Of Male Chastity Dec 31 2023 In this industrious tale of revenge, women of latent power rebel, turn the tides and end their frustration. A frustrated Millicent Hayward decides to end husband Harold's annoying attempts to please himself with his inadequate equipment, locking away an organ which the women of the world will never miss. In doing so she finds a level of arousal not before achieved and a Harold who begins to better perform orally. Curious body modifications assist in Harold's new role and Millicent enters a new world of feminine authority. After training her husband to offer pleasure but never to receive, she next turns the tables on her once wealthy libertine boss, and Millie learns that she is not alone in her quest to transform male desire into meaningful and ardent feminine ecstasy. The boss has secret penchants that led to an expensive divorce and enables his proficient assistant, the experienced Penepole Teasdale, to take control a very lucrative enterprise. Readers will thrill in learning of Miss Teasdale's background. Just where does a prim and well educated woman learn to so thoroughly control the male organ? Millie is also joined by her jaded neighbor and nurse Julie Danforth who will finally take control of her philandering husband. In the

author's world of feminine dominion, the phallus is deemed superfluous to sexual gratification. Oral pleasure rules. Therefore the penis is best locked away and relegated to being a source of control and torment rather than enjoyment. Instead it is the tongue which best satisfies. And what better way to ensure fervent oral servitude than to demand thorough chastity and thus assure that the male desire for ecstasy be experienced only vicariously, felt through she holding the key to an ineluctable chastity device.

*Locked-In Love: How Two Weeks in Chastity Can End the Barter System, Renew Courtship and Make a Better Husband.* Apr 10 2022 Author Key Barrett started out writing a journal for chastity. He decided that he wanted to be locked up in chastity for seven days in order to better understand the motivation behind chastity and the emotional aspects so he could write about it with greater understanding in both his fiction and nonfiction. So he spoke with his wife and she agreed to let him go seven days in chastity with her holding the key, only unlocking him if he needed it for safety reasons, to make sure everything is working properly, or if she had sexual interest in freeing him. What started as a simple one week journal quickly blossomed into something else entirely. By the third day he was feeling butterflies just when his wife touched his hand. By day four, she noticed he was much more engaged in their household and being an active and proactive partner. What started as a week for him quickly became two weeks for them both to journal. Through chastity and communication, they identified a sexual trade-off that existed in their marriage, a 'barter system' wherein every action he engaged in had an undercurrent of sexual pressure, a literal tat-for-tit. Freed from it through a chastity device, they were able to enjoy each other on a more meaningful and trusting level. And in lowering the quantity of sex, they raised the quality. This book takes what they learned, plus surveys and research derived from male chastity users, and shows couples how they too can end the barter system, increase communication and bring back the courtship phase, butterflies and all. Learn what you can do to improve your marriage, increase intimacy, feel more connected emotionally, and make her daily life easier with a simple, sexy, fun exercise in chastity.

Male Chastity Challenge Workbook for Loving Couples May 12 2022 Male Chastity Workbook for Loving Couples: Locktober can be read by those new to the practice of male chastity or by more seasoned practitioners. This monthly program with the daily tasks will keep even the more experienced spouses satisfied and locked submissives' hearts pumping hard in that sweet agony of unfulfilled desire. Male chastity is a practice that is often associated with female domination, female-led relationship (FLR), cuckolding, sissification, and forced bi. But just as often, there is nothing more than the loving relationship between the couple and the devotion from the male to focus all his sexual energy towards his partner. In this workbook, the tone and the tasks are relatively neutral regarding the other practices that you, Dear Reader, might be engaged with. There's a leaning towards female domination, which I believe goes quite naturally with the fact that she is the guardian of his orgasms. This monthly program runs through the entire Locktober, beginning on the 1st and ending only on the 31st of October. And as the name suggests, there will be no cumming for the male during the duration. Maybe in the very end, maybe not. You will have to follow through with the program to find out. Chapters are numbered as the days of the month, and each chapter describes the task for the day. The only equipment you need is a male chastity device--everything else you already have. And rest assured, the Keyholder will have the most sexually fulfilled month of

**The Chastity Plot** Oct 05 2021 In *The Chastity Plot*, Lisabeth During tells the story of the rise, fall, and transformation of the ideal of chastity. From its role in the practice of asceticism to its associations with sovereignty, violence, and the purity of nature, it has been loved, honored, and despised. Obsession with chastity has played a powerful and disturbing role in our moral imagination. It has enforced patriarchy's double standards, complicated sexual relations, and imbedded in Western culture a myth of gender that has been long contested by feminists. Still not yet fully understood, the chastity plot remains with us, and the metaphysics of purity continue to haunt literature, religion, and philosophy. Idealized and unattainable, sexual renunciation has shaped social institutions, political power, ethical norms, and clerical abuses. It has led to destruction and passion, to seductive fantasies that inspired saints and provoked libertines. As During shows, it should not be underestimated. Examining literature, religion, psychoanalysis, and cultural history from antiquity through the middle ages and into modernity, During provides a sweeping history of chastity and insight into its subversive potential. Instead of simply asking what

[offsite.creighton.edu](http://offsite.creighton.edu)

chastity is, During considers what chastity can do, why we should care, and how it might provide a productive disruption, generating new ways of thinking about sex, integrity, and freedom.

[Male Chastity Keyholder Guide](#) Jun 12 2022 There is a lot of variety in the world of fetish and kink,

[offsite.creighton.edu](http://offsite.creighton.edu)

with limitless possibilities for creativity in sensual play. Many people unfamiliar with this lifestyle immediately focus on the more obvious or superficial aspects, like honorific nicknames or corsets and leather boots. But for people who participate in fetishes as a lifestyle, the practices and games are an essential part of their relationship, with its own set of rules and standards. One particularly interesting subculture within the world of kink is that of the female keyholder and her chastised male subordinate. The phrase "male chastity" probably immediately spooks some men, or excites others (whether they are willing to admit it or not). Either attitude is amusing to the sophisticated woman with a predilection for domination and control. For submissive men, there are many benefits to a male chastity arrangement. The calculating domme will use all of her feminine charms to her advantage, establishing a system of rules meant to keep her man under lock and key. Literally. The popularity of male chastity devices has soared in recent years, and although this be taboo, it's something many people talk about behind closed doors. Conveniently hidden under clothes, male chastity devices provide necessary restriction for the man and allowing his dominant complete control over his orgasms. These devices are a valuable tool for the modern dominant woman, and excellent for contemporary "tease and denial" games. Exploring male chastity can be a fun new game for adventurous couples, or a complete long-term lifestyle for kinky pairs. Whatever the relationship type, employing a male chastity device sends a clear message: he's on lockdown, and she holds the key.

for you are not alone in this. This book will help you understand the idea of male chastity and learn about the sexual fantasies that might seem dirty and unappealing to you now, but could possibly save your sex life. You will learn what the male chastity subject is all about; the erotic fantasy of submitting to wearing a chastity device and the value of your man in a sexual prison in your relationship. At first, the idea of locking your partner's male organ in a device seem strange to you. But overtime, you will find that your partner sees this thing in an altogether new perspective, something that is attractive and quite exciting for him. To some, forceful prevention of erection and orgasm may definitely seem odd, but there are men who find it very arousing. Getting started is sometimes difficult and the Internet provides you with lots of information that is mostly filled with fantasy over fact. This is because most of those writings are written by men as an outlet to let out their kinky fantasies. It is nothing more than erotic web fantasies that are much too complicated and bizarre for many women's tastes. You are likely to get turned off by these, thinking that the whole male chastity thing is not for you. However, in this book we assure you that the subject of male chastity is explained and directed to helping you understand the entire concept in full light. It is all about using the male chastity game to rekindle the fire in your sex life for enjoying a much better relationship with your partner.

**Chastity Control and Correction for Men** Aug 03 2021 This fascinating, detailed study of the techniques and effects of male chastity is a really comprehensive study of this very popular disciplined regime which can be used for pleasure or punishment, or both. Keeping the male deprived of satisfaction, often for long periods, can give the woman GREAT satisfaction! When orgasm for the man is delayed - or completely denied - the focus is shifted from HAVING an orgasm (often involving anxiety) to NOT having an orgasm (involving humility, patience, and loving attention

to the dominant female). This exciting new book looks at topics like choosing and fitting his device (metal or transparent plastic), asking permission to be released and then being made to wait longer, using edging techniques, causing the male embarrassment in front of others, having to sit down to urinate, learning not to question the Mistress' decisions, and accepting hard corporal punishment when needed as part of the overall lifestyle of abstinence, denial and discipline. (See chapters list for much more.) Jade Greenaway (Mistress Jade) and Mark Maguire have both written numerous books on adult discipline and punishment as part of consensual, loving relationships - all still currently available - and here they collaborate on this comprehensive look at this rapidly "trending" topic. Mistress Jade says "Life nowadays is very stressful. You can achieve peace of mind by giving away control over your genitals and ejaculations. Yes, the chastised male will certainly experience the most overwhelming frustration when prevented from having an orgasm for very long periods, but he can learn to please his woman rather than himself." Mark Maguire agrees. "The Mistress makes all decisions on behalf of the man, so the sub male is freed from all responsibility in that respect. However, there are severe consequences for any kind of disobedience as far as Jade and I are concerned. She uses a hard backed wooden hairbrush to spank me when necessary, and when I've deserved a bit more discipline, she has her favourite whippy, rattan cane which is always to hand. Wow does that cane of hers STING!" Read right now about the intense bond of intimacy and respect that can grow out of an adult consensual chastity and discipline lifestyle in "Chastity, Control and Correction for Men" by Mark Maguire (with Mistress Jade).
