*T.C. Boyle Stories II.* T. Coraghessan Boyle, 2013 A second volume of stories by the best selling author of Drop City includes 14 previously uncollected works and is complemented by a preface reflecting on his career and the art of story writing

**After the Plague** T.C. Boyle, 2002-12-31 Few authors in America write with such sheer love of story language and imagination as T C Boyle and nowhere is that passion more evident than in his inventive wickedly funny and widely praised short stories In After the Plague Boyle speaks of contemporary social issues in a range of emotional keys The sixteen stories gathered here address everything from air rage to abortion doctors to first love and its consequences The collection ends with the brilliant title story a whimsical and imaginative vision of a disease ravaged Earth Presented with characteristic wit and intelligence these stories will delight readers in search of the latest news of the chaotic disturbing and achingly beautiful world in which we live Boyle s imagination and zeal for storytelling are in top form here Publishers Weekly

Greasy Lake and Other Stories T.C. Boyle, 1986-05-06 Mythic and realistic farcical and tragic The Washington Post Book World says these masterful stories mark T Coraghessan Boyle s development from a prodigy s audacity to something that packs even more of a wallop mature artistry They cover everything from a terrifying encounter between a bunch of suburban adolescents and a murderous drug dealing biker to a touching though doomed love affair between Eisenhower and Nina Khrushchev

**Talk to Me** T.C. Boyle, 2021-09-14 From bestselling and award winning author T C Boyle a lively thought provoking novel that asks us what it would be like if we could really talk to the animals When animal behaviorist Guy Schermerhorn demonstrates on a TV game show that he has taught Sam his juvenile chimp to speak in sign language Aimee Villard an undergraduate at Guy s university is so taken with the performance that she applies to become his assistant A romantic and intellectual attachment soon morphs into an interspecies love triangle that pushes hard at the boundaries of consciousness and the question of what we know and how we know it What if it were possible to speak to the members of another species to converse with them not just give commands or coach them but to really have an exchange of ideas and a meeting of minds Did apes have God Did they have souls Did they know about death and redemption About prayer The economy rockets space Did they miss the jungle Did they even know what the jungle was Did they dream Make wishes Hope for the future These are some the questions T C Boyle asks in his wide ranging and hilarious new novel Talk to Me exploring what it means to be human to communicate with another and to truly know another person or animal

**T.C. Boyle Stories** T. Coraghessan Boyle, 2013

**The Relive Box and Other Stories** T.C. Boyle, 2017-10-03 While T C Boyle is known as one of our greatest American novelists he is also an acknowledged master of the short story and is perhaps at his funniest his most moving and his most surprising in the short form In The Relive Box Boyle s sharp wit and rich imagination combine with a penetrating social consciousness to produce raucous poignant and expansive short stories defined by an inimitable voice

From the collection's title story featuring a Halcom X1520 Relive Box that allows users to experience anew almost any moment from their past to *The Five Pound Burrito* the tale of a man aiming to build the biggest burrito in town the twelve stories in this collection speak to the humor the pathos and the struggle that is part of being human while relishing the whimsy of wordplay and the power of a story well told In stories that span a variety of styles and genres Boyle addresses the enduring concerns of the human mind and heart while taking on timely social concerns *The Relive Box* is an exuberant linguistically dazzling effort from a vibrant sensibility fully engaged with American society *The New York Times* **When the Killing's Done** T.C. Boyle, 2012-03-01 The island of Anacapa off the coast of California is overrun with black rats which are threatening the ancient population of ground nesting birds Alma Boyd Takesue of the National Park Service is campaigning to exterminate them once and for all but her systematic plan is in danger of sabotage by two notorious environmental activists Anise Reed and Dave LaJoy But when Alma's sights turn to the infestation of non native pigs on the island of Santa Cruz where Anise was brought up by her rancher mother the stakes are raised and the debate threatens to boil over into something much more real **World's End** T.C. Boyle, 1990-07-20 Haunted by the burden of his family's traitorous past woozy with pot cheap wine and sex and disturbed by a frighteningly real encounter with some family ghosts Walter van Brunt is about to have a collision with history It will lead Walter to search for his lost father And it will send the story into the past of the Hudson River Valley from the late 1960's back to the anticommunist riots of the 1940's to the late seventeenth century where the long hidden secrets of three families the aristocratic van Warts the Native American Mohonks and Walter's own ancestors the van Brunts will be revealed **If the River Was Whiskey** T.C. Boyle, 1990-05-01 In sixteen stories T C Boyle tears through the walls of contemporary society to reveal a world at once comic and tragic droll and horrific Boyle introduces us to a death defying stuntman who rides across the country strapped to the axle of a Peterbilt and to a retired primatologist who can't adjust to the civilized world He chronicles the state of romance that requires full body protection in a disease conscious age and depicts with aching tenderness the relationship between a young boy and his alcoholic father These magical and provocative stories mark yet another virtuoso performance from one of America's most supple and electric literary inventors **T.C. Boyle Stories II** T. C. Boyle, 2013-11-07 A man falls from a roof whilst spying on his beautiful widowed neighbour A newly married couple seeking enlightenment take a three year vow of silence and move to a yurt in the Arizona desert A handsome young man works in real estate by day but has a far more sinister profession by night An elderly woman is determined to return to her home in the countryside despite the knowledge that in doing so she may be signing her own death warrant Giant men are kept in cages to ensure their nightly service to their country A man develops an unhealthy interest in his recently deceased reclusive rock star neighbour And on Christmas day at the San Francisco Zoo a terrible and tragic event occurs T C Boyle Stories II comprises three later volumes of short fiction *After the Plague* *Tooth and Claw* and *Wild Child* along with a new collection *A Death in Kitchawank* These fifty eight stories

explore the mundane the devastating the figurative and the implausible in a masterful and enthralling collection T C Boyle is a writer at the height of his craft **Wild Child** T.C. Boyle,2010-01-21 Fourteen exhilarating The Boston Globe stories that explore the delicate balance between nature and civilization San Francisco Chronicle from the New York Times bestselling author of The Tortilla Curtain A rollicking collection of good old fashioned funny suspenseful head shaking stories The New York Times Best Books of the Year There may be no one better than T C Boyle at engaging shocking and ultimately gratifying readers while at the same time testing his characters emotional and physical endurance From Wild Child a retelling of the story of Victor the feral boy who was captured running naked through the forests of Napoleonic France to La Conchita the tale of a catastrophic mudslide that allows a cynic to reclaim his own humanity these tales are by turns magical and moving showcasing the mischievous humor and socially conscious sensibility that have made Boyle one of the foremost masters of the short story **Talk Talk** T.C. Boyle,2007-06-26 Over the past twenty five years T C Boyle has earned wide acclaim and an enthusiastic following with such adventurous inimitable novels as The Tortilla Curtain Drop City and The Road to Wellville For his riveting eleventh novel Boyle offers readers the closest thing to a thriller he has ever written a tightly scripted page turner about the trials of Dana Halter a thirty three year old deaf woman whose identity has been stolen Featuring a woman in the lead role a Boyle first Talk Talk is both a suspenseful chase across America and a moving story about language love and identity from one of America s most versatile and entertaining novelists *Riven Rock* T. C. Boyle,2011-07-01 This extraordinary love story based on historical characters and written with Boyle s customary brilliance and wit follows the lives of two scarred creatures living in a magical age It is the turn of the century Stanley McCormick the twenty nine year old heir to the great Reaper fortune meets and marries Katherine Dexter a woman of power beauty wealth and prestige Two years later Stanley falls victim to a tormenting sexual mania and schizophrenia and is imprisoned in the massive forbidding mansion known as Riven Rock He spends the next two decades under the control of a succession of psychiatrists all of whom forbid any contact with women Yet Katherine Dexter now famous as a champion for women s suffrage and Planned Parenthood remains strong in her belief that someday her husband will return to her whole Based on a true story of love madness and sexuality this is a tragic book with enormous depth and scope Set in America at the turn of the century it is full of fascinating historical detail Without a Hero T.C. Boyle,1995-05-01 T C Boyle was first feted as a master of the short story for his critically acclaimed Greasy Lake With these stories applauded by People magazine as wickedly comical he displays once again a virtuosity and versatility rare in literary America today Without a Hero zooms in on American phenomena such as a center for the treatment of acquisitive disorders a couple in search of the last toads on earth and a real estate wonder boy on a dude safari near convenient Bakerfield California Sharp guileful and malevolently funny Boyle s stories are more than funny better than wicked says The Philadelphia Inquirer They make you cringe with their clarity *Outside Looking In* T. C. Boyle,2019-04-09 One family s adventures in LSD the brilliantly strange new novel from the

mind of one of the most inventive adventurous and accomplished fiction writers in the US today Lionel Shriver Chosen as a Book of the Year 2019 by the Herald It is Harvard in the early 1960s Just off campus Dr Timothy Leary plays host for his PhD students laying on a spread of cocktails pizza and LSD Among the guests is Fitzhugh Loney a psychology student and his librarian wife Joanie Married young and both diligently and unglamorously toiling to support their son they are not the sort of people one would expect to be seduced by the nascent drug culture But their nights on LSD prove so extraordinary so revelatory so earth shattering so downright seductive that Fitzhugh and Joanie are soon captive to the whims of the charismatic and subversive Dr Tim Follow Fitzhugh and Joanie on their quest for transcendence as sultry Mexican nights at Hotel Catalina give way to a ramshackle mansion in upstate New York where thirty devotees students wives and children play out the final act of a terrible beautiful experiment Join us won t you It s going to be one hell of a trip The Collected Stories Of T. Coraghessan Boyle T.C. Boyle,2014-11-06 T Coraghessan Boyle is regarded as one of America s greatest living short story writers This publication brings together all his stories into one volume T. C.
