Cuban Color in Tourism and la Lucha Lorecia Kaifa Roland,2011 Cuban Color in Tourism and La Lucha An Ethnography of Racial Meanings offers a provocative look at what it means to belong in modern socialist Cuba Drawn from her extensive travels throughout Cuba over the past decade author L Kaifa Roland pulls back the curtain on a country that has remained mysterious to Americans since the mid twentieth century Through vivid vignettes and firsthand details Roland exposes the lasting effects of the collapse of the Soviet Union and the subsequent rise of state sponsored segregated tourism in Cuba She demonstrates how the creation of separate spheres for locals and tourists has had two effects First tourism reestablished the racial apartheid that plagued pre revolutionary Cuba Second it reinforced how the state s desire to maintain a socialist ideology in face of its increasing reliance on capitalist tools is at odds with the day to day struggles or La Lucha of the Cuban people Roland uses conversations and anecdotes gleaned from a year of living among locals as a way of delving into these struggles and understanding what constitutes life in Cuba today In exploring the intersections of race class and gender she gives readers a better understanding of the common issues of status and belonging for tourists and their hosts in Cuba Cuban Color in Tourism and La Lucha is one of several volumes in the Issues of Globalization Case Studies in Contemporary Anthropology series which examines the experiences of individual communities in our contemporary world Each volume offers a brief and engaging exploration of a particular issue arising from globalization and its cultural political and economic effects on certain peoples or groups Ideal for introductory anthropology courses and as supplements for a variety of upper level courses these texts seamlessly combine portraits of an interconnected and globalized world with narratives that emphasize the agency of their subjects

How to Think Like an Anthropologist Matthew Engelke,2019-06-18 What is anthropology What can it tell us about the world Why in short does it matter For well over a century cultural anthropologists have circled the globe from Papua New Guinea to suburban England and from China to California uncovering surprising facts and insights about how humans organize their lives and articulate their values In the process anthropology has done more than any other discipline to reveal what culture means and why it matters By weaving together examples and theories from around the world Matthew Engelke provides a lively accessible and at times irreverent introduction to anthropology covering a wide range of classic and contemporary approaches subjects and practitioners Presenting a set of memorable cases he encourages readers to think deeply about some of the key concepts with which anthropology tries to make sense of the world from culture and nature to authority and blood Along the way he shows why anthropology matters not only because it helps us understand other cultures and points of view but also because in the process it reveals something about ourselves and our own cultures too Cover

Sacred Rice Joanna Davidson, 2016 Sacred Rice explores the cultural intricacies through which Jola farmers in West Africa are responding to their environmental and economic conditions given the centrality of a crop rice that is the lynchpin for their economic social religious and political worlds Based on more than ten years of author Joanna Davidson s ethnographic and historical research on rural Guinea Bissau this book looks at the relationship among people plants and identity as it explores how a society comes to define itself through the production consumption and reverence of rice It is a narrative profoundly tied to a particular place but it is also a story of encounters with outsiders who often mediate or meddle in the rice enterprise Although the focal point is a remote area of West Africa the book illuminates the more universal nexus of identity environment and development especially in an era when many people rural and urban are confronting environmental changes that challenge their livelihoods and lifestyles

Paradigms for Anthropology E. Paul Durrenberger, Suzan Erem, 2010 This anthology offers ethnographies from classical anthropology and the more familiar settings of the agrarian Midwest the Mexican border the Rust Belt and the frontiers of the recent economic meltdown Editors E Paul Durrenberger and Suzan Erem have compiled readings from classic works by Bronislaw Malinowski Eric R Wolf Ward Goodenough Marvin Harris and Marshall Sahlins alongside new writings by contemporaries like Alan Sandstrom Lisa Gezon Josiah Heyman and Dimitra Doukas in order to provide a clear and riveting introduction to the anthropology of contemporary societies These carefully selected articles illustrate how a variety of anthropologists approach such topics as religion family commerce history power and wealth An introduction to each essay helps students relate their own lives to the ethnographies and assists instructors in opening students minds to replace prejudice with understanding ethnocentrism with cultural relativism and indifference with enthusiasm

Anthropology Robert H. Lavenda, Emily A. Schultz, 1995-01-01

Theory in Social and Cultural Anthropology R. Jon McGee, Richard L. Warms, 2013-08-28 Social and cultural anthropology and archaeology are rich subjects with deep connections in the social and physical sciences Over the past 150 years the subject matter and different theoretical perspectives have expanded so greatly that no single individual can command all of it Consequently both advanced students and professionals may be confronted with theoretical positions and names of theorists with whom they are only partially familiar if they have heard of them at all Students in particular are likely to turn to the web to find quick background information on theorists and theories However most web based information is inaccurate and or lacks depth Students and professionals need a source to provide a quick overview of a particular theory and theorist with just the basics the who what where how and why if you will In response SAGE Reference plans to publish the two volume Theory in Social and Cultural Anthropology An Encyclopedia Features Benefits Two volumes containing approximately 335 signed entries provide users with the most authoritative and thorough reference resource available on anthropology theory both in terms of breadth and depth of coverage To ease navigation between and among related entries a Reader s Guide groups entries thematically and each entry is followed by Cross References In the electronic version the Reader s Guide combines with the Cross References and a detailed Index to provide robust search and browse capabilities An appendix with a Chronology of Anthropology Theory allows students to easily chart directions and trends in thought and theory from early times to the present Suggestions for Further Reading at the end of each entry and a Master Bibliography at the end guide readers to sources for more detailed research and discussion
