The Michigan Murders Edward Keyes,2016-04-19 Edgar Award Finalist The true story of a serial killer who terrorized a midwestern town in the era of free love by the coauthor of The French Connection In 1967 during the time of peace free love and hitchhiking nineteen year old Mary Terese Fleszar was last seen alive walking home to her apartment in Ypsilanti Michigan One month later her naked body stabbed over thirty times and missing both feet and a forearm was discovered partially buried on an abandoned farm A year later the body of twenty year old Joan Schell was found similarly violated Southeastern Michigan was terrorized by something it had never experienced before a serial killer Over the next two years five more bodies were uncovered around Ann Arbor and Ypsilanti Michigan All the victims were tortured and mutilated All were female students After multiple failed investigations a chance sighting finally led to a suspect On the surface John Norman Collins was an all American boy a fraternity member studying elementary education at Eastern Michigan University But Collins wasn't all that he seemed His female friends described him as aggressive and short tempered And in August 1970 Collins the Ypsilanti Ripper was arrested found guilty and sentenced to life in prison without chance of parole Written by the coauthor of The French Connection The Michigan Murders delivers a harrowing depiction of the savage murders that tormented a small midwestern town

The Ride of a Lifetime Robert Iger,2019-09-23 1 NEW YORK TIMES BESTSELLER A memoir of leadership and success The executive chairman of Disney Time's 2019 businessperson of the year shares the ideas and values he embraced during his fifteen years as CEO while reinventing one of the world's most beloved companies and inspiring the people who bring the magic to life NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR Robert Iger became CEO of The Walt Disney Company in 2005 during a difficult time Competition was more intense than ever and technology was changing faster than at any time in the company's history His vision came down to three clear ideas Recommit to the concept that quality matters embrace technology instead of fighting it and think bigger think global and turn Disney into a stronger brand in international markets Today Disney is the largest most admired media company in the world counting Pixar Marvel Lucasfilm and 21st Century Fox among its properties Its value is nearly five times what it was when Iger took over and he is recognized as one of the most innovative and successful CEOs of our era In The Ride of a Lifetime Robert Iger shares the lessons he learned while running Disney and leading its 220 000 plus employees and he explores the principles that are necessary for true leadership including Optimism Even in the face of difficulty an optimistic leader will find the path toward the best possible outcome and focus on that rather than give in to pessimism and blaming Courage Leaders have to be willing to take risks and place big bets Fear of failure destroys creativity Decisiveness All decisions no matter how difficult can be made on a timely basis Indecisiveness is both wasteful and destructive to morale Fairness Treat people decently with empathy and be accessible to them This book is about the relentless curiosity that has driven Iger for forty five years since the day he started as the lowliest studio grunt at ABC It's also about thoughtfulness and respect and a decency over dollars approach that has become the bedrock of every project and partnership Iger pursues from a deep friendship with Steve Jobs in his final years to an abiding love of the Star Wars mythology The ideas in this book strike me as universal Iger writes Not just to the aspiring CEOs of the world but to anyone wanting to feel less fearful more confidently themselves as they navigate their professional and even personal lives

The 4 Disciplines of Execution Chris McChesney, Sean Covey, Jim Huling, 2016-04-12 BUSINESS STRATEGY The 4 Disciplines of Execution offers the what but also how effective execution is achieved They share numerous examples of companies that have done just that not once but over and over again This is a book that every leader should read Clayton Christensen Professor Harvard Business School and author of *The Innovator's Dilemma* Do you remember the last major initiative you watched die in your organization Did it go down with a loud crash Or was it slowly and quietly suffocated by other competing priorities By the time it finally disappeared it's likely no one even noticed What happened The whirlwind of urgent activity required to keep things running day to day devoured all the time and energy you needed to invest in executing your strategy for tomorrow The 4 Disciplines of Execution can change all that forever

Who Not How Dan Sullivan, Dr. Benjamin Hardy, 2020-10-20 The world's foremost entrepreneurial coach shows you how to make a mindset shift that opens the door to explosive growth and limitless possibility in your business and your life Have you ever had a new idea or a goal that excites you but not enough time to execute it What about a goal you really want to accomplish but can't because instead of taking action you procrastinate Do you feel like the only way things are going to get done is if you do them But what if it wasn't that way What if you had a team of people around you that helped you accomplish your goals while you helped them accomplish theirs When we want something done we've been trained to ask ourselves How can I do this Well there is a better question to ask One that unlocks a whole new world of ease and accomplishment Expert coach Dan Sullivan knows the question we should ask instead Who can do this for me This may seem simple And it is But don't let the lack of complexity fool you By mastering this question you will quickly learn how billionaires and successful entrepreneurs like Dan build incredible businesses and personal freedom This book will teach you how to make this essential paradigm shift so you can Build a successful business effectively while not killing yourself Immediately free up 1 000 hours of work that you shouldn't be doing anyway Bypass the typical scarcity and decline of aging and other societal norms Increase your vision in all areas of life and build teams of WHOs to support you in that vision Never be limited in your goals and ambitions again Expand your abundance of wealth innovation relationships and joy Build a life where everything you do is your choice how you spend your time how much money you make the quality of your relationships and the type of work you do Making this shift involves retraining your brain to stop limiting your potential based on what you solely can do and instead focus on the nearly infinite and endless connections between yourself and other people as well as the limitless transformation possible through those connections
