**An Ordinary Man** Paul Rusesabagina, Tom Zoellner, 2006-04-06 The remarkable autobiography of the globally recognized human rights champion whose heroism inspired the film Hotel Rwanda Fascinating your book is called An Ordinary Man yet you took on an extraordinary feat with courage determination and diplomacy Oprah O The Oprah Magazine As Rwanda was thrown into chaos during the 1994 genocide Rusesabagina a hotel manager turned the luxurious Hotel Milles Collines into a refuge for more than 1 200 Tutsi and moderate Hutu refugees while fending off their would be killers with a combination of diplomacy and deception In An Ordinary Man he tells the story of his childhood retraces his accidental path to heroism revisits the 100 days in which he was the only thing standing between his guests and a hideous death and recounts his subsequent life as a refugee and activist

**Inside the Hotel Rwanda** Edouard Kayihura, Kerry Zukus, 2014-04-01 In 2004 the Academy Award nominated movie Hotel Rwanda lionized hotel manager Paul Rusesabagina for single handedly saving the lives of all who sought refuge in the Hotel des Milles Collines during Rwanda's genocide against the Tutsi in 1994 Because of the film the real life Rusesabagina has been compared to Oskar Schindler but unbeknownst to the public the hotel's refugees don't endorse Rusesabagina's version of the events In the wake of Hotel Rwanda's international success Rusesabagina is one of the most well known Rwandans and now the smiling face of the very Hutu Power groups who drove the genocide He is accused by the Rwandan prosecutor general of being a genocide negationist and funding the terrorist group Democratic Forces for the Liberation of Rwanda FDLR In Inside the Hotel Rwanda survivor Edouard Kayihura tells his own personal story of what life was really like during those harrowing 100 days within the walls of that infamous hotel and offers the testimonies of others who survived there from Hutu and Tutsi to UN peacekeepers Kayihura tells of his life in a divided society and his journey to the place he believed would be safe from slaughter Inside the Hotel Rwanda exposes Paul Rusesabagina as a profiteering politically ambitious Hutu Power sympathizer who extorted money from those who sought refuge threatening to send those who did not pay to the genocidaires despite pleas from the hotel's corporate ownership to stop Inside the Hotel Rwanda is at once a memoir a critical deconstruction of a heralded Hollywood movie alleged to be factual and a political analysis aimed at exposing a falsely created hero using his fame to be a political force spouting the same ethnic apartheid that caused the genocide two decades ago

**A Thousand Hills to Heaven** Josh Ruxin, 2013-11-05 One couple's inspiring

memoir of healing a Rwandan village raising a family near the old killing fields and building a restaurant named Heaven Newlyweds Josh and Alissa were at a party and received a challenge that shook them to the core do you think you can really make a difference Especially in a place like Rwanda where the scars of genocide linger and poverty is rampant While Josh worked hard bringing food and health care to the country's rural villages Alissa was determined to put their foodie expertise to work The couple opened Heaven a gourmet restaurant overlooking Kigali which became an instant success Remarkably they found that between helping youth marry their own local ingredients with gourmet recipes and mix up the best guacamole in Africa and teaching them how to help themselves they created much needed jobs while showing that genocide survivors really could work together While first a memoir of love adventure and family A Thousand Hills to Heaven also provides a remarkable view of how through health jobs and economic growth our foreign aid programs can be quickly remodeled and work to end poverty worldwide

**Machete Season** Jean Hatzfeld, 2006-04-18 Navigate the darkest corridors of humanity with Machete Season a harrowing saga that dusts off the grim truths of the Rwandan Genocide Rewind to April May 1994 as the Tutsis face the unimaginable horror of annihilation under their fellow Hutu's brutal reign The author Jean Hatzfeld painstakingly pieces together the chilling accounts shared by nine Hutu executioners Recounted are not just tales of horror but a frightening display of the dehumanizing banality of evil This revelation doubles as a probing exploration of the mechanisms of mass murders and their remorseless orchestrators Delve into their candid confessions about the dreadful slaughter of approximately 50 000 Tutsis their neighbors As you navigate through their stories one piercing unsettling theme stands out Killing is easier than farming Echoes of their unsettling ambivalence towards their heinous actions fill the pages raising alarming questions about human morality and ethics Machete Season isn't just a chronicle of genocide It's an insightful contemplation on the extraordinary horrors that ordinary human beings are capable of under certain circumstances By starkly positioning the Rwandan Genocide alongside historical war crimes and genocidal episodes this book raises a mirror to the darkest corners of human nature forcing you to reconsider the pylons of morality humanity and guilt when survival is at stake

**Season of Blood** Fergal Keane, 1996-04-25 When President Habyarimana's jet was shot down in April 1994 Rwanda erupted into a hundred day orgy of killing which left up to a million dead Fergal Keane travelled through the country as the genocide was continuing and his powerful analysis reveals the terrible truth behind the headlines A tender angry account As well as being a scathing indictment Keane says the genocide inflicted on the Tutsis was planned well in advance by Hutu leaders this is a graphic view of news gathering in extremis It deserves to become a classic Independent

**Shake Hands With the Devil** Romeo Dallaire, 2009-02-24 On the tenth anniversary of the date that UN peacekeepers landed in Rwanda Random House Canada is proud to publish the unforgettable first hand account of the genocide by the man who led the UN mission Digging deep into shattering memories General Dallaire has written a powerful story of betrayal na vet racism and international politics His message is simple and undeniable Never

again When Lt Gen Roméo Dallaire received the call to serve as force commander of the UN intervention in Rwanda in 1993 he thought he was heading off on a modest and straightforward peacekeeping mission Thirteen months later he flew home from Africa broken disillusioned and suicidal having witnessed the slaughter of 800 000 Rwandans in only a hundred days In *Shake Hands with the Devil* he takes the reader with him on a return voyage into the hell of Rwanda vividly recreating the events the international community turned its back on This book is an unsparing eyewitness account of the failure by humanity to stop the genocide despite timely warnings Woven through the story of this disastrous mission is Dallaire's own journey from confident Cold Warrior to devastated UN commander to retired general engaged in a painful struggle to find a measure of peace reconciliation and hope This book is General Dallaire's personal account of his conversion from a man certain of his worth and secure in his assumptions to a man conscious of his own weaknesses and failures and critical of the institutions he'd relied on It might not sit easily with standard ideas of military leadership but understanding what happened to General Dallaire and his mission to Rwanda is crucial to understanding the moral minefields our peacekeepers are forced to negotiate when we ask them to step into the world's dirty wars Excerpt from *Shake Hands with the Devil* My story is not a strictly military account nor a clinical academic study of the breakdown of Rwanda It is not a simplistic indictment of the many failures of the UN as a force for peace in the world It is not a story of heroes and villains although such a work could easily be written This book is a *cri de coeur* for the slaughtered thousands a tribute to the souls hacked apart by machetes because of their supposed difference from those who sought to hang on to power This book is the account of a few humans who were entrusted with the role of helping others taste the fruits of peace Instead we watched as the devil took control of paradise on earth and fed on the blood of the people we were supposed to protect *That the World May Know* James Dawes, 2009-06-30 What can we do to prevent more atrocities from happening in the future and to stop the ones that are happening right now *That the World May Know* tells the powerful and moving story of the successes and failures of the modern human rights movement Drawing on firsthand accounts from fieldworkers around the world the book gives a painfully clear picture of the human cost of confronting inhumanity in our day *My Father, Maker of the Trees* Eric Irvuzumugabe, Tracey D. Lawrence, 2009-09-01 *My Father Maker of the Trees* is a story not only of surviving the Rwandan genocide it is also a story of spiritual rebirth healing and redemption of a land and a people This incredible true account shows readers the reality of evil in the world as well as the power of hope Eric's message of God's relentless love through our darkest circumstances will encourage and inspire Now available in trade paper Praise for *My Father Maker of the Trees* The power of this book comes from a call to forgiveness worldwide Publishers Weekly An inspirational memoir of faith and resilience Booklist Eric's story shows how God's love and presence can overcome suffering and evil in our world Immaculee Ilibagiza author of the New York Times bestseller *Left to Tell* "Leave None to Tell the Story" Alison Liebhaftsky Des Forges, Human Rights Watch (Organization), 1999 Law and Order Call to Family, Community, & Participation

Usccb,1993-12 Book 2 in the Faith Sharing series focuses on the call to family community and participation as a theme of Catholic social teaching **We Wish to Inform You That Tomorrow We Will Be Killed with Our Families** Philip Gourevitch,1998 In 1994 the Rwandan government implemented a policy for the Hutu majority to murder everyone in the Tutsi majority **The Path of a Genocide** Astri Suhrke,2017-07-05 The Great Lakes region of Africa has seen dramatic changes After a decade of war repression and genocide loosely allied regimes have replaced old style dictatorships The Path of a Genocide examines the decade 1986 97 that brackets the 1994 genocide in Rwanda This collection of essays is both a narrative of that event and a deep reexamination of the international role in addressing humanitarian issues and complex emergencies Nineteen donor countries and seventeen multilateral organizations international agencies and international nongovernmental organizations pooled their efforts for an in depth evaluation of the international response to the conflict in Rwanda Original studies were commissioned from scholars from Uganda Rwanda Zaire Ethiopia Norway Great Britain France Canada and the United States While each chapter in this volume focuses on one dimension of the Rwanda conflict together they tell the story of this unfolding genocide and the world s response The Path of a Genocide offers readers a perspective in sharp contrast to the tendency to treat a peace agreement as the end to conflict This is a detailed effort to make sense of the political crisis and genocide in Rwanda and the effects it had on its neighbors *Classic Questions and Contemporary Film* Dean A. Walter Dorn,Jonathan Matloff,Jennifer Matthews,1999 **A People Betrayed** Linda Melvern,2014-04-10 Events in Rwanda in 1994 mark a landmark in the history of modern genocide Up to one million people were killed in a planned public and political campaign In the face of indisputable evidence the Security Council of the United Nations failed to respond In this classic of investigative journalism Linda Melvern tells the compelling story of what happened She holds governments to account showing how individuals could have prevented what was happening and didn t do so The book also reveals the unrecognized heroism of those who stayed on during the genocide volunteer peacekeepers and those who ran emergency medical care Fifteen years on this new edition examines the ongoing impact of the 1948 Genocide Convention and the shock waves Rwanda caused around the world Based on fresh interviews with key players and newly released documents *A People Betrayed* is a shocking indictment of the way

Rwanda is and was forgotten and how today it is remembered in the West *Frida* Frida Umuhoza Gashumba,2007 Tells the true dramatic story of life amid the horror of genocide but more importantly of how a woman's life was utterly transformed by the power to forgive and love her enemies Amazingly in the midst of the traumas Frida found Christ Her story is for all those who have gone through life shattering experiences and are unable to forgive *Africa's World War* Gerard Prunier,2008-12-31 The Rwandan genocide sparked a horrific bloodbath that swept across sub Saharan Africa ultimately leading to the deaths of some four million people In this extraordinary history of the recent wars in Central Africa Gerard Prunier offers a gripping account of how one grisly episode laid the groundwork for a sweeping and disastrous upheaval Prunier vividly describes the grisly aftermath of the Rwandan genocide when some two million refugees a third of Rwanda's population fled to exile in Zaire in 1996 The new Rwandan regime then crossed into Zaire and attacked the refugees slaughtering upwards of 400 000 people The Rwandan forces then turned on Zaire's despotic President Mobutu and with the help of a number of allied African countries overthrew him But as Prunier shows the collapse of the Mobutu regime and the ascension of the corrupt and erratic Laurent D sir Kabila created a power vacuum that drew Rwanda Uganda Angola Zimbabwe Sudan and other African nations into an extended and chaotic war The heart of the book documents how the whole core of the African continent became engulfed in an intractable and bloody conflict after 1998 a devastating war that only wound down following the assassination of Kabila in 2001 Prunier not only captures all this in his riveting narrative but he also indicts the international community for its utter lack of interest in what was then the largest conflict in the world Praise for the hardcover The most ambitious of several remarkable new books that reexamine the extraordinary tragedy of Congo and Central Africa since the Rwandan genocide of 1994 New York Review of Books One of the first books to lay bare the complex dynamic between Rwanda and Congo that has been driving this disaster Jeffrey Gettleman New York Times Book Review Lucid meticulously researched and incisive Prunier's will likely become the standard account of this under reported tragedy Publishers Weekly War, Women, and Power Marie E. Berry,2018-03-15 Rwanda and Bosnia both experienced mass violence in the early 1990s Less than ten years later Rwandans surprisingly elected the world's highest level of women to parliament In Bosnia women launched thousands of community organizations that became spaces for informal political participation The political mobilization of women in both countries complicates the popular image of women as merely the victims and spoils of war Through a close examination of these cases Marie E Berry unpacks the puzzling relationship between war and women's political mobilization Drawing from over 260 interviews with women in both countries she argues that war can reconfigure gendered power relations by precipitating demographic economic and cultural shifts In the aftermath however many of the gains women made were set back This book offers an entirely new view of women and war and includes concrete suggestions for policy makers development organizations and activists supporting women's rights
