School in Littleton Colorado killing 13 people and wounding more than 20 others before turning their guns on themselves and committing suicide Contained in these journals are their plans of how they envisioned killing as many as 500 students before going on to attack neighbouring homes As well as an eerie plan to hijack a jet and crash it in New York Also included are some of Eric s internet writing and the infamous Basement tapes transcripts partly recorded 30 minutes before their terrible killing spree

*No Easy Answers* Brown, Brooks,2022-06-10 On April 20 1999 Dylan Klebold and Eric Harris two seniors at Columbine High School in Littleton Colorado walked into their school and shot to death twelve students and one teacher and wounded many others It was the worst single act of murder at a school in U S history Few people knew Dylan Klebold or Eric Harris better than Brooks Brown Brown and Klebold were best friends in grade school and years later at Columbine Brown was privy to some of Harris and Klebold s darkest fantasies and most troubling revelations After the shootings Brown was even accused by the police of having been in on the massacre simply because he had been friends with the killers Brown with journalist Rob Merritt tells his full version of the story He describes the warning signs that were missed or ignored and the evidence that was kept hidden from the public after the murders He takes on those who say that rock music or video games caused Klebold and Harris to kill their classmates and explores what it might have been that pushed these two young men from supposedly stable families to harbor such violent and apocalyptic dreams Shocking as well as inspirational and insightful *No Easy Answers* is an authentic wake up call for all the psychologists authorities parents and law enforcement personnel who have attempted to understand the murders at Columbine High School As the title suggests the book offers no easy answers but instead presents the unvarnished facts about growing up as an alienated teenager in America today This edition contains a new afterword that describes what has happened in the United States since Columbine and provides updates on the aftermath of the massacre
