Now that the Axis Institute for World Domination has been blown up; the founder, Dr. Phineas Darkkon, has died; and Prosper English (who enrolled Cadel in the first place) is in jail for myriad offenses, Cadel Piggott has round-the-clock surveillance so he'll be safe until he testifies against Prosper English. But nobody seems to want Cadel. Not Fiona, his social worker; not Saul Greeniaus, the detective assigned to protect him. When he is approached by the head of Genius Squad--a group formed to investigate GenoME, one of Darkkon's pet projects--Cadel is dubious Genius Squad can offer him a real home and all the technology his heart desires. But why can't he bring himself to tell Saul what the group is really up to? And how can Genius Squad protect Cadel once Prosper English breaks out of jail? This ebook includes a sample chapter of GENIUS WARS. Earth Song))Secret Song))Fire Song))3 Vols. Their love knows no limits - but the further you go, the more dangers there are. Love becomes obsession and lust becomes control. A riveting thriller in the tradition of *Gone Girl* and *Before I Go to Sleep*. The 'masterful' rural thriller by acclaimed writer Catherine Jinks, now available in a smaller format *A boy . . . a witch . . . and a totally sinister paradise: that's what Marcus gets when his mom rents a scuzzy trailer and parks it near a dirty, noisy beach. Some vacation! Marcus would rather play video games anyway, but when he discovers a staircase underneath the trailer, it looks as if he may be in for some kind of multilevel, multiplayer experience controlled by a complete nightmare of a witch. It's just like a game—except it's all too real.* The author of *Evil Genius* spins a brilliantly compelling yarn of a journey into a dark and twisted land—because once you enter the *Paradise Trap*, there's no guarantee that you'll ever leave! A boot camp for troubled young men, a hidden identity and murderous pursuit on a remote island: beloved author Catherine Jinks is back with another heart-pounding Australian thriller. With contributions from 29 leading international scholars, this is the first single-volume guide to the appropriation of medieval texts in contemporary culture. *Medieval Afterlives in Contemporary Culture* covers a comprehensive range of media, including literature, film, TV, comics book adaptations, electronic media, performances, and commercial merchandise and tourism. Its lively chapters range from *Spamalot* to the RSC, *Beowulf* to *Merlin*, computer games to internet memes, opera to Young Adult fiction and contemporary poetry, and much more. Also included is a companion website aimed at general readers,

academics, and students interested in the burgeoning field of Medieval afterlives, complete with: - Further reading/weblinks - 'My favourite' guides to contemporary medieval appropriations - Images and interviews - Guide to library archives and manuscript collections - Guide to heritage collection See also our website at <https://medievalafterlives.wordpress.com/>. Allie and her friend Melissa deal with family problems and investigate potential ghosts on a trip to the Jenolan Caves. What happens when a single moment changes everything? For seventeen-year-old Cheney, life on earth exists only in history books. He and more than one thousand other people have known life only aboard the Plexus spacecraft: self-contained, systematic, and serene. But that was before the radiation wave. Now Plexus has suddenly turned on them, becoming a terrifying and unrecognizable force. As the crew dwindles under attack, Cheney and his friends need to fight back before the ship that's nurtured them for so long becomes responsible for their destruction. Mrs Koala runs the most popular beauty parlour in town, but she's so busy with her clients, she doesn't even know how many she has! From talented duo Catherine Jinks and Tania McCartney comes a delightful book that takes us on a fun-filled journey as we count down to the end of a crazy day in Mrs Koala's beauty parlour. When Kevin's family set out in the family car for a holiday, Kevin discovers that getting there is half the fun! An hilarious tale from this award-winning writer. Playing about with ghosts can be dangerous, but Alethea needs all her detective skills, and the help of her friends, to solve the mystery of Eloise. Book 3 in Catherine Jinks' spooky ghost story series is gripping, creepy and unputdownable. Alaska, 2018, and Mike is a long way from home, nursing a wrecked knee and an unspoken grief, striking out into real estate and parenting his partner's son. London, 1978, and Simon is an Australian fish out of water navigating adolescence during the Winter of Discontent, and drawn to an eccentric impresario next door. Washington, DC, 1928, and a retired US senator is interviewed about his time in Russia in 1916, and his mission to save a young heir to an empire. Vienna, 1809, and an Irish teenager on the run from the law takes refuge among composers as Napoleon besieges and shells the city. Hong Kong, 2019, and estranged brothers Mike and Simon reunite in midlife to face the secrets of the past, and reconnect in more ways than one. Empires rise and fall, human lives play out, encounters, collisions and connections occur more than we can ever know – and yet, the unexpected can still happen. Endlessly compelling and inventive, Empires is a masterful novel in five parts with boys and men at its heart. Spanning centuries and crossing continents, it explores the empires we build, the way we see ourselves, the narratives we construct and the interconnectedness of all things. This is Nick Earls at his finest. First published in 1960, *Pomp and Circumstance*, Coward's only novel, was greeted with wide critical acclaim. 'A South Sea Bubble of a book it is, with a Royal Visit expected on the Island of Samolo, and the narrator, a mother of three, dealing with everything from chicken-pox to the amours of a visiting Duchess' (Daily Telegraph); 'If there is anywhere on earth where the old Coward world still credibly lingers on, it is probably a fairly peaceful tropical colony ruled over by a British Governor General . . . Coward's long cast list might have walked out of one of his better comedies' (Evening Standard); 'It is all good, near-clean fun, magnificently readable' (Sunday Times). A Newbery Honor Book and a modern classic of young adult fantasy, *The Blue Sword* introduces the desert kingdom of Damar, where magic weaves through the blood and weaves together destinies. New York Times–bestselling and

award-winning author Robin McKinley sets the standard for epic fantasy and compelling, complex heroines. Fans of Sarah J. Maas, Leigh Bardugo, and Rae Carson will delight in discovering the rich world of Damar. Harry Crewe is a Homelander orphan girl, come to live in Damar from over the seas. She is drawn to the bleak landscape, so unlike the green hills of her Homeland. She wishes she might cross the sands and climb the dark mountains where no Homelander has ever set foot, where the last of the old Damarians, the Free Hillfolk, live. Corlath is the golden-eyed king of the Free Hillfolk, son of the sons of the legendary Lady Aerin. When he arrives in Harry's town to ally with the Homelanders against a common enemy, he never expects to set Harry's destiny in motion: She will ride into battle as a King's Rider, bearing the Blue Sword, the great mythical treasure, which no one has wielded since Lady Aerin herself. Legends and myths, no matter how epic, no matter how magical, all begin somewhere. Audisee® eBooks with Audio combine professional narration and sentence highlighting to engage reluctant readers! When Rufus, Murphy, Lurena, and their pets go camping, they meet Pedro, a shy boy who seems afraid of just about everything—especially the water. One thing leads to another and the kids go into a nearby town to buy him a pet to cheer him up—a guinea pig, naturally. Yet what they bring home may look like a guinea pig, but it can swim—like an otter! Pick up the latest installment of this award-winning, hilariously funny middle-grade series! Christopher Morley's story "Parnassus on Wheels" is a joy. Helen McGill, a middle-aged spinster, has spent her life caring for her brother Andrew and their lucrative traveling bookshop known as "Parnassus." This book is classified as historical fiction, and it is a brilliant collection of ideas compacted into a single draft for readers of all ages to read. With an eye-catching new cover and professionally typeset manuscript, this edition of "Parnassus on Wheels" is both current and legible. She, on the other hand, yearns for adventure and freedom. Helen's life takes an unexpected turn when Roger Mifflin, an interesting and strange story salesman, appears at her door with an offer to buy Parnassus. Fearing that her brother is wasting his life on the road, Helen decides to sell the bookstore and embark on her own creative trip. As she meets new people and navigates the world of bookselling, she rapidly realizes that living on the road can be both exciting and challenging. Helen and Roger form an unusual and touching friendship as they travel together, discovering not only literary delights but additionally the joys of company. Set on a lush Greek island, *The Greek Escape* by Karen Swan is a Sunday Times bestseller, and the perfect getaway for fans of Victoria Hislop and Santa Montefiore. Before every new beginning, there must be an ending . . . Running from heartbreak, Chloe Marston leaves her old life in London for a fresh start in New York. Working at a luxury concierge company, she makes other people's lives run perfectly, even if her own has ground to a halt. But a terrible accident forces her to step into a new role, up close and personal with the company's most esteemed and powerful clients. Charismatic Joe Lincoln is one of them and his every wish is her command, so when he asks her to find him a secluded holiday home in the Greek Islands, she sets about sourcing the perfect retreat. But when Tom, her ex, unexpectedly shows up in Manhattan and the stability of her new life is thrown off-balance again, she jumps at the chance to help Joe inspect the holiday house; escaping to Greece will give her the time and space to decide where her future truly lies. Tom is the man she has loved for so long but he has hurt her before – can she give him another chance? And as she draws closer to Joe, does she even want to? As

magnetic as he is mysterious, there's an undeniable chemistry between them that she can't resist. But whatever her heart is telling her, she's in over her head – another client's wife has mysteriously disappeared and serious allegations about Joe threaten more than just her happiness. Who can she trust? And will Chloe uncover the truth in time? 'This irresistible story will sweep you right up into its pages and keep you there.' - Heat

Alistair Cleary is the kid who everyone trusts. Fiona Loomis is not the typical girl next door. Alistair hasn't really thought of her since they were little kids until she shows up at his doorstep with a proposition: she wants him to write her biography. What begins as an odd vanity project gradually turns into a frightening glimpse into the mind of a potentially troubled girl. Fiona says that in her basement, there's a portal that leads to a magical world where a creature called the Riverman is stealing the souls of children. And Fiona's soul could be next. If Fiona really believes what she's saying, Alistair fears she may be crazy. But if it's true, her life could be at risk. In this novel from Aaron Starmer, it's up to Alistair to separate fact from fiction, fantasy from reality. An exuberant, roller - coaster family adventure with a mad - cap cast of all - too - believable characters experiencing their dream holidays and worst nightmares. Cadel Piggott has a genius IQ and a fascination with systems of all kinds. At seven, he was illegally hacking into computers. Now he's fourteen and studying for his World Domination degree, taking classes like embezzlement, forgery, and infiltration at the institute founded by criminal mastermind Dr. Phineas Darkkon. Although Cadel may be advanced beyond his years, at heart he's a lonely kid. When he falls for the mysterious and brilliant Kay-Lee, he begins to question the moral implications of his studies. But is it too late to stop Dr. Darkkon from carrying out his evil plot? This ebook includes a sample chapter of GENIUS SQUAD. Based on a true story this is a compelling and intriguing family saga - a novel of closely guarded family secrets, public shame and private passion.

In 1814, Dorothea Brande leaves the quiet harmony of her Devonshire home and accompanies her officer husband, Charles, to the colony of New South Wales. Here she endeavours to escape the harshness of the landscape - and the appalling brutality of common existence - by cultivating an English garden with the help of her convict manservant, Daniel. Together, in the creation of this garden, two bereft and disoriented people find a new strength and a special kind of refuge. But while Dorothea begins to adapt to the unforgiving environment, her husband is increasingly destroyed by it - until at last they stand on opposite sides of an unbridgeable gulf.

Danielle Whiteshore, aka Cinderella, reveals what really happens after the "happily ever after" as she, along with Snow White and Sleeping Beauty, race against time to rescue her husband, Prince Armand, from the clutches of some of fantasyland's most nefarious villains. Original. Miss Hester Harper, middle-aged and eccentric, brings Katherine into her emotionally impoverished life. Together they sew, cook gourmet dishes for two, run the farm, make music and throw dirty dishes down the well. One night, driving along the deserted track that leads to the farm, they run into a mysterious creature. They heave the body from the roo bar and dump it into the farm's deep well. But the voice of the injured intruder will not be stilled and, most disturbing of all, the closer Katherine is drawn to the edge of the well, the farther away she gets from Hester. A twentieth-century Australian classic, *The Well* is a haunting and wryly humorous tale of memory, desire and loneliness. Teen super-spy Kim Possible, along with her best friend and sidekick Ron Stoppable, save the world from such evildoers as Doctor Drakken, Shego,

and Duff Killigan. Thomas Guthrie Carr is charged by Eliza Gray with mesmerising her and raping her while she was under his influence. But if mesmerism and Mr Carr are shams, was Eliza raped? In the tradition of *The Suspicions of Mr Whicher*, *Charlatan* is the story of a notorious nineteenth-century court case involving a larger-than-life character. With a driving narrative and novelistic pacing, this scrupulously researched account of the life of Thomas Guthrie Carr, stage mesmerist - who lied, fought and sleazed his way around Australia and New Zealand between 1865 and 1886 - is more than just a fascinating piece of social history. It's also a mystery, a piece of true crime, and a delicately humorous portrait of a man whose eye for the main chance and ferocious pursuit of publicity made him an oddly contemporary figure. With a star-studded supporting cast, including the Duke of Edinburgh, the Mad Dentist of Wynyard, the Nunawading Messiah, and a host of shady mesmerists, spiritualists, phrenologists and hired goons, *Charlatan* delves deep into a side of colonial history not often explored, and unearths a Victorian celebrity who should never have been forgotten .

1001 Children's Books You Must Read Before You Grow Up is the perfect introduction to the very best books of childhood: those books that have a special place in the heart of every reader. It introduces a wonderfully rich world of literature to parents and their children, offering both new titles and much-loved classics that many generations have read and enjoyed. From wordless picture books and books introducing the first words and sounds of the alphabet through to hard-hitting and edgy teenage fiction, the titles featured in this book reflect the wealth of reading opportunities for children. Browsing the titles in *1001 Children's Books You Must Read Before You Grow Up* will take you on a journey of discovery into fantasy, adventure, history, conemporary life, and much more. These books will enable you to travel to some of the most famous imaginary worlds such as Narnia, Middle Earth, and Hogwarts School. And the route taken may be pretty strange, too. You may fall down a rabbit hole, as Alice does on her way to Wonderland, or go through the back of a wardrobe to reach the snowy wastes of Narnia. A nightmare comes to life when a group of people are stranded on the Silver City Hightway. "A thriller about Billy Zeets, a 14-year-old semi-delinquent in a deadly tango with a killer"-- Is it possible to be too much in love? After ten years in London, Martin Blackman returns to Adelaide with his wife and fellow psychiatrist Lucy, blissfully happy. But then he introduces her to his old friend Felix, once a brilliant surgeon, now barred from practising and changed beyond recognition. In the complex triangle that develops, Martin must decide just how far he is prepared to go for Felix. So begins the darkest of journeys for all three of them . . . Beautifully crafted historical fiction set in medieval France, *The Secret Familiar* is a page-turning murder mystery and a fascinating moral tale of betrayal, faith and ultimate truth. Exotic and exciting, this unflinching coming-of-age tale featuring a headstrong heroine weaves a vivid tapestry of life in the Middle Ages. Early thirteenth-century Languedoc is a place of valor, violence, and persecution. At age sixteen, Babylonne has survived six bloody sieges. She's tough, resourceful, and — now that her strict aunt and abusive grandmother intend to marry her off to a senile old man — desperate. Disguised as a boy, Babylonne embarks on an action-packed adventure that amounts to a choice: trust the mysterious Catholic priest — a sworn enemy to her Cathar faith — who says he's a friend of her dead father, Pagan. Or pursue a fairy-tale version of her future, one in which she'll fight and likely die in a vicious war with the French. Though Babylonne never knew her irreverent

father, fans of Catherine Jinks's novels about Pagan Kidrouk will be sure to see the resemblance in his feisty daughter. The hunt is on for child-eating monsters in Victorian England in the “wonderfully crafted fantasy series” (School Library Journal). With the plague of bogles in Victorian London barely contained, bogle hunter Alfred Bunce needs all the help he can get. So Ned Roach becomes a bogler’s apprentice, luring child-eating monsters from their lairs just like his friends Jem and Birdie. It’s dangerous work that takes Ned into mysterious and hidden parts of the city. But times in London are changing. As the machine age emerges, the very existence of bogles is questioned, and the future of bogling is in jeopardy. And the stakes get even higher for the team of boglers when an old enemy appears—a threat that may be deadlier than any bogle... “[A] richly atmospheric adventure trilogy.”—Booklist From King Arthur and Robin Hood, through to video games and jousting-themed restaurants, medieval culture continues to surround us and has retained a strong influence on literature and culture throughout the ages. This fascinating and illuminating guide is written by two of the leading contemporary scholars of medieval literature, and explores: The influence of medieval cultural concepts on literature and film, including key authors such as Shakespeare, Tennyson, and Mark Twain The continued appeal of medieval cultural figures such as Dante, King Arthur, and Robin Hood The influence of the medieval on such varied disciplines such as politics, music, children’s literature, and art. Contemporary efforts to relive the Middle Ages. Medievalisms: Making the Past in the Present surveys the critical field and sets the boundaries for future study, providing an essential background for literary study from the medieval period through to the twenty-first century. Fall in love with this heart-wrenching underdog story about grief, friendship and sticking up for yourself Action, adventure, and mystery surround the Sunkers, a band of children who live in a submarine, as they try to survive a war in Book Two of the Icebreaker Trilogy. Sharkey is a Sunker--he was born on a fortunate tide, and everyone in the giant submersible Rampart knows it. The trouble is his life is based on a lie. He’s been a fake hero for years, but when tragedy strikes, he must become a real one. And he has no idea how to go about it. Meanwhile, on land, Petrel, Fin, and the crew of the Oyster are on a mission to bring lost knowledge back into the world, a mission they have no idea how to carry out. It had been an ordinary day for Paula until she was kidnapped and transported to a space colony 5000 years into the future. Her presence there could save an entire species. But what of her own future back on Earth? Is she to be trapped on Gnosis-10 for ever?
