From #1 New York Times bestselling author Brandon Sanderson, Words of Radiance, Book Two of the Stormlight Archive, continues the immersive fantasy epic that The Way of Kings began. Expected by his enemies to die the miserable death of a military slave, Kaladin survived to be given command of the royal bodyguards, a controversial first for a low-status "darkeyes." Now he must protect the king and Dalinar from every common peril as well as the distinctly uncommon threat of the Assassin, all while secretly struggling to master remarkable new powers that are somehow linked to his honorspren, Syl. The Assassin, Szeth, is active again, murdering rulers all over the world of Roshar, using his baffling powers to thwart every bodyguard and elude all pursuers. Among his prime targets is Highprince Dalinar, widely considered the power behind the Alethi throne. His leading role in the war would seem reason enough, but the Assassin's master has much deeper motives. Brilliant but troubled Shallan strives along a parallel path. Despite being broken in ways she refuses to acknowledge, she bears a terrible burden: to somehow prevent the

return of the legendary Voidbringers and the civilization-ending Desolation that will follow. The secrets she needs can be found at the Shattered Plains, but just arriving there proves more difficult than she could have imagined. Meanwhile, at the heart of the Shattered Plains, the Parshendi are making an epochal decision. Hard pressed by years of Alethi attacks, their numbers ever shrinking, they are convinced by their war leader, Eshonai, to risk everything on a desperate gamble with the very supernatural forces they once fled. The possible consequences for Parshendi and humans alike, indeed, for Roshar itself, are as dangerous as they are incalculable. Keywords: Free, Freebie, Young Adult, Urban Fantasy, YA, Free Book, Vampires, Werewolves Return to #1 New York Times bestseller Brandon Sanderson's Mistborn world of Scadrial as its second era, which began with The Alloy of Law, comes to its earth-shattering conclusion in The Lost Metal. For years, frontier lawman turned big-city senator

Waxillium Ladrian has hunted the shadowy organization the Set—with his late uncle and his sister among their leaders—since they started kidnapping people with the power of Allomancy in their bloodlines. When Detective Marasi Colms and her partner Wayne find stockpiled weapons bound for the Outer City of Bilming, this opens a new lead. Conflict between Elendel and the Outer Cities only favors the Set, and their tendrils now reach to the Elendel Senate—whose corruption Wax and Steris have sought to expose—and Bilming is even more entangled. After Wax discovers a new type of explosive that can unleash unprecedented destruction and realizes that the Set must already have it, an immortal kandra serving Scadrial's god, Harmony, reveals that Bilming has fallen under the influence of another god: Trell, worshipped by the Set. And Trell isn't the only factor at play from the larger Cosmere—Marasi is recruited by offworlders with strange abilities who claim their goal is to protect Scadrial...at any cost. Wax must choose whether to set aside his rocky relationship with God and once again become the Sword that Harmony has groomed him to be. If no one steps forward to be the hero Scadrial needs, the planet and its millions of people will come to a sudden and calamitous ruin. This book is for students and practitioners of not only knapping, lithic technology and archaeology, but also of fractography and fracture mechanics. In general, understanding of fractures provides a sounder basis for lithic analysis, and use of more recent scientific tools opens new avenues for lithic studies. Between the Blade and the Heart is the first book in a brilliant new YA fantasy duology inspired by Norse

Mythology by New York Times bestselling author Amanda Hocking. When the fate of the world is at stake Loyalties will be tested As one of Odin's Valkyries, Malin's greatest responsibility is to slay immortals and return them to the underworld. But when she unearths a secret that could unravel the balance of all she knows, Malin along with her best friend and her ex-girlfriend must decide where their loyalties lie. And if helping the blue-eyed boy Asher enact his revenge is worth the risk—to the world and her heart. Venice, 1407. The city is at the height of its powers. In theory, Duke Marco commands, but Marco is a simpleton so his aunt and uncle rule in his stead. They seem all powerful, yet live in fear of assassins better than their own. On the night their world changes, Marco's young cousin prays in the family chapel for deliverance from a forced marriage. It is her misfortune to be alone when Mamluk pirates break in to abduct her - an act that will ultimately trigger war. Elsewhere Atilo, the Duke's chief assassin, cuts a man's throat. Hearing a noise, he turns back to find a boy drinking from the victim's wound. The speed with which the angel-faced boy dodges his dagger and scales a wall stuns Atilo. He knows then he must hunt him. Not to kill him, but because he's finally found what he thought was impossible - someone fit to be his apprentice. Award-winning author Jon Courtenay Grimwood is a master storyteller. Here, he blends history, politics and dark fantasy in a compelling vision of an alternative Venice. From #1 New York Times bestselling author Brandon Sanderson, the Mistborn series is a heist story of political intrigue and magical, martial-arts action. Three hundred years after the events of the Mistborn trilogy, Kelsier and Vin have passed into the realm of history and myth, and the world of Scadrial is on the verge of modernity. In the frontier lands known as the Roughts, the old magics are a crucial tool for those who establish order and justice. One such is Waxillium Ladrian, a rare Twinborn, who can Push on metals with his Allomancy and use Feruchemy to become lighter or heavier at will. After twenty years in the Roughts, tragedy has driven Wax back to the metropolis of Elendel. Now he must reluctantly put away his guns and assume the duties of the head of a noble house. But when a gang of Allomancers turn to train robbery and kidnapping, Wax will soon learn that the mansions and elegant tree-lined streets of the city can be more dangerous than the dusty plains of the Roughts. Around 11,000 years ago, a Paleoindian culture known to us as "Clovis" occupied much of North America. Considered to be among the continent's earliest human inhabitants, the Clovis peoples were probably nomadic hunters and gatherers whose remaining traces include camp sites and caches of goods stored for utilitarian or ritual purposes. This book offers the first comprehensive study of a little-known aspect of Clovis culture—stone blade technology. Michael Collins introduces the topic with a close look at the nature of blades and the techniques of their manufacture, followed by a discussion of the full spectrum of Clovis lithic technology and how blade production relates to the production of other stone tools. He then provides a full report of the discovery and examination of fourteen blades found in 1988 in the Keven Davis Cache in Navarro County, Texas. Collins also presents a comparative study of known and presumed Clovis blades from many sites, discusses the Clovis peoples' caching practices, and considers what lithic technology and caching behavior can add to our knowledge of Clovis lifeways. These findings will be important reading for both specialists and amateurs who are piecing together the puzzle of the peopling of the Americas, since the manufacture of blades is a trait that Clovis peoples shared with the Upper Paleolithic peoples in Europe and northern Asia. Arcadia's Knight Academy is the premier school for young men hoping to become a Sorceress's Knight. Only nobles, people with power and prestige, are allowed within these hallowed grounds—which explains why Caspian Ignis del Sol is hated by everyone. He's not a noble, or of even slightly noble lineage. As payment for being enrolled in the academy, Caspian is sometimes given tasks to perform that take him outside of the academy walls. This time, his job is to deliver a letter to a Sorceress living in Ashtown, but when the train that he's riding on is attacked by a mysterious band of thugs in cloaks, he'll find that there is a whole lot more to this quest than he first imagined. Long months have passed since Siris and the God King, enemies

betrayed together, were left to rot in the prison at the Vault of Tears. Their true enemy -- the Worker of Secrets, creator of the Infinity Blade itself -- now reigns. Upon finally obtaining freedom, Siris must unravel plots that seem to make no sense, lead a rebellion with no direction, and fight against the division within his very heart. The secrets unraveled will dig backward in time toward the origins of the Deathless and the true nature of the world itself...From #1 bestselling author Brandon Sanderson and ChAIR Entertainment, creators of the blockbuster Infinity Blade video game series, comes the second novel in the epic Infinity Blade saga. This latest tale delves deeper into the fantastical world of Infinity Blade, a world of mystery and intrigue where magic and technology are indistinguishable and even life and death are not as they seem. Le roman officiel du célèbre jeu video Infinity Blade. Formé dès son plus jeune âge pour renverser le terrible Dieu Roi et libérer son peuple de l'oppression, le jeune Siris a réussi à vaincre le tyran en combat singulier. Mais alors qu'il croit en avoir terminé avec cette mission sacrée, Siris se retrouve plongé dans un monde rempli d'anciens conflits et d'alliances changeantes, d'immortels et d'ambitieux qui se verraient bien roi à la place du roi. Sa quête de liberté le conduira sur les traces du seul être capable de dévoiler les secrets de l'Infinity Blade. As the heir to the largest shape shifter pack in North America, Alec Graves has inherited a savage, dangerous life. If he can successfully take over his father's pack, Alec will finally have a chance to make changes for the better, but he wouldn't be the first person to be corrupted by that kind of power. Human teenager Adri Paige is only days away from manifesting a supernatural ability that is as powerful as it is terrifying. Her only hope of survival lies in mastering her gift before it lures dark forces into her life. Separately, Alec and Adri have no chance of seeing another year. Together they just might be able to save the world. This omnibus edition includes the first three novels in the popular Dark Reflections Series (which has received more than 300 4- & 5-star reviews), and is nearly 800 pages of action, danger and romance set in one of the richest, most complex worlds in the genre. This Bundle includes: Bound: The only thing worse than having no family at all, is having a family that is out to hurt you. That would all be bad enough for a normal 17-year-old, but it's even worse for Alec Graves. A shape shifter's pack, his family, is the only thing stopping the other preternatural creatures out there from killing them. Alec's pack isn't just neglectful, he's pretty sure that his father wants him dead. Alec is about to be sent to the front lines of a war between his people and everything else that goes bump in the night. His only chance of survival is to convince everyone around him that he's the perfect soldier, but there are lines that Alec won't cross, not for

any price. Hunted: The Perfect Weapon: Adri Paige can visit people inside of their dreams, where they are defenseless. The Ultimate Spy: Adri's power lets her ferret out anyone's secrets and even influence their waking actions. The World's Biggest Prize: Adri's power comes with a price. Dark forces hunt her, hoping to bend her gifts to their purposes. The Real Problem? Adri needs to make it through high school without letting anyone around her figure out her true capabilities—all while crushing on a guy she knows is probably trouble. Ambushed: Adriana Paige has survived not one but two vampire attacks in less than twenty-four hours, and unless she's able to master her ability to share other people's dreams, the attacks are only going to get worse. Taggart has promised to train Adri, but he's got even more enemies than she does and there's no guarantee that he'll be able to keep her from being caught in the crossfire. More than anything else, Adri wants to talk to shape shifter Alec Graves, but he's gone strangely silent. There's no way for Adri to know if that's because he's no longer interested in her, or if it's simply because he's still on the run from his ruthless father, Kaleb. As enemies both new and old start closing in on Adri, she's starting to worry that she might be forced into choosing between Taggart, the man who saved her life, and Alec, the guy to whom she feels inexplicably connected. Publisher's Note: Dean Murray's ongoing Reflection Series has been a stunning success with more than half a million copies in circulation, and a rich, complex world where choices—right or wrong—have real, profound consequences. Unsatisfied with the restrictions imposed on him by writing inside of the conventional series structure, Dean has returned to Sanctuary and the characters so many fans have fallen in love with. The Dark Reflections Series is an alternate timeline set in the same world and featuring many of the same characters as the Reflections Series, but with a profoundly different backstory. Keywords: Teen, Young Adult, Urban Fantasy, YA, Vampires, Werewolves, Series, Paranormal, Romance, Shape Shifters, Shapeshifters The sole survivor of a train accident, young Larken Burke is dubbed the Miracle Orphan. Four years later, however, her life is far from fortunate. Because of her emotional and physical scars, she believes she's not marriageable. With little hope for the future, she agrees to wed a gentleman she's never met. Unfortunately, his aloof manner proves difficult to bear. Marked by romantic tragedy and the loss of his brother, Brandon King has forsworn marriage. Obligated to take in a ward, he advertises for a bride to raise the boy. Since the union is to be a marriage in name only, his criteria are youthful age, a certain level of intellect, good breeding, and that the girl shouldn't be so ill-favored she would embarrass him in society. To his dismay, he gets more than he'd bargained for. Will it take a

miracle for Mr. and Mrs. King to fall in love, or is their marriage another accident waiting to happen? A clean & wholesome Victorian romance with a touch of melodrama. The oldest and most respected martial arts title in the industry, this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self-defense in the world - including techniques and strategies. In addition, Black Belt produces and markets over 75 martial arts-oriented books and videos including many about the works of Bruce Lee, the best-known martial arts figure in the world. This volume offers a review of major flint mines dating from the Neolithic to the Bronze Age. The 18 articles were contributed by archaeologists from Belgium, France, Germany, Great Britain, Hungary, Italy, the Netherlands, Poland, Spain and Sweden, using the same framework to propose a uniform view of the mining phenomenon. Enter the "fascinating world"(Fresh Fiction) of the Fallen Blade in this thrilling fantasy novel from Kelly McCullough. After the fall of the goddess of justice, temple assassin Aral Kingslayer lost his purpose in life and turned to the bottle. That might have been the end of him if luck hadn't given him a few people to help him get back on his feet—notably the irresistible Baroness Maylien Dan Marchon, who once sought his aid in claiming the throne that's rightfully hers. Reluctant to resume the role of an assassin, he turned her down. But now Aral has learned that one of the few people willing to help him in his darkest days has been imprisoned by Maylien's uncle, King Thauvik. Aral knows he can't let an old friend die, but the alternative is to return to the life he left years ago. It was the death of Thauvik's half brother that earned Aral the name Kingslayer, and now he is thrust into a war that will see no end until he lives up to his name... A sweeping and tragic debut novel perfect for fans of The Wrath and the Dawn and Megan Whalen Turner. This young adult novel is an excellent choice for accelerated tween readers in grades 7 to 8, especially during homeschooling. It's a fun way to keep your child entertained and

engaged while not in the classroom. The Bird and the Blade is a lush, powerful story of life and death, battles and riddles, lies and secrets from author Megan Bannen. Enslaved in Kipchak Khanate, Jinghua has lost everything: her home, her family, her freedom . . . until the kingdom is conquered by enemy forces and she finds herself an unlikely conspirator in the escape of Prince Khalaf and his irascible father across the vast Mongol Empire. On the run, with adversaries on all sides and an endless journey ahead, Jinghua hatches a scheme to use the Kipchaks' exile to return home, a plan that becomes increasingly fraught as her feelings for Khalaf evolve into an impossible love. Jinghua's already dicey prospects take a downward turn when Khalaf seeks to restore his kingdom by forging a marriage alliance with Turandokht, the daughter of the Great Khan. As beautiful as she is cunning, Turandokht requires all potential suitors to solve three impossible riddles to win her hand—and if they fail, they die. Jinghua has kept her own counsel well, but with Khalaf's kingdom—and his very life—on the line, she must reconcile the hard truth of her past with her love for a boy who has no idea what she's capable of . . . even if it means losing him to the girl who'd sooner take his life than his heart. For fans of *The Da Vinci Code*: A conspiracy thriller about an age-old brotherhood of killers. Once hired by princes of the Church to protect it in dangerous times, whose orders do they obey now? In the Vatican, the pope is dying as priestly vultures gather around, whispering the names of possible successors. In a forgotten monastery on Ireland's gale-swept coast, a dangerous document is hidden, waiting to be claimed. And in a family chapel in Princeton, New Jersey, a nun is murdered at her prayers. Sister Valentine was an outspoken activist, a thorn in the Church's side. When her brother, lawyer Ben Driskill, realizes that the Church will never investigate her death, he sets out to find the murderer himself -- and uncovers a dangerous, explosive secret. If you like Bernard Cornwell, Conn Iggulden, Simon Scarrow, David Gemmell and Giles Kristian, you will love this epic Viking adventure, packed with battles, treachery, blood and gore. 865 AD. The fierce Vikings stormed onto Saxon soil hungry for spoils, conquest, and vengeance for the death of Ragnar Lothbrok. Hundr, a Northman with a dog's name... a crew of battle hardened warriors... and Ivar the Boneless. Amidst the invasion of Saxon England by the sons of Ragnar Lothbrok, Hundr joins a crew of Viking warriors under the command of Einar the Brawler. Hundr fights to forge a warriors reputation under the glare of Ivar and his equally fearsome brothers, but to do that he must battle the Saxons and treachery from within the Viking army itself... Hundr must navigate the invasion, survive brutal attacks, and find his place in the vicious world of the Vikings in this fast paced adventure with memorable characters. From #1 bestselling author Brandon Sanderson and ChAIR Entertainment, creators of the blockbuster Infinity Blade video game series, comes the second novel in the epic Infinity Blade saga. This latest tale delves deeper into the fantastical world of Infinity Blade, a world of mystery and intrigue where magic and technology are indistinguishable and even life and death are not as they seem. The hero's journey doesn't always end after the Dark Lord has been slain. After being betrayed by the very kingdom he saved, Jacob Stone forsook his title of Hero. Now he lives the simple life of a barkeep. Yet even that life is irrevocably erased when a young woman named Enyo appears before him. She claims to be the daughter of the former Dark Lord and has come seeking his aid. He'd normally never consider lending her a hand, but when she tells him that she knows of a way for him to return home, he's left with little recourse. His journey will take him across the kingdom of Terrasole, toward the place where it all began. If he succeeds, he'll return to the home he'd been stolen from. If he fails... well, he won't live long enough to regret failing. From #1 New York Times bestselling author Brandon Sanderson, Warbreaker is the story of two sisters, who happen to be princesses, the God King one of them has to marry, the lesser god who doesn't like his job, and the immortal who's still trying to undo the mistakes he made hundreds of years ago. Their world is one in which those who die in glory return as gods to live confined to a pantheon in Hallandren's capital city and where a power known as BioChromatic magic is based on an essence known as breath that can only be collected one unit at a time from individual people. By using breath and drawing upon the color in everyday objects, all manner of miracles and mischief can be accomplished. It will take considerable quantities of each to resolve all the challenges facing Vivenna and Siri, princesses of Idris; Susebron the God King; Lightsong, reluctant god of bravery, and mysterious Vasher, the Warbreaker. From the "inventive, irreverent" (Green Man Review) author of Broken Blade comes a new Fallen Blade novel featuring Aral Kingslayer. Former temple assassin Aral Kingslayer has a price on his head and a mark on his soul. After his goddess was murdered, Aral found refuge in the shadow jack business, fixing problems for those on the fringes of Tien's underworld. It's a long step down from working for the Goddess of Justice, but it gives Aral and Triss—the living shadow who is his secret partner—a reason to get up in the morning. When two women hit a rough

spot in the tavern Aral uses for an office, he and Triss decide to lend a helping hand--only to find themselves in the middle of a three-way battle to find an artifact that just might be the key to preventing a war. And with so many factions on their trail, Aral and Triss are attracting a lot more attention than anyone featured on ten thousand wanted posters can afford...
