This is a part of the series, True Deliverance. The others are Breaking The Power of Unknown Spirit Husband and Spirit Wife, Breaking The Power of Unknown Curse, and Power Over Evil Handwriting. What is termed, power of unknown covenant which is a general covenant is what many do not know but that covenant has power over their lives. The people who do not want to hear the truth will say, "I am under grace and not under a curse," my friend you are wasting your time. Grace does not remove curse, grace teaches you the truth, grace teaches you the way of righteousness, and the more of the truth you know and obey, the more freedom you would have. Bible says that the grace that appear to all men, teaching them to deny ungodliness and worldliness does not seem to break curses, because curse did not come from God, evil covenant did not also come from God, they came from men. By the time you finish reading and understanding this book and pray the prayers seriously, you will get your freedom in Jesus name. Each affordable book in the Biblical Truth

Simply Explained series examines a vital aspect of the Christian faith. The books are written by a variety of authors, all in a way that presents the message of the Bible clearly and simply. British editions of this series, published by Sovereign World, have sold more than a million copies in all. This book is a wonderful compilation of materials dealing with generational curses and we believe that it would be a wonderful asset for your library. It would also serve as a powerful guide and source for teaching on this subject. Most people believe that when they accepted Christ into their life that all curses against them were dealt with and broken. This is a correct statement, but let's look at Joshua the successor of Moses. He was promised the land but he still had to go in and fight for it. This holds true for us today because the word in Matthew 11: 12 states that, the Kingdom of Heaven suffers violence and the violent take it by force. As we will find out from this study, there are actions that have been done by some people who have brought a curse against their bloodline. This must be dealt with before they can be completely free to fulfil the call of God on their life. Rev. Agbo demonstrates that he has devoted much study to this subject and wants only to present the truth. Most people shun this subject of generational curses and would rather not be exposed to it. We were touched and blessed by the powerful prayer at the end of the book and recommend this man of God to any church or organisation to speak on this subject. Again, this book will compel you to live a holy life; totally dedicated to God. It deals with all areas of life. PUBLISHER: TEKTIME Rev. James A. It is through these covenant relationships, which collectively serve as the foundation for God’s promise to bring redemption to his people, that we can understand the advancement of his kingdom. There are different kind of curses and covenant which a lot of people are suffering ignorantly because of it; Ancestral covenants are the covenants that were made by our ancestors, either fourth, third, second, or first generation; whichever generation it is, the covenant flows through the family lineage. There are various

covenants made by our ancestors, some are good while others are bad. Some of our ancestors made covenant to worship and serve only the living and true God, which is good one; others made covenant with the spirit of the devil to worship a particular deity or idol with an oath of daily, weekly, monthly or yearly sacrifice of blood either human or animal. Which is the wrong and bad covenant because it has negative impact that flows through the family lineage to seek vengeance for the life of those human used for their sacrifice. These are mistakes made by the ancestors which they are ignorant of its future consequences to their children. Some of these covenants were also made by our direct parents; while some covenants you made by yourself and some covenants, somebody made on your behalf. These covenants have their consequences and a lot of people are suffering because of it ignorantly. Many curses and hindrances exist as a result of the direct evil done by our ancestors, direct parents or ourselves. Many families contributed in the killing of innocent people, inflicted illnesses and incurable diseases to people, including giving poison to people because of envy; they collected peoples

The Book of Covenants is a fresh perspective on the story of redemption as found within the covers of the Christian Bible. God did not choose religion to accomplish His goals, but instead, He carried out His masterful plan of salvation through a series of covenants. Biblical covenants offer great insight into the nature, character, and faithfulness of Yahweh, the covenant-keeping God. These relational covenants give us assurance of Gods blessings and promises while establishing a clear path to eternal life in Jesus Christ. Knowing the terms of these covenants will help the believer live a life pleasing to God with peace and confidence through understanding their expectations of being in a covenant relationship with God.

The perplexing story of Cain and Abel is emblematic of the tenacious influence of the Bible on secular notions of identity - notions that are all too often violently exclusionary, negatively defining "us" against "them" in ethnic, religious, racial, gender, and nationalistic terms. In this compelling work of cultural and biblical criticism, Schwartz contends that it is the very concept of monotheism and its jealous demand for exclusive allegiance - to one God, one Land, one Nation or one People - that informs the model of collective identity forged in violence, against the other. anger issues? Suffer mental illness? Have a history of abuse or chronic illness? Face failure after failure? A generational curse from your family line may be the root cause of these issues. Don't let past sins from your family tree continue to wreak... The Curses and the Covenants: # 2 in God's House Series A 6-Week Group or Individual Study The Broken Planet. It's a fitting name for Planet Earth. Originally, it was created perfect. But it got broken in a fall described in Genesis 3. And things have never been the same. Genesis 3 records six curses God spoke that all life on earth has lived under ever since. But why? Why would God speak curses over our poor, broken planet? And all life on it? He had very good reasons. And He had a plan. He had a cure for the curses. He called it "COVENANT." THE CURSES AND THE COVENANTS is a Bible Study for groups or individuals. There are six weeks of individual, daily lessons with a group lesson Overview and discussion questions. The church of Jesus Christ is not sufficiently aware of the realities of curses, oaths and covenants, and how some of these legacies affect the convert Christians and even Christian leaders. Many today are deceived to think that the devil is only in the mind equating the devil and all his wiles with mere psychological malfunctions. How can they believe in what they do not sufficiently understand? This book will attempt to bring the inquirer to the conclusion that negative spiritual legacies do exist and indeed affect many destinies adversely. It also prescribes a step by step scriptural solutions on how to destroy oaths, covenants, curses or negative genetic imports and altars affecting lives today. The study of God, His nature, and His Word are all essential to the Christian faith. Now those interested in Christian theology have a newly revised and updated reference tool in the 25th Anniversary Edition of The Moody Handbook of Theology. In this classic and timeless one-volume resource, Paul Enns offers a comprehensive overview of the five dimensions of theology: biblical, systematic, historical, dogmatic, and contemporary. Each section includes an introduction, chapters on key points, specific studies pertinent to that theology, books for further study, and summary evaluations of each dimension. Charts, graphs, glossary, and indexes add depth and breadth. Theology, once

the domain of academicians and learned pastors, is now accessible to anyone interested in understanding the essentials of what Christians believe. The Moody Handbook of Theology is a concise doctrinal reference tool for newcomers and seasoned veterans alike. The role of altars in the realm of existence is very key because altars are meeting places between the physical and the spiritual, between the visible and the invisible. In one word, an altar is a gateway in the realm of the invisible. By implication, therefore, no matter the plan and the purpose of God for your life, family, children, relationships, businesses, communities, and other personal endeavours, you must have the spiritual understanding that, until satanic and demonic altars in your foundation are overthrown, you are most likely to fall short of God's plan for your life. No wonder God commanded Moses, "You must destroy their altars..." (Exodus 34:13-14). In this book, Pastor Uzor Ndekwu draws from his many years of experience as a deliverance minister to explain why you must overthrow foundational altars, and why you must confront demonic or satanic altars erected to hinder or frustrate God's plans for you and your family. In summary, in this book you will find: How evil altars originated. Why God will always command and instruct His anointed servants to always overthrow altars of darkness erected against them. Different kinds of altars and their purposes. How to recognise the symptoms and manifestations of those afflicted by evil altars. How you can use the Word of God, through prayer, to overthrow evil altars assigned against you. How you can raise personal altars unto God in your business and/or dwelling places. In this second volume of his long-anticipated five-volume collection of parashat hashavua commentaries, Rabbi Sir Jonathan Sacks explores these intersections as they relate to universal concerns of freedom, love, responsibility, identity, and destiny. Chief Rabbi Sacks fuses Jewish tradition, Western philosophy, and literature to present a highly developed understanding of the human condition under God's sovereignty. Erudite and eloquent, Covenant Conversation allows us to experience Chief Rabbi Sacks sophisticated approach to life lived in an ongoing dialogue with the Torah. This book will show you how to reverse the emotional

curse and, in so doing, open the door for physical healing and miracles in believers' lives. There are Godly altars and satanic altars. There are gates of Godly blessings, and there are gates of curses and spiritual attacks. Also, there are Godly covenants as well as satanic and ungodly covenants. Many of the things that you see and experience in your life and ministry are because of existing altars, spiritual gates, and covenants - positive or negative, known or unknown. Altars may be raised to bless or curse, promote or pull down a person or a group of people, and to enhance a cause or to frustrate it. Spiritual gates may manifest by strange occurrences in someone's life. But no matter how it may manifest, if the person involved settles the issue with repentance, renunciation, prayer, and speaking forth the Word of God, the devil will bow and his works will be destroyed. What Do the Five Points of Calvinism Really Mean? Many have heard of Reformed theology, but may not be certain what it is. Some references to it have been positive, some negative. It appears to be important, and they'd like to know more about it. But they want a full, understandable explanation, not a simplistic one. What Is Reformed Theology? is an accessible introduction to beliefs that have been immensely influential in the evangelical church. In this insightful book, R. C. Sproul walks readers through the foundations of the Reformed doctrine and explains how the Reformed belief is centered on God, based on God's Word, and committed to faith in Jesus Christ. Sproul explains the five points of Reformed theology and makes plain the reality of God's amazing grace. All humans are in a covenant with either deity of God or Satan directly or indirectly. Satan came into the human scene in the garden of Eden to trade unto humanity death and curses through ungodly covenant with him. The good news is that, Jesus came and traded unto humanity His godly covenant of life and blessing. It is left for individuals to choose which covenant they desire to enter. Covenants have rules and regulations, and the powerful player determines the terms of the covenant. Imagine with me for a moment. If you could stop those voices in your head, the pain eating at your soul the unforgiveness plaguing your heart, the void in your heart, the wounds and trauma you are

dealing with, and the many unanswered questions you are seeking answers to. Imagine what it will be like to finally experience the peace only God can offer. This is possible and there is hope. This book is a practical hands-on approach to prayer. In this book, you will learn how to break ungodly covenants and curses, deliverance warfare prayers, prayers to drive away unclean spirits, how to mend your broken hearts, and much more. A curse is a counter force that fights blessings. A curse is being greeted with failure where success is smiling at others. A curse is a sentence calling for punishment, injury or destruction on a person, place or thing. A curse is a satanic mandate given to demons to wreck havoc on a person, place or thing. A curse is labouring under the burden of backwardness and stagnancy. A curse is labouring under a closed heaven. This book teaches you the operation, mechanism, manifestation, detection and destruction of curses. It is time for you to learn how to speak destruction unto any curse under which you are labouring. The church of Jesus Christ is not sufficiently aware of the realities of curses, oaths and covenants, and how some of these legacies affect the convert Christians and even Christian leaders. Many today are deceived to think that the devil is only in the mind equating the devil and all his wiles with mere psychological malfunctions. How can they believe in what they do not sufficiently understand? This book will attempt to bring the inquirer to the conclusion that negative spiritual legacies do exist and indeed affect many destinies adversely. It also prescribes a step by step scriptural solutions on how to destroy oaths, covenants, curses or negative genetic imports and altars affecting lives today.
