Segev reveals for the first time Ben-Gurion's secret negotiations with the British on the eve of Israel's independence, his willingness to countenance the forced transfer of Arab neighbors, his relative indifference to Jerusalem, and his occasional nutty moments, from UFO sightings to plans for Israel to acquire territory in South America. Segev also reveals that Ben-Gurion first heard about the Holocaust from a Palestinian Arab acquaintance and explores his tempestuous private life, including the testimony of four former lovers. The result is a full and startling portrait of a man who sought a state at any cost, at times through risk-taking, violence, and unpredictability, and at other times through compromise, moderation, and reason. Segev's Ben-Gurion is neither a saint nor a villain, but rather a historical actor who belongs in the company of Lenin or Churchill, a twentieth-century leader whose iron will and complex temperament left a complex and contentious legacy that we still reckon with today.

One Palestine, Complete Tom Segev, 2013-05-10. A panoramic and provocative history of life in Palestine during the three strife-torn but romantic decades when Britain ruled and the seeds of today's conflicts were sown. Tom Segev's acclaimed works, 1949 and The Seventh Million, overturned accepted views of the history of Israel. Now Segev

explores the dramatic period before the creation of the state when Britain ruled over one Palestine complete as noted in the receipt signed by the High Commissioner and when its promise to both Jews and Arabs that they would inherit the land set in motion the conflict that haunts the region to this day Drawing on a wealth of untapped archival materials Segev reconstructs a tumultuous era 1917 to 1948 of limitless possibilities and tragic missteps He introduces the legendary figures General Allenby Lawrence of Arabia David Ben Gurion as well as an array of pioneers secret agents diplomats and fanatics He tracks the steady advance of Jews and Arabs toward confrontation and with his hallmark originality puts forward a radical new argument that the British far from being pro Arab as commonly thought consistently favored the Zionist position and did so out of the mistaken and anti Semitic belief that Jews turned the wheels of history Rich in unforgettable characters sensitive to all perspectives *One Palestine Complete* brilliantly depicts the decline of an empire the birth of one nation and the tragedy of another

The Six Day War Guy Laron, 2017-02-21 The author of *Origins of the Suez Crisis* makes us look afresh at the events that led to conflict between Israel and its neighbors *Financial Times* One fateful week in June 1967 redrew the map of the Middle East Many scholars have documented how the Six Day War unfolded but little has been done to explain why the conflict happened at all Now historian Guy Laron refutes the widely accepted belief that the war was merely the result of regional friction revealing the crucial roles played by American and Soviet policies in the face of an encroaching global economic crisis and restoring Syria's often overlooked centrality to events leading up to the hostilities *The Six Day War* effectively sowed the seeds for the downfall of Arab nationalism the growth of Islamic extremism and the animosity between Jews and Palestinians In this important new work Laron's fresh interdisciplinary perspective and extensive archival research offer a significant reassessment of a conflict and the trigger happy generals behind it that continues to shape the modern world Challenging well worth reading *Moment* A penetrating study of a conflict that although brief helped establish a Middle Eastern template that is operational today The author looks beyond Cold War maneuvering to examine the conflict in other lights Readers with an interest in Middle Eastern geopolitics will find much of value *Kirkus Reviews*

Foxbats Over Dimona Isabella Ginor, Gideon Remez, 2008-10-01 Isabella Ginor and Gideon Remez's groundbreaking history of the Six Day War in 1967 radically changes our understanding of that conflict casting it as a crucial arena of Cold War intrigue that has shaped the Middle East to this day The authors award winning Israeli journalists and historians have investigated newly available documents and testimonies from the former Soviet Union cross checked them against Israeli and Western sources and arrived at fresh and startling conclusions Contrary to previous interpretations Ginor and Remez's book shows that the Six Day War was the result of a joint Soviet Arab gambit to provoke Israel into a preemptive attack The authors reveal how the Soviets received a secret Israeli message indicating that Israel despite its official ambiguity was about to acquire nuclear weapons Determined to destroy Israel's nuclear program before it could produce an atomic bomb the Soviets then began preparing for war well before Moscow accused Israel of offensive intent the overt trigger of the crisis Ginor and Remez's

startling account details how the Soviet Arab onslaught was to be unleashed once Israel had been drawn into action and was branded as the aggressor The Soviets had submarine based nuclear missiles poised for use against Israel in case it already possessed and tried to use an atomic device and the USSR prepared and actually began a marine landing on Israel s shores backed by strategic bombers and fighter squadrons They sent their most advanced still secret aircraft the MiG 25 Foxbat on provocative sorties over Israel s Dimona nuclear complex to prepare the planned attack on it and to scare Israel into making the first strike It was only the unpredicted devastation of Israel s response that narrowly thwarted the Soviet design

The Accidental Empire Gershom Gorenberg,2007-03-06 The untold story based on groundbreaking original research of the actions and inactions that created the Israeli settlements in the occupied territories After Israeli troops defeated the armies of Egypt Syria and Jordan in June 1967 the Jewish state seemed to have reached the pinnacle of success But far from being a happy ending the Six Day War proved to be the opening act of a complex political drama in which the central issue became Should Jews build settlements in the territories taken in that war The Accidental Empire is Gershom Gorenberg s masterful and gripping account of the strange birth of the settler movement which was the child of both Labor Party socialism and religious extremism It is a dramatic story featuring the giants of Israeli history Moshe Dayan Golda Meir Levi Eshkol Yigal Allon as well as more contemporary figures like Ariel Sharon Yitzhak Rabin and Shimon Peres Gorenberg also shows how the Johnson Nixon and Ford administrations turned a blind eye to what was happening in the territories and reveals their strategic reasons for doing so Drawing on newly opened archives and extensive interviews Gorenberg reconstructs what the top officials knew and when they knew it while weaving in the dramatic first person accounts of the settlers themselves Fast moving and penetrating The Accidental Empire casts the entire enterprise in a new and controversial light calling into question much of what we think we know about this issue that continues to haunt the Middle East

Year Zero of the Arab-Israeli Conflict 1929 Hillel Cohen,2015-10-22 In late summer 1929 a countrywide outbreak of Arab Jewish British violence transformed the political landscape of Palestine forever In contrast with those who point to the wars of 1948 and 1967 historian Hillel Cohen marks these bloody events as year zero of the Arab Israeli conflict that persists today The murderous violence inflicted on Jews caused a fractious and now traumatized community of Zionists non Zionists Ashkenazim and Mizrachim to coalesce around a unified national consciousness arrayed against an implacable Arab enemy While the Jews unified Arabs came to grasp the national essence of the conflict realizing that Jews of all stripes viewed the land as belonging to the Jewish people Through memory and historiography in a manner both associative and highly calculated Cohen traces the horrific events of August 23 to September 1 in painstaking detail He extends his geographic and chronological reach and uses a non linear reconstruction of events to call for a thorough reconsideration of cause and effect Sifting through Arab and Hebrew sources many rarely if ever examined before Cohen reflects on the attitudes and perceptions of Jews and Arabs who experienced the events and most significantly on the memories they bequeathed to later

generations The result is a multifaceted and revealing examination of a formative series of episodes that will intrigue historians political scientists and others interested in understanding the essence and the very beginning of what has been an intractable conflict

No Man's Land John Toland,2002-09-01 In these pages participants on both sides from enlisted men to generals and prime ministers to monarchs vividly recount the battles sensational events and behind the scenes strategies that shaped the climactic terrifying year It s all here the horrific futility of going over the top into a hail of bullets in no man s land the enigmatic death of the legendary German ace the Red Baron Operation Michael a punishing German attack in the spring the Americans long awaited arrival in June the murder of Russian Czar Nicholas II and his family the growing fear of a communist menace in the east and the armistice on November 11

The 1967 Arab-Israeli War Wm Roger Louis,Avi Shlaim,2012-02-13 The June 1967 war was a watershed in the history of the modern Middle East In six days the Israelis defeated the Egyptian Syrian and Jordanian armies seizing large portions of their territories Two veteran scholars of the Middle East bring together some of the most knowledgeable experts in their fields to reassess the origins and the legacies of the war Each chapter takes a different perspective from the vantage point of a different participant those that actually took part in the war and also the world powers that played important roles behind the scenes Their conclusions make for sober reading At the heart of the story was the incompetence of the Egyptian leadership and the rivalry between various Arab players who were deeply suspicious of each other s motives Israel on the other side gained a resounding victory for which despite previous assessments to the contrary there was no master plan

The Unmaking of Israel Gershom Gorenberg,2011-11-08 Prominent Israeli journalist GershomGorenbergoffers a penetrating and provocative look at how the balance of power in Israel has shifted toward extremism threatening the prospects for peace and democracy as the Israeli Palestinian conflict intensifies Informing his examination using interviews in Israel and the West Bank and with access to previously classified Israeli documents Gorenberg delivers an incisive discussion of the causes and trends of extremism in Israel s government and society Michael Chabon Pulitzer Prize winning author of *The Amazing Adventures of Kavalier and Clay* writes until I read *The Unmaking of Israel* I didn t think it could be possible to feel more despairing and then more terribly hopeful about Israel a place that I began at last under the spell of GershomGorenberg s lucid and dispassionate yet intensely personal writing to understand

[Mother Tongue](#) Wallis Wilde-Menozzi,2020-03-17 A probing and poetic examination of language food faith and family attachment in Italian life through the eyes of an American who moved to Parma with her husband and family In the 1980s the American writer Wallis Wilde Menozzi moved permanently with her Italian husband and her daughter to Parma a sophisticated city in northern Italy where he became a professor of biology Her search for rootedness in the city that was to be her home introduced her to complexities in her identity as she migrated into another language and looked for links beyond the joys of Verdi Correggio and Parmesan cheese which visitors have rightly extolled for centuries The local resistance to change perceived as individualistic led Wilde Menozzi to explore the pull and

challenge of difference and discover the backbone she needed for artistic freedom In Mother Tongue Wilde Menozzi offers stories of far sighted lives remarkable Parma men and remarkable women including the Renaissance abbess Giovanna Piacenza the fighting Donella Rossi Sanvitale and her own indefatigable mother in law Framed with a new introduction by the author and a new foreword by Patricia Hampl this classic on diversity and tolerance family faith and food in Italy and the United States is at once timeless and timely a large beautiful window into the intelligent literate reflective life of Italy Shirley Hazzard

The Israel Lobby and U.S. Foreign Policy John J. Mearsheimer, Stephen M. Walt, 2007-09-04 Originally published in 2007 The Israel Lobby and U S Foreign Policy by John Mearsheimer of the University of Chicago and Stephen M Walt of Harvard s John F Kennedy School of Government provoked both howls of outrage and cheers of gratitude for challenging what had been a taboo issue in America the impact of the Israel lobby on U S foreign policy A work of major importance it remains as relevant today as it was in the immediate aftermath of the Israel Lebanon war of 2006 Mearsheimer and Walt describe in clear and bold terms the remarkable level of material and diplomatic support that the United States provides to Israel and argues that this support cannot be fully explained on either strategic or moral grounds This exceptional relationship is due largely to the political influence of a loose coalition of individuals and organizations that actively work to shape U S foreign policy in a pro Israel direction They provocatively contend that the lobby has a far reaching impact on America s posture throughout the Middle East in Iraq Iran Lebanon and toward the Israeli Palestinian conflict and the policies it has encouraged are in neither America s national interest nor Israel s long term interest The lobby s influence also affects America s relationship with important allies and increases dangers that all states face from global jihadist terror The publication of The Israel Lobby and U S Foreign Policy led to a sea change in how the U S Israel relationship was discussed and continues to be one of the most talked about books in foreign policy

The Invention of the Jewish People Shlomo Sand, 2010-06-14 A historical tour de force The Invention of the Jewish People offers a groundbreaking account of Jewish and Israeli history Exploding the myth that there was a forced Jewish exile in the first century at the hands of the Romans Israeli historian Shlomo Sand argues that most modern Jews descend from converts whose native lands were scattered across the Middle East and Eastern Europe In this iconoclastic work which spent nineteen weeks on the Israeli bestseller list and won the coveted Aujourd hui Award in France Sand provides the intellectual foundations for a new vision of Israel s future

West Germany and Israel Carole Fink, 2019-01-17 A new history of the West German Israeli relationship as these two countries faced terrorism war and economic upheaval in a global Cold War environment

The Bride and the Dowry Avi Raz, 2013-09-10 Drawing from newly declassified records in Israeli American British and United Nations archives this penetrating book examines the critical two years following the June 1967 Six Day War dispelling the myth of overall Arab intransigence and arriving at new and unexpected conclusions

Coming Home to Jerusalem Wendy Orange, 2001-07-10 An American Jewish immigrant to Jerusalem paints a funny and painful picture of the
