Bulletin Northwestern University (Evanston, Ill.),1926      *The Story of More* Hope Jahren,2020-03-03 The essential pocket primer on climate change that will leave an indelible impact on everyone who reads it Hope Jahren asks the central question of our time how can we learn to live on a finite planet Elizabeth Kolbert author of *The Sixth Extinction* Hope Jahren is the voice that science has been waiting for Nature Hope Jahren is an award winning scientist a brilliant writer a passionate teacher and one of the seven billion people with whom we share this earth In *The Story of More* she illuminates the link between human habits and our imperiled planet In concise highly readable chapters she takes us through the science behind the key inventions from electric power to large scale farming to automobiles that even as they help us release greenhouse gases into the atmosphere like never before She explains the current and projected consequences of global warming from superstorms to rising sea levels and the actions that we all can take to fight back At once an explainer on the mechanisms of global change and a lively personal narrative given to us in Jahren s inimitable voice *The Story of More* is a superb account of the deadly struggle between humanity and what may prove the only life bearing planet within ten light years E O Wilson

**How Student Journalists Report Campus Unrest** Kaylene Dial Armstrong,2017-11-22 Journalists are trained to tell the stories of others and leave themselves out of their writing Student journalists are no different They spend their days on their college newspaper writing about what happens to others especially when what is happening involves protests sit ins riots hunger strikes and other unrest on the very campuses where they also attend school Now some of these former student reporters and editors tell their own stories of some of the challenges all student journalists face in reporting events that most administrators would rather see not covered at all For some this is the first time the stories of what happened in the newsrooms and behind the scenes will appear in print Some of the issues they discuss include censorship the role of the newspaper as the conscience of the community objective and activist journalism and the challenges of reporting crises The protests covered here represent the many concerns college student protesters have tackled through the decades integration in 1962 the free speech movement of 1964 racial issues and the Vietnam War in 1968 and 1970 and continuing racial issues in the present Many of these former student journalists look back decades to their work in the 1960s Some discuss a more recent protest Looking back they admit they might have done things differently if they had to do it again yet all are fiercely proud of the work they did in recording the first version of history

**Studies in Phenomenology and Psychology** Aron Gurwitsch,1966 The articles collected in this volume were written during a period of more than thirty years the first having been published in 1929 the last in 1961 They are arranged in a systematic not a chronological order starting from a few articles mainly concerned with psychological matters and then passing on to phenomenology in the proper sense      **Time Gifts** Zoran Zivkovic,2000-08-22 Zoran Zivkovic weaves four mysterious encounters around philosophical questions at the

core of human existence Provocative and original Time Gifts is a meditation on the nature of time and especially on the nature of those at its mercy *Muslims of the Heartland* Edward E. Curtis IV,2023-11-07 Uncovers the surprising history of Muslim life in the early American Midwest The American Midwest is often thought of as uniformly white and shaped exclusively by Christian values However this view of the region as an unvarying landscape fails to consider a significant community at its very heart Muslims of the Heartland uncovers the long history of Muslims in a part of the country where many readers would not expect to find them Edward E Curtis IV a descendant of Syrian Midwesterners vividly portrays the intrepid men and women who busted sod on the short grass prairies of the Dakotas peddled needles and lace on the streets of Cedar Rapids and worked in the railroad car factories of Michigan City This intimate portrait follows the stories of individuals such as farmer Mary Juma pacifist Kassem Rameden poet Aliya Hassen and bookmaker Kamel Osman from the early 1900s through World War I the Roaring 20s the Great Depression and World War II Its story driven approach places Syrian Americans at the center of key American institutions like the assembly line the family farm the dance hall and the public school showing how the first two generations of Midwestern Syrians created a life that was Arab Muslim and American all at the same time Muslims of the Heartland recreates what the Syrian Muslim Midwest looked sounded felt and smelled like from the allspice seasoned lamb and rice shared in mosque basements to the sound of the trains on the Rock Island Line rolling past the dry goods store It recovers a multicultural history of the American Midwest that cannot be ignored **Exit Strategy** Ike Holter,2018-09-15 Righteously angry riotously funny and wise to the tensions between abstract policy and lived experience Ike Holter s play Exit Strategy centers on vivid unforgettable characters struggling to maintain faith in a vocation that is being determinedly undermined Drawing from the headlines Exit Strategy is set in Chicago and tells the story of a fictional public high school slated for closure at the end of the year Despite funding cuts bureaucrats run amok apathy and a rodent infestation a small multiracial group of teachers launch a last minute effort to save the school and put their careers futures and safety in the hands of a fast talking administrator who may be in over his head The tenuous situation also raises fears and anxieties among students and within the volcanic neighborhood that is home to the school Holter has said that Exit Strategy was inspired by the 2013 mass closure of forty nine Chicago public schools which displaced nearly 12 000 children the majority of directly impacted students were African American and Latinx Hailed as riveting sharp and richly metaphoric by critics the play indicts how we educate our children in big American cities and shows why gaps between haves and have nots continue to grow Exit Strategy is one of seven plays in Ike Holter s cycle of works set in Chicago or Chicago inspired neighborhoods [Joseph Medill School of Journalism ...](#) Medill School of Journalism,1960 *Turned Inside Out* Steven Shankman,2017-05-15 In Turned Inside Out Reading the Russian Novel in Prison Steven Shankman reflects on his remarkable experience teaching texts by Fyodor Dostoevsky Vasily Grossman and Emmanuel Levinas in prison to a mix of university students and inmates These persecuted writers Shankman argues that

Dostoevsky's and Levinas's experiences of incarceration were formative. Describe ethical obligation as an experience of being turned inside out by the face-to-face encounter. Shankman relates this experience of being turned inside out to the very significance of the word God to Dostoevsky's tormented struggles with religious faith to Vasily Grossman's understanding of his Jewishness in his great novel *Life and Fate* and to the interpersonal encounters the author has witnessed reading these texts with his students in the prison environment. *Turned Inside Out* will appeal to readers with interests in the classic novels of Russian literature in prisons and pedagogy or in Levinas and phenomenology. At a time when the humanities are struggling to justify the centrality of their mission in today's colleges and universities, Steven Shankman, by example, makes an undeniably powerful case for the transformative power of reading great texts.

**Federalism** David L. Shapiro, 1995-07-19  
David Shapiro explores the virtues and defects of federalism as it has developed in this country from a variety of perspectives that include historical, constitutional, economic, social, and political considerations. Using the dialectical form adopted by advocates trying a case before a court, Shapiro not only examines the strongest arguments on the two principal sides of the issue but also probes the potential value of the dialectical process itself.

**Encyclopedia of Twentieth Century Journalists** William H. Taft, 2015-07-16  
Originally published in 1986, this book is a unique compilation of biographical sketches which covers editors, publishers, photographers, bureau chiefs, columnists, commentators, cartoonists, and artists. Alphabetical entries provide overviews of the lives and personalities of a good cross-section of important people. There is also a short essay on awards and prize winners. Everything is efficiently indexed. This is a supremely useful reference tool for those in mass media and popular culture fields.

**Unwanted Advances** Laura Kipnis, 2017-04-04  
A Wall Street Journal Best Book of 2017. From a highly regarded feminist cultural critic and professor comes a polemic arguing that the stifling sense of sexual danger sweeping American campuses doesn't empower women; it impedes the fight for gender equality. Feminism is broken, argues Laura Kipnis: if anyone thinks the sexual hysteria overtaking American campuses is a sign of gender progress, a committed feminist like Kipnis was surprised to find herself the object of a protest march by student activists at her university for writing an essay about sexual paranoia on campus. Next she was brought up on Title IX complaints for creating a hostile environment. Defying confidentiality strictures, she wrote a whistleblowing essay about the ensuing seventy-two-day investigation which propelled her to the center of national debates over free speech, safe spaces, and the vast federal overreach of Title IX. In the process, she uncovered an astonishing netherworld of accused professors and students, campus witch hunts, rigged investigations, and Title IX officers run amuck. Drawing on interviews and internal documents, *Unwanted Advances* demonstrates the chilling effect of this new sexual McCarthyism on intellectual freedom. Without minimizing the seriousness of campus assault, Kipnis argues for more honesty about the sexual realities and ambivalences hidden behind the notion of rape culture. Instead, regulation is replacing education, and women's hard-won right to be treated as consenting adults is being repealed by well-meaning bureaucrats. *Unwanted Advances* is a risk-taking, often darkly funny interrogation of

feminist paternalism the covert sexual conservatism of hook up culture and the institutionalized backlash of holding men alone responsible for mutually drunken sex It s not just compulsively readable it will change the national conversation

**Playing with Things** Mary Weismantel,2021-08-17 More than a thousand years ago on the north coast of Peru Indigenous Moche artists created a large and significant corpus of sexually explicit ceramic works of art They depicted a diversity of sex organs and sex acts and an array of solitary and interconnected human and nonhuman bodies To the modern eye these Moche sex pots as Mary Weismantel calls them are lively and provocative but also enigmatic creations whose import to their original owners seems impossible to grasp In *Playing with Things* Weismantel shows that there is much to be learned from these ancient artifacts not merely as inert objects from a long dead past but as vibrant Indigenous things alive in their own human temporality From a new materialist perspective she fills the gaps left by other analyses of the sex pots in pre Columbian studies where sexuality remains marginalized and in sexuality studies where non Western art is largely absent Taking a decolonial approach toward an archaeology of sexuality and breaking with long dominant iconographic traditions this book explores how the pots play jokes make babies give power and hold water considering the sex pots as actual ceramic bodies that interact with fleshly bodies now and in the ancient past A beautifully written study that will be welcomed by students as well as specialists *Playing with Things* is a model for archaeological and art historical engagement with the liberating power of queer theory and Indigenous studies

**What the Best College Teachers Do** Ken Bain,2011-09-01 What makes a great teacher great Who are the professors students remember long after graduation This book the conclusion of a fifteen year study of nearly one hundred college teachers in a wide variety of fields and universities offers valuable answers for all educators The short answer is it s not what teachers do it s what they understand Lesson plans and lecture notes matter less than the special way teachers comprehend the subject and value human learning Whether historians or physicists in El Paso or St Paul the best teachers know their subjects inside and out but they also know how to engage and challenge students and to provoke impassioned responses Most of all they believe two things fervently that teaching matters and that students can learn In stories both humorous and touching Ken Bain describes examples of ingenuity and compassion of students discoveries of new ideas and the depth of their own potential What the Best College Teachers Do is a treasure trove of insight and inspiration for first year teachers and seasoned educators

*Where I Must Go* Angela Jackson,2009-09-30 Story of Magdalena Grace from her time at the racially exclusive atmosphere of fictional Eden University to the black neighborhoods of a midwestern city to her ancestral Mississippi

[The Constitution](#) Michael Stokes Paulsen,Luke Paulsen,2017-01-03 The definitive modern primer on the US Constitution an eloquent testament to the Constitution as a covenant across generations National Review From freedom of speech to gun ownership religious liberty to abortion practically every aspect of American life is shaped by the Constitution Yet most of us know surprisingly little about the Constitution itself In *The Constitution* legal scholars Michael Stokes Paulsen and Luke Paulsen offer a lively introduction to the supreme law of the United States Beginning with

the Constitution's birth in 1787 Paulsen and Paulsen offer a grand tour of its provisions principles and interpretation introducing readers to the characters and controversies that have shaped the Constitution in the 200 plus years since its creation Along the way the authors correct popular misconceptions about the Constitution and offer powerful insights into its true meaning This lucid guide provides readers with the tools to think critically about constitutional issues a skill that is ever more essential to the continued flourishing of American democracy

**The Strange Case of Donald J. Trump** Dan P. McAdams, 2020 The Strange Case of Donald J Trump provides a coherent and nuanced psychological portrait of the 45th president of the United States Drawing on biographical events in Trump's life and on contemporary research and theory in personality social and developmental psychology the book explores the personality traits and psychological dynamics that have shaped Trump's life with an emphasis on the strangeness of the case how Trump again and again defies psychological expectations regarding what it means to be a human being The book's central thesis is that Donald Trump is the episodic man He lives in the moment outside of time without an internal story to connect the discrete scenes in his life As such Trump perceives himself to be more like a superhero or a primal force supernatural and timeless rather than a flesh and blood human being with an inner life a remembered past and an imagined future Trump's psychological status as the episodic man helps us understand both Trump's appeal in the minds of millions and his failings The book's interpretation of Trump sheds new light on Trump's charisma his deal making his volatile temperament his approach to personal relationships his narcissism and his emergence as a new kind of authoritarian leader in American history

The Top Books of the Year Northwestern University Student Newspaper The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. Northwestern University Student Newspaper : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Northwestern University Student Newspaper : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
