Bridge Back(stabbed) in Brooklyn

Beer School Sep 25 2022 BEER SCHOOL Beer School Bottling Success at the Brooklyn Brewery What do you get when you cross a journalist and a banker? A brewery, of course. "A great city should have great beer. New York finally has, thanks to Brooklyn. Steve Hindy and Tom Potter provided it. Beer School explains how they did it: their mistakes as

well as their triumphs. Steve writes with a journalist's skepticism—as though he has forgotten that he is reporting on himself. Tom is even less forgiving—he's a banker, after all. The inside story reads at times like a cautionary tale, but it is an account of a great and welcome achievement."

—Michael Jackson, *The Beer Hunter* "An accessible and insightful case study with terrific insight for aspiring entrepreneurs. And if that's not enough, it is all about beer!"

—Professor Murray Low, Executive Director, Lang Center for Entrepreneurship, Columbia Business School "Great lessons on what every first-time entrepreneur will

experience. Being down the block from the Brooklyn Brewery, I had firsthand witness to their positive impact on our community. I give Steve and Tom's book an A++!"

—Norm Brodsky, Senior Contributing Editor, Inc. magazine "Beer School is a useful and entertaining book. In essence, this is the story of starting a beer business from scratch in New York City. The product is one readers can relate to, and the market is as tough as they get. What a fun challenge! The book can help not only those entrepreneurs who are starting a business but also those trying to grow one once it is established. Steve and Tom write with enthusiasm

and insight about building their business. It is clear that they learned a lot along the way. Readers can learn from these lessons too." —Michael Preston, Adjunct Professor, Lang Center for Entrepreneurship, Columbia Business School, and coauthor, *The Road to Success: How to Manage Growth* "Although we (thankfully!) never had to deal with the Mob, being held up at gunpoint, or having our beer and equipment ripped off, we definitely identified with the challenges faced in those early days of cobbling a brewery together. The revealing story Steve and Tom tell about two partners entering a business out of passion, in an industry

they knew little about, being seriously undercapitalized, with an overly naive business plan, and their ultimate success, is an inspiring tale.”

—Ken Grossman, founder, Sierra Nevada Brewing Co.
Brooklyn Boomer Jun 03 2023
Martin H. Levinson lived in Brooklyn from his birth in 1946 to 1962, the height of the baby boom following World War II. He grew up two blocks from Ebbets Field, the home of the Brooklyn Dodgers, and attended Erasmus Hall High School, which boasts alums such as Neil Diamond, Barbra Streisand, and chess-wiz Bobby Fischer. The author's personal recollections of his middle-class childhood in Brooklyn during

the 1950s alternate with chapters detailing seminal cultural events of that era including the advent of television, fast-food restaurants, big cars with fins; desegregation and the white flight to the suburbs; rock and roll, beatniks, hula hoops, The Kinsey Reports, the Cold War, McCarthyism, Playboy, and much more. Part memoir, part social history, *Brooklyn Boomer* offers a captivating portrait of Brooklyn and America in the mid-twentieth Century.

[Come Back to Bed](#) Dec 29 2022
Dear grouchy neighbor: I'm considering your offer and need clarification before proceeding. Despite being an artist, I think you know that as

a busy New Yorker, I am also practical and straightforward. That said, I need to make sure you know that this could never turn into anything serious. I don't care if you're trying to get over your ex-girlfriend or hoping she'll eventually want to get back together with you-- just don't project your messy feelings about her onto me. Because, despite your resemblance to an underwear model, I won't be falling for you. Ever. Yours, with clear boundaries, Bernadette p.s. I'd like to be very clear that regardless of whether or not we do this, nothing will change my feelings for your dog (and we both know she loves me too). Dear nutty neighbor: As a

lawyer, I must clarify that I never made an offer. It was a suggestion regarding the possibility of a non-permanent, no-strings-attached arrangement between two consenting adults whose beds are separated by a wall. As a man who shares your disdain for messy feelings, I applaud your confidence in your ability to not fall for me. Hold onto that. I'd also like to make it clear that I don't care if you want to get over your crush on your boss or if you still hope he'll realize you're the woman of his dreams. That said, I definitely wasn't thinking about my ex-girlfriend when I kissed you in the laundry room, and I'm quite sure you weren't

thinking about your boss. As a dog daddy, I'm glad you're so taken with my girl. But if you try to steal her I will get all Liam Neeson up in your pretty face. As a busy New Yorker, I think clear boundaries are hot. I have one hour free to blow your mind tonight. So turn off Netflix, put down that glass of wine, and let's do this. Yours for now, Matt
[The Brooklyn Heights Promenade](#) Feb 28 2023
Featured in films and on television and used as a backdrop to countless photos, the Brooklyn Heights Promenade offers the public a view that is usually reserved for the rich at the top of a tower. From this one-third-mile

stretch, locals and tourists take in the Manhattan skyline, the Statue of Liberty, Ellis Island and New York Harbor. But its history is less harmonious. Plans by the powerful Robert Moses to run the Brooklyn-Queens Expressway through a resistant neighborhood led to contention and an unforeseen eventual compromise. In this volume, Brooklyn Heights Press editor Henrik Krogius presents this history, along with his articles that document the fate of the Promenade over the years.
[The Feral Detective](#) Apr 20 2022 'A nimble and uncanny performance, brimming with Lethem's trademark verve and wit' Colson Whitehead, Pulitzer

Prize-winning author of *The Underground Railroad* Phoebe Sieglar first meets Charles Heist in a shabby trailer on the eastern edge of Los Angeles. She's looking for her friend's missing daughter, Arabella, and hires Heist - a laconic loner who keeps his pet opossum in a desk drawer - to help. The unlikely pair navigate the enclaves of desert-dwelling vagabonds and find that Arabella is in serious trouble - caught in the middle of a violent standoff that only Heist, mysteriously, can end. Phoebe's trip to the desert was always going to be strange, but it was never supposed to be dangerous... Jonathan Lethem's first detective novel since

Motherless Brooklyn, *The Feral Detective* is a singular achievement by one of our greatest writers.

The Room Jul 12 2021 "A terrifying journey into the darkest corners of the psyche" by the author of *Requiem for a Dream* and *Last Exit to Brooklyn* (The Guardian). A small-time criminal sits alone in his cell, his mind reeling with sadistic thoughts of retribution against the police and, eventually, all those he believes have failed him throughout his life. A deeply disturbing exploration of a character the Guardian described as "a genuinely frightening American Psycho," Hubert Selby Jr.'s second novel is made all the

more chilling by the narrator's brief flashes of humanity. *The Room* is a tale so terrifying the author himself couldn't read it for decades after writing it. Called "brutal" by the New York Times when it was first published, it is a dark masterpiece about a man who may be temporarily trapped in jail, but whose true prison is his own anger, as he is enslaved by out-of-control passions and sickening fantasies of revenge. This ebook features an illustrated biography of Hubert Selby Jr. including rare photos from the author's estate.

Back to Brooklyn Jun 15 2024 "The sequel to *My cousin Vinny*"--Jacket.

When Brooklyn was the World, 1920-1957 Sep 06

2023 Around the corner. The next block. Across the At the end of the line. Borough Park. Gowanus. Flatbush. Canarsie. Ridgewood. Greenpoint. Brownsville. Bay Ridge. Bensonhurst. City Line. What was the place called Brooklyn really like back then... when Brooklyn was the world? Elliot Willensky, born in Brooklyn and now official Borough Historian, takes us back to a sweeter time when a trip on the new BMT subway was a delightful adventure, when summer days were a picnic on the sand and evenings were Nathan's hotdogs at Coney Island and a whirl of lights,

spills, and chills at dazzling Luna Park. Remembering Brooklyn, it's the neighborhoods you think of first -- or maybe it's your own block, the one you were raised on. In those days, the street was a more animated, more colorful place. Jacks and jump rope, hit-the-stick, double-dutch and skelly or potsy (hopscotch to you) were played everywhere. The street was a natural amphitheater, and the stoop was the perfect place for grown-ups to sit and watch and visit with neighbors. Stores-on-wheels selling fruit, baked goods, and the old standby, seltzer, rolled right down the block, and the Fuller Brush man and Electrolux vacuum-

cleaner salesmen worked door to door, saving housewives countless shopping trips. For many, a big night out was dinner at a Chinese restaurant, where 99 percent of the patrons were non-Chinese, and you could get mysterious-sounding dishes like moo goo gai pan and subgum chow mein -- "One from column A, two from column B." If you could afford to go somewhere really classy, the Marine Roof of the Bossert Hotel was one of the hottest nightspots. A hot date on Saturday night featured big bands at the clubs on TheStrip (Flatbush Avenue below Prospect Park) -- the Patio, the Parakeet Club, the Circus Lounge -- or gala stage shows

at the Brooklyn Academy of Music or the enormous Paramount Theatre. Still, for family entertainment you couldn't beat a day at the beach and a night on Surf Avenue, taking in the sideshows and the penny arcades. For Brooklyn, the years between 1920 and 1957 were a special time. It was in 1920 that the subway system reached to Brooklyn's outer edge -- linking the entire borough with Manhattan and making it an ideal spot for millions of new families to build their homes. The end of the era came in 1957 -- the last year that Brooklyn's beloved Dodgers played at Ebbets Field before moving to sunny

California. For many loyal fans the fate of "Dem Bums" represents the fate of Brooklyn. With a brilliant, entertaining text and hundreds of exciting, nostalgic photographs (many never before published), *When Brooklyn Was the World* recovers the history of this lively city, as remembered by the millions of people who knew Brooklyn in its golden era.

A Tree Grows in Brooklyn Aug 25 2022 Francie Nolan and her brother, Neeley, grow up in the slums of Brooklyn in the early 1900s.

Motherless Brooklyn Jun 10 2021 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • A compulsively

readable riff on the classic detective novel from America's most inventive novelist. "A half-satirical cross between a literary novel and a hard-boiled crime story narrated by an amateur detective with Tourette's syndrome.... The dialogue crackles with caustic hilarity.... Unexpectedly moving." —The Boston Globe Brooklyn's very own self-appointed Human Freakshow, Lionel Essrog is an orphan whose Tourettic impulses drive him to bark, count, and rip apart our language in startling and original ways. Together with three veterans of the St. Vincent's Home for Boys, he works for small-time mobster Frank Minna's limo service

cum detective agency. Life without Frank Minna, the charismatic King of Brooklyn, would be unimaginable, so who cares if the tasks he sets them are, well, not exactly legal. But when Frank is fatally stabbed, one of Lionel's colleagues lands in jail, the other two vie for his position, and the victim's widow skips town. Lionel's world is suddenly topsy-turvy, and this outcast who has trouble even conversing attempts to untangle the threads of the case while trying to keep the words straight in his head. Motherless Brooklyn is a brilliantly original, captivating homage to the classic detective novel by one of the most acclaimed writers

of his generation. [When Baseball Returned to Brooklyn](#) Jun 22 2022 Major league baseball has a long, rich history in Brooklyn. From the time Brooklyn started play in 1884 until their move west to Los Angeles following the 1957 season, the Dodgers and their predecessors were the emotional center of the borough's diverse population. But Brooklyn would be without a professional team until June of 2001, when the Cyclones took the field in Coney Island as the Mets' affiliate for the New York-Penn League. This work follows the rookie-level club from its formation through its first season. Brooklyn Dodgers Carl Erskine, Duke

Snider, Clem Labine, Johnny Podres, Ralph Branca, Joe Pignatano and Clyde King comment on their own minor league days, and their days in Brooklyn. Also included are interviews of Cyclones players and fans of both teams.

[The Man Who Brought the Dodgers Back to Brooklyn](#)

Nov 15 2021

[Another Brooklyn](#) Sep 13 2021 A Finalist for the 2016 National Book Award New York Times Bestseller A SeattleTimes pick for Summer Reading Roundup 2017 The acclaimed New York Times bestselling and National Book Award-winning author of Brown Girl Dreaming delivers her first adult novel in twenty years. Running into a long-ago

friend sets memory from the 1970s in motion for August, transporting her to a time and a place where friendship was everything—until it wasn't. For August and her girls, sharing confidences as they ambled through neighborhood streets, Brooklyn was a place where they believed that they were beautiful, talented, brilliant—a part of a future that belonged to them. But beneath the hopeful veneer, there was another Brooklyn, a dangerous place where grown men reached for innocent girls in dark hallways, where ghosts haunted the night, where mothers disappeared. A world where madness was just a sunset away and fathers found

hope in religion. Like Louise Meriwether's *Daddy Was a Number Runner* and Dorothy Allison's *Bastard Out of Carolina*, Jacqueline Woodson's *Another Brooklyn* heartbreakingly illuminates the formative time when childhood gives way to adulthood—the promise and peril of growing up—and exquisitely renders a powerful, indelible, and fleeting friendship that united four young lives.

Nora Webster Aug 05 2023
From one of contemporary literature's bestselling, critically acclaimed, and beloved authors: a "luminous" novel (Jennifer Egan, *The New York Times Book Review*) about a fiercely compelling young

widow navigating grief, fear, and longing, and finding her own voice—"heartrendingly transcendent" (*The New York Times*, Janet Maslin). Set in Wexford, Ireland, Colm Tóibín's magnificent seventh novel introduces the formidable, memorable, and deeply moving Nora Webster. Widowed at forty, with four children and not enough money, Nora has lost the love of her life, Maurice, the man who rescued her from the stifling world to which she was born. And now she fears she may be sucked back into it. Wounded, selfish, strong-willed, clinging to secrecy in a tiny community where everyone knows your business, Nora is drowning in

her own sorrow and blind to the suffering of her young sons, who have lost their father. Yet she has moments of stunning insight and empathy, and when she begins to sing again, after decades, she finds solace, engagement, a haven—herself. Nora Webster “may actually be a perfect work of fiction” (Los Angeles Times), by a “beautiful and daring” writer (The New York Times Book Review) at the zenith of his career, able to “sneak up on readers and capture their imaginations” (USA TODAY). “Miraculous...Tóibín portrays Nora with tremendous sympathy and understanding” (Ron Charles, The Washington Post).

The Great Bridge Mar 08
2021 First published in 1972, The Great Bridge is the classic account of one of the greatest engineering feats of all time. Winning acclaim for its comprehensive look at the building of the Brooklyn Bridge, this book helped cement David McCullough's reputation as America's preeminent social historian. Now, The Great Bridge is reissued as a Simon & Schuster Classic Edition with a new introduction by the author. This monumental book brings back for American readers the heroic vision of the America we once had. It is the enthralling story of one of the greatest events in our nation's history

during the Age of Optimism -- a period when Americans were convinced in their hearts that all great things were possible. In the years around 1870, when the project was first undertaken, the concept of building a great bridge to span the East River between the great cities of Manhattan and Brooklyn required a vision and determination comparable to that which went into the building of the pyramids. Throughout the fourteen years of its construction, the odds against the successful completion of the bridge seemed staggering. Bodies were crushed and broken, lives lost, political empires fell, and surges of public emotion

constantly threatened the project. But this is not merely the saga of an engineering miracle: it is a sweeping narrative of the social climate of the time and of the heroes and rascals who had a hand in either constructing or obstructing the great enterprise. Amid the flood of praise for the book when it was originally published, *Newsday* said succinctly "This is the definitive book on the event. Do not wait for a better try: there won't be any."

Brooklyn Bounce Oct 27 2022
"Even before they'd ever played a game, the Brooklyn Nets were outselling the New York Knicks in team apparel and merchandise. In their first

season they ranked fourth in league-wide jersey sales, indicative of the trendy appeal and broad fan base. When the Nets played their first game at Barclays Center in downtown Brooklyn in the fall of 2012, they succeeded in bringing professional sports back to Brooklyn for the first time since the Dodgers abandoned the borough in 1957. Now *Brooklyn Bounce* chronicles the historic first season, full of highs and lows--plenty of them entirely unexpected. Jake Appleman takes us inside the locker room, combining vignettes and interviews from the team's transition from the New Jersey swamp to gentrified Brooklyn, to an

opening night delayed by Hurricane Sandy, to an epic seven-game playoff showdown with the Chicago Bulls. The Nets were the game's foremost paradox in 2013, a team that managed to be the most improved in the NBA, but also consistently disappointed. What made them interesting wasn't their style of play or even their unique collection of personalities; it was their constant state of re-invention and their evolving relationship with their new home: as the Barclays crowds would chant it, BrooOOOK-LYN!"--
Back to Brooklyn Jul 04 2023
The controversial, over-the-top crime-thriller, *Back to Brooklyn*, is finally collected!

Big Bob Saetta made the biggest mistake of his life by pissing off his brother, one of the biggest and most brutal crime bosses in New York City. This is the story of two brothers at war, wrapped in a special package of extreme language and hardcore violence. Join award-winning writer Garth Ennis (Preacher, The Punisher), Jimmy Palmiotti (Jonah Hex, Painkiller Jane), and artist Mihailo Vukelic on an adrenaline ride that rips the roof off Brooklyn's criminal underworld!

From Lascaux to Brooklyn

Jan 18 2022 Illustrating his ideas with examples of his own stunning graphic work, as well as an eclectic collection of masterpieces, Rand discusses such topics as: the relation between art and business: the presentation of design ideas and sketches to prospective clients: the debate over typographic style; and the aesthetics of combinatorial geometry as applied to the grid. His book will engage and enlighten anyone interested in the practice or theory of

graphic design.

Brooklyn Dec 17 2021 A major new history of Brooklyn, told through its landscapes, buildings, and the people who made them, from the early 17th century to today.

Back to Brooklyn May 14 2024 "The sequel to My cousin Vinny"--Jacket.

Brooklyn Jan 10 2024 Winner of the Costa Novel Award and longlisted for the Man Booker Prize, Colm Tóibín's internationally bestselling novel is a story of devastating emotional power. At the centre of Colm Tóibín's internationally celebrated novel is Eilis Lacey, one among many of her generation who has come of age in 1950s Ireland but

cannot find work at home. When she receives a job offer in America, it is clear to everyone that she must go. Leaving her family and country behind, Eilis heads for unfamiliar Brooklyn, and to a crowded boarding house where the landlady's intense scrutiny and the small jealousies of her fellow residents only deepen her isolation. Slowly, however, the pain of parting and a longing for home are buried beneath the rhythms of her new life—until she begins to realize that she has found a sort of happiness. But just as Eilis begins to fall in love, tragic news summons her back to Ireland, where she unexpectedly finds herself

facing an impossible decision. *The Brooklyn Stories* Apr 08 2021 *The Brooklyn Stories* is a collection of tales chronicling varied characters in sizzling conflicts regarding major values. For example: Will a philosophy professor overcome heartbreak and anger at romantic betrayal to collaborate with his triumphant rival on writing the novel they both cherish? Can a high school teacher and former Marine, reared in a criminal family, protect from that family's murderous intent his innocent best friend? Can a brilliant boxer clean the hood's mean streets of brutal thugs and win back the girlfriend that his neglect

permitted to be savagely assaulted? How do multiple survivors of a violent school invasion deal with the aftermath of the tragic event? These are just some of the vivid characters and conflicts gracing the pages of this collection.

Kings County Oct 15 2021

“Goodwillie captures the rapturous soul of a bygone Brooklyn: the songs, the sex, the bars, the youth! And then the churn of relentless change, the broken hearts, the crushing realities. But it is the searing burn of discovery that makes Kings County a true and continual delight.” —Joshua Ferris, author of *Then We Came to the End* It's the early

2000s and like generations of ambitious young people before her, Audrey Benton arrives in New York City on a bus from nowhere. Broke but resourceful, she soon finds a home for herself amid the burgeoning music scene in Williamsburg, Brooklyn. But the city's freedom comes with risks, and Audrey makes compromises to survive. As she becomes a minor celebrity in indie rock circles, she finds an unlikely match in Theo Gorski, a shy but idealistic mill-town kid who's struggling to establish himself in the still-patrician world of books. But then an old acquaintance of Audrey's disappears under mysterious circumstances,

sparking a series of escalating crises that force the couple to confront a dangerous secret from her past. From the raucous heights of Occupy Wall Street to the comical lows of the publishing industry, from million-dollar art auctions to Bushwick drug dens, Kings County captures New York City at a moment of cultural reckoning. Grappling with the resonant issues and themes of our time—sex and violence, art and commerce, friendship and family—it is an epic coming-of-age tale about love, consequences, bravery, and fighting for one's place in an ever-changing world.

The Brooklyn Nine Nov 27
2022 1845: Felix Schneider, an

immigrant from Germany, cheers the New York Knickerbockers as they play Three-Out, All-Out. 1908: Walter Snider, batboy for the Brooklyn Superbas, arranges a team tryout for a black pitcher by pretending he is Cuban. 1945: Kat Snider of Brooklyn plays for the Grand Rapids Chicks in the All-American Girls Baseball League. 1981: Michael Flint finds himself pitching a perfect game during the Little League season at Prospect Park. And there are five more Schneiders to meet. In nine innings, this novel tells the stories of nine successive Schneider kids and their connection to Brooklyn and baseball. As in all family

histories and all baseball games, there is glory and heartache, triumph and sacrifice. And it ain't over till it's over.

Leaving Brooklyn May 02 2023

An injury at birth left Audrey with a wandering eye. Though flawed, the bad eye functions well enough to permit her an idiosyncratic view of the world, one she welcomes in the stifling postwar Brooklyn of the 1950s. During a journey to Manhattan to see a doctor about her sight, she begins to explore the sexual rites of adulthood. But can her romance last? In this beautifully observed novel, Lynne Sharon Schwartz raises themes of innocence and

escape while illuminating the rich inner life of a singular girl.

Witches of Brooklyn May 22

2022 There's a new witch in town! Life in Brooklyn takes a strange turn when Effie discovers MAGIC runs in the family. Like, really WEIRD. Really, really, really WEIRD! The secretly-magic kind of weird and that makes Effie wonder . . . does this mean she can do magic, too? Life in Brooklyn takes a strange twist for Effie as she learns more about her family

and herself. With new friends who will do whatever they can to be there for her, a cursed pop-star, and her magically-inclined aunts--Effie's life is about to get interesting.

Back to Brooklyn Nov 08 2023

Brooklyn Bridge May 10 2021

"It so happens that the work which is likely to be our most durable monument, and to convey some knowledge of us to the most remote posterity, is a work of bare utility; not a shrine, not a fortress, but a bridge." So wrote one architectural critic of the Brooklyn Bridge, one of the grandest and most eloquent monuments to the American spirit that our country has produced. Its magnificent site,

brehtaking span, cutting-edge technology, and sheer beauty have made it the subject of poems, paintings, photographs, novels, plays, and movies. Beneath the Brooklyn Bridge's triumphant arches lie astonishing tales of death, deception, genius, and daring. Over the fourteen-year course of its construction, there were many deaths, including that of John A. Roebling, designer and chief engineer; an underwater fire; and even fraud. Finally, though, the bridge was finished, and as part of the opening day festivities, the president, and two mayors crossed it. In this stunning visual history, Lynn Curlee tells the fascinating story of the

history and construction of the "Eighth Wonder of the World." *The New Brooklyn* Dec 09 2023
Featured in The New York Times Book Review Only a few decades ago, the Brooklyn stereotype well known to Americans was typified by television programs such as "The Honeymooners" and "Welcome Back, Kotter"—comedies about working-class sensibilities, deprivation, and struggles. Today, the borough across the East River from Manhattan is home to trendsetters, celebrities, and enough "1 percenters" to draw the Occupy Wall Street protests across the Brooklyn Bridge. "Tres Brooklyn," has become a

compliment among gourmands in Parisian restaurants. In *The New Brooklyn*, Kay Hymowitz chronicles the dramatic transformation of the once crumbling borough. Devoting separate chapters to Park Slope, Williamsburg, Bed Stuy and the Brooklyn Navy Yard, Hymowitz identifies the government policies and young, educated white and black middle class enclaves responsible for creating thousands of new businesses, safe and lively streets, and one of the most desirable urban environments in the world. Exploring Brownsville, the growing Chinatown of Sunset Park, and Caribbean Canarsie, Hymowitz also wrestles with

the question of whether the borough's new wealth can lift up long disadvantaged minorities, and the current generation of immigrants, many of whom will need more skills than their predecessors to thrive in a postindustrial economy. The New Brooklyn's portraits of dramatic urban transformation, and its sometimes controversial effects, offers prescriptions relevant to "phoenix" cities coming back to life across the United States and beyond its borders.

[Going Back to Brooklyn](#) Apr 13 2024 Martin L. Blumberg's first book "My Brooklyn, My Way," released in January, 2020 at the start of the pandemic has

received rave reviews and chosen #46 for being one of the best books written about Brooklyn. In his latest book, "Going Back To Brooklyn," you would get the experience once again, of your fond childhood memories of that greatest era..

To Brooklyn with Love Mar 20 2022

Briarhill to Brooklyn Feb 16

2022 For three years a mysterious potato blight devastated Ireland's cla-cháns, townlands, and cities. Nearly a million died. Was it the prospect of starvation, the snows of Black '47, or the fear of typhus that made the Bodkins leave? Or was it the dream of America's freedom and opportunity that drove the

family from Galway onto an Irish coffin ship known as Cushlamachree? Their destination was Brooklyn. An unimaginable hurdle confronted the seven young Bodkin siblings, only days after docking in New York. Would the "fever" get them, too? But they managed to survive into adulthood as they were led by their two oldest brothers- Dominic and Martin. Dominic, a fledgling surgeon on the Alabama battlefields of Spanish Fort and Fort Blakely, spends thirty-five years delivering and caring for thousands of Brooklyn babies. Martin, a Civil War veteran, and later an ironmonger with his own shop, ultimately is the progenitor of a

large family of New York Bodkins. Briarhill to Brooklyn is a novel, grounded in facts, in which Jack Bodkin tells the story of his Irish Catholic family's 1848 migration from County Galway, Ireland, to Brooklyn, New York, in the era of the Irish Potato Famine.

Back(stabbed) in Brooklyn

Feb 04 2021 Howard Kessler has lived the fast life of a Hollywood star. What could Howard possibly need after a lifetime filled with everything anyone could ever want? When he gets fired from the set of a film which was supposed to resurrect his status, and details come out about a sordid, drunken affair with a possibly underage groupie, his long

time girlfriend leaves him and Howard embarks on soul-searching expedition that takes him right back to Brooklyn, against the will of his trusted friend and agent. His expectations of finding fulfillment and vindication were high as he left Los Angeles city limits. He envisioned a big welcome, warm embraces, and the nostalgia of the fun of the past. As he travels east, he realizes he has a better opportunity to reinvent himself and changes his objective. The reunion provides the painful details of the past, and reminds Howard why he left Coney Island and never turned back. He seizes the opportunity to exploit the guys and the put the

old-and not so pretty-stories in a screenplay. While he holes up in a condo in Brighton Beach to write it, the untrusting daughter and journalist of one of his pals writes a scathing expose of Howard in a high profile, glossy magazine using interviews given by members of the old gang and others. Meanwhile, Howard's agent and close friend begins to lose confidence-not to mention his main source of commissions-and wavers in his loyalty. The old gang was never as tight as they would like to remember and the reunion opens wounds incurred by old girlfriends, gambling debts, petty crimes and grand larceny, and enough secrets to fill a book. Howard

found success once he left Brooklyn, but at a cost that he may regret: leaving abruptly and cutting ties for decades had enabled trivial resentments to turn into lifelong grudges. When he seizes an opportunity to turn his career around by writing an exploitive memoir using their stories, he doesn't heed the risks of getting involved with the old gang again. The guys hire their own writer to dig up dirt on Howard for a glossy magazine; and in a tussle of reputations, Hollywood wins out in the end and Howard reinvents his career as a successful writer, director and producer. The old gang breaks apart once again, this time with much more to

lose. Back(stabbed) In Brooklyn is written through the multiple perspectives of the old gang, Howard's agent, and the expose writer. It is roughly 70,000 words.

The Brooklyn Nobody Knows

Jul 24 2022 A one-of-a-kind walking guide to Brooklyn, from the man who has walked every block in New York City Bill Helmreich walked every block of New York City—6,000 miles in all—to write the award-winning *The New York Nobody Knows*. Now he has re-walked Brooklyn—some 816 miles—to write this one-of-a-kind walking guide to the city's hottest borough. Drawing on hundreds of conversations he had with residents during his

block-by-block journeys, *The Brooklyn Nobody Knows* captures the heart and soul of a diverse, booming, and constantly changing borough that defines cool around the world. The guide covers every one of Brooklyn's forty-four neighborhoods, from Greenpoint to Coney Island, providing a colorful portrait of each section's most interesting, unusual, and unknown people, places, and things. Along the way you will learn about a Greenpoint park devoted to plants and trees that produce materials used in industry; a hornsmith who practices his craft in Prospect-Lefferts Gardens; a collection of 1,140 stuffed animals hanging from a

tree in Bergen Beach; a five-story Brownsville mural that depicts Zionist leader Theodor Herzl—and that was the brainchild of black teenagers; Brooklyn's most private—yet public—beach in Manhattan Beach; and much, much more. An unforgettably vivid chronicle of today's Brooklyn, the book can also be enjoyed without ever leaving home—but it's almost guaranteed to inspire you to get out and explore one of the most fascinating urban areas anywhere. Covers every one of Brooklyn's 44 neighborhoods, providing a colorful portrait of their most interesting, unusual, and unknown people, places, and things Each neighborhood

section features a brief overview and history; a detailed, user-friendly map keyed to the text; and a lively guided walking tour Draws on the author's 816-mile walk through every Brooklyn neighborhood Includes insights from conversations with hundreds of residents *How to Get Famous in Brooklyn* Aug 13 2021 Janie observes the day-to-day activity in her Brooklyn neighborhood and records it all in her notebook. *Welcome Back to Brooklyn* Feb 11 2024 *Brooklyn Before* Oct 07 2023 Before Brooklyn rose to international fame there existed a vibrant borough of neighborhoods rich with

connections and traditions. During the 1970s and 1980s, photographer Larry Racioppo, a South Brooklynite with roots three generations deep, recorded Brooklyn on the cusp of being the trendy borough we know today. In *Brooklyn Before*, Racioppo lets us see the vitality of his native Brooklyn, stretching from historic Park Slope to the beginnings of Windsor Terrace and Sunset Park. His black and white photographs pull us deep into the community, stretching our memories back more than forty years and teasing out the long-lost recollections of life on the streets and in apartment homes. Racioppo has the fascinating ability to tell a story

in one photograph and, because of his native bonafides, he depicts an intriguing set of true Brooklyn stories from the inside, in ways that an outsider simply cannot. On the pages of, Brooklyn Before the intimacy and roughness of life in a working-class community of Irish American, Italian American, and Puerto Rican families is shown with honesty and insight. Racioppo's 128 photographs are paired with essays from journalist Tom Robbins and art critic and curator Julia Van Haften. Taken together, the images and words of Brooklyn Before return us to pre-gentrification Brooklyn and immerse us in a community defined by work,

family, and ethnic ties.
