disturbed by a visit from a former lover who forces him to confront his past Quicksand Henning Mankell, 2017-01-10 A stunning and poignant autobiographical look at the myriad experiences that shape a meaningful life by the bestselling author of the Kurt Wallander mysteries Surely one of the most moving and intriguing farewell notes ever written Intensely beautiful in its spirit Alexander McCall Smith New Statesman In January 2014 Henning Mankell received a diagnosis of lung cancer Quicksand is a response to this shattering news but it is not a memoir of destruction Instead it is a testament to a life fully lived a tribute to the extraordinary but fleeting human journey that delivers both boundless opportunity and crucial responsibility In a series of intimate vignettes Mankell ranges over rich and varied reflections of growing up in a small Swedish town where he experiences a startling revelation on a winter morning as a young boy of living hand to mouth during a summer in Paris as an ambitious young writer of his work at a theater in Mozambique where *Lysistrata* is staged in the midst of civil war of chance encounters with men and women who changed his understanding of the world Along the way Mankell ponders the meaning of a good life and the critically important ways we can shape the future of humanity if we are fortunate enough to have the choice Vivid clear eyed and breathtakingly beautiful Quicksand is an invaluable parting gift from a great man *The Shadow Girls* Henning Mankell, 2012 Jesper Humlin is a poet of middling acclaim who is saddled by his underwhelming book sales an exasperated girlfriend a demanding mother and a rapidly fading tan His boy wonder stockbroker has squandered Humlin's investments and his editor who says he must write a crime novel to survive begins to pitch and promote the nonexistent book despite Humlin's emphatic refusals Then when he travels to Gothenburg to give a reading he finds himself thrust into an entirely different world where names shift stories overlap and histories are both deeply secret and in profound need of retelling Leyla from Iran Tanya from Russia and Tea Bag who is from Africa but claims to be from Kurdistan because Kurds might receive preferential treatment as refugees these are the shadow girls who become Humlin's unlikely pupils in impromptu writing workshops Though he had imagined their stories as fodder for his own book soon their intertwining lives require him to play a much different role Offering both surprising humor and heartbreaking moments *The Shadow Girls* is a triumph that will please longtime fans of Mankell as well as readers new to his work *The Automobile Club of Egypt* Alaa Al Aswany, 2015-08-22 A rollicking exuberant and powerfully moving story of a family swept up by social unrest in post World War II Cairo Abd el Aziz Gaafar formerly a well respected landowner now in the grip of penury moves his family to Cairo and takes on menial work at the Automobile Club a place of refuge and luxury for its European members but one where Egyptians may appear only as servants Alku the lifelong Nubian servant of Egypt's corrupt king runs the show in all but name The servants a squabbling humorous and deeply human group live in a perpetual state of fear beaten for their mistakes their wages dependent on Alku's whims When Abd el Aziz's pride gets the better of him and he stands up for himself his death as much from shame as from his injuries after Alku has him beaten leaves his widow further impoverished and two of his sons obliged to work in the Club As the family is drawn into the turbulent politics of Egypt public

and private both servants and masters are subsumed by the country's social upheaval. Soon the Egyptians of the Automobile Club face a stark choice to live safely but without dignity as servants or to fight for their rights and risk everything. **A Piece of My Heart** Richard Ford, 2012-06-04 Robard Hewes has driven across the country in search of a woman named Buena who twelve years ago infused him with a feeling that has now turned into obsession.
