When monsters appear on Earth, Maggie MacKay is on the job. No one is better at hauling the creepy crawlies back where they belong. No one, that is, except Maggie's dad, who vanished in the middle of an assignment. Now, an elf named Killian has shown up with a gig. Seems Maggie's uncle teamed up with the forces of dark to turn Earth into a vampire convenience store, serving bottomless refills on humans. Ah, family... The only hope for survival lies in tracking down two magical artifacts and a secret that disappeared with Maggie's dad. **WARNING:** This book contains cussing, brawling, and unladylike behavior. Proceed with caution. "Water Consciousness: How We All Have to Change to Protect Our Most Critical Resource is a solution-focused guide to the global water crisis hitting home everywhere. In-depth essays from leading thinkers and stunning photographs illuminate what we can do as individuals and as nations to reverse this crisis. Authors cover a breadth of topics including conservation, privatization, technology, grassroots movements, and the need for new laws that treat water as a common trust, not a commodity. Water Consciousness will not only inspire you to change how you think about water but also to change how you live with and use water every day." --BOOK JACKET. Recommended for viewing on a colour tablet. Professor Brian Cox is back with another insightful and mind-blowing exploration of space. This time he shows us our universe as we've never seen it before. In Jesus, the One and Only, best-selling author and Bible teacher Beth Moore invites you to know Christ personally. Watch and listen as He breaks up a funeral by raising the dead, confronts conniving religious leaders of His day, teaches on a Galilean hillside, or walks on the waves and calms the storm. Like a ragtag band of followers two thousand years ago, you will never be the same again after such an up close and personal encounter. "He is Jesus, the One and Only, transcendent over all else," writes Moore. "To know Him is to love Him. To love Him is to long for Him. To long for Him is to finally reach soul hands into the One true thing we need never get enough of. . . Jesus Christ. He's all you need." Available for the first time in eBook, this new edition also features an excerpt from Moore's Jesus, the One and Only Bible study. Now featuring new cover artwork, Moore's popular book "To Live Is Christ" looks closely at the passionate and inspiring faith and life of the apostle Paul. An overview of complementary and alternative medicine discusses various treatments, including herbs and energy therapies, and examines how alternative and conventional therapies can be combined to treat twenty common conditions. Stochastic games provide a versatile model for reactive systems that are affected by random events. This dissertation advances the algorithmic theory of stochastic games to incorporate multiple players, whose objectives are not necessarily conflicting. The basis of this work is a comprehensive complexity-theoretic analysis of the standard game-theoretic solution concepts in the context of stochastic games over a finite state space. One main result is that the constrained existence of a Nash equilibrium becomes undecidable in this setting. This impossibility result is accompanied by several positive results, including efficient algorithms for natural special cases. This superbly presented volume is a treasure trove of the thoughts of internationally acclaimed designers Lella and Massimo Vignelli. For the past ten years, Massimo Vignelli has taught a summer course at the School of Design and Architecture at Harvard on subjects that were initially alphabetized for convenience, but now The highly acclaimed history of the architecture of the twentieth century and beyond - now in paperback Jean-Louis Cohen, one of the world's leading architectural historians, serves up a compelling account of the developments that have shaped the world in which we live today. This highly accessible book begins with the Paris Universal Exposition of 1889, tracing architecture's evolution to the early twenty-first century's globalized architectural culture. Illustrated with hundreds of drawings and photographs as well as portraits, publications, diagrams, film stills, and more, this survey places radical developments in architecture in a larger context, among those of art, technology, urbanism, and critical theory.
