The River of Silver May 13 2021 Bestselling author S. A. Chakraborty's acclaimed Daevabad Trilogy gets expanded with this new compilation of stories from before, during, and after the events of *The City of Brass*, *The Kingdom of Copper*, and *The Empire of Gold*, all from the perspective of characters both beloved and hated, and even those without a voice in the novels. *The River of Silver* gathers material both seen and new—including a special coda fans will need to read—making this the perfect complement to those incredible novels. Now together in one place, these stories of Daevabad enrich a world already teeming with magic and wonder. Explore this magical kingdom, hidden from human eyes. A place where djinn live and thrive, fight and love. A world where princes question their power, and powerful demons can help you...or destroy you. A prospective new queen joins a court whose lethal history may overwhelm her own political savvy... An imprisoned royal from a fallen dynasty and a young woman wrenched from her home cross paths in an enchanted garden... A pair of scouts stumble upon a secret in a cursed winter wood that will turn over their world... From Manizheh's first steps towards rebellion to adventures that take place after *The Empire of Gold*, this is a must-have collection for those who can't get enough of Nahri, Ali, and Dara and all that unfolded around them.

The Land of the Silver Apples Sep 28 2022 "Like the druidic life force Jack taps, this hearty adventure, as personal as it is epic, will cradle readers in the 'hollow of its hand' (Booklist, starred review). Jack has caused an earthquake. He was trying to save his sister Lucy from being thrown down a well, but sometimes the magic doesn't quite work out. Not only does Jack demolish a monastery, but Lucy is carried off by the Lady of the Lake, and Jack has to follow her through the Hollow Road, which lies underground. Aided by Pega, a slave, and the berserker Thorgil, Jack encounters hobgoblins, kelpies, yarthkins, and elves—not the enchanted sprites one would expect, but fallen angels who steal human children for pets. In the eighth century, the world is caught between belief in the Old Gods and Christianity, and what Jack and his companions do will decide the fate of both religions. From National Book Award winner Nancy Farmer, this second book in the *Sea of Trolls* trilogy brilliantly enlarges the world of the first story. Look for the conclusion in *The Islands of the Blessed*.

Outrageous Openness Aug 16 2021 "Whether we know it or not, we all experience the touch of the Divine in our lives every single day. After twenty-five years spent consulting and advising tens of thousands of people from all over the world, Tosha Silver realized that almost all of us have similar concerns: "How do I stop worrying? How can I feel safe? Why do I feel so alone?" and often, "Who am I really?" For the passionately spiritual and the bemusedly skeptical alike, she created *Outrageous Openness*. This delightful book, filled with wisdom and fresh perspectives, helps create a relaxed, trusting openness in the reader to discover answers to life's big questions as they spontaneously arise."--Amazon.com.

Silver Jan 13 2024 "Supernatural romance fan- This was a fast paced and well written book. I was on the edge of my seat and couldn't stop reading." Paranormal Romance Reader "Angsty teen werewolves? hell yeah! This book gives a new look into the werewolf genre, letting us get into the nitty gritty of werewolf politics, but keeping it YA with young characters and plenty of angst. The main character is strong and developed; the supporting characters are interesting and fun. I liked the setting just because of its seeming innocuousness. It was a fun ride." Daxthedamned-"SF fan"- Amazon Reviewer "I honestly am amazed this isn't absolutely EVERYWHERE! Amazing book. Could NOT put it down! After reading this book....I purchased the entire series." Josephine- Amazon reviewer "Silver is one of the best werewolf stories I had read. The main characters were likeable and the plot was very well done. It was a page turner for sure. I love werewolf stories. It is a good read for young and old. This one kept my interest going until the end. I had a hard time putting it down. Plus it turned out to be a great love story as well." Kathy Hallettsville- Amazon reviewer "What a fun and engaging read. I can't wait to read the rest of the series! Not your typical "youth" series. No high school angst, just real characters and a captivating story line."- ruralmom- Amazon reviewer "If you enjoy books with suspense, fighting, and romance you'll love this one." Kathryn Cooper- Book Blogger from Clean Teen Fiction "This is not your ordinary werewolf story and I am so glad that the next book is already out so I can jump right in and read it cause I am hooked on this series. Silver is a page turner that had me up past my bedtime because I did not want to put it down. . . This story was awesome, faced pace with lots of action and a sweet romance on the side. It does contain some violence that is tastefully written." Tifferz- Book Blogger "Cheree Alsop has written Silver for the YA reader who enjoys both werewolves and coming of age tales. Although I don't fall into this demographic, I still found it an entertaining read on a long plane trip! The author has put a great deal of thought into balancing a tale that could apply to any teen (death of a parent, new school, trying to find one's place in the world) with the added spice of a youngster dealing with being exceptionally different from those around him, and knowing that puts him in danger."- Robin Hobb "From the start of the book you are engulfed in sorrow, danger, adventure, and romance." Malcay- Amazon reviewer "More, I know it's wrong to start a review with just one word but that's the first word that comes to mind after I read the first novel in this series of books from Cheree Alsop." Emily Tuley- Book Blogger from AngelsCryHavoc "I recommend this book for anyone wanting to discover a great new author and

supernatural series." Karen- Amazon reviewer "All around this book was such an awesome read. If you enjoy books with suspense, fighting, and romance you'll love this one." Niala- Goodreads Reviewer "This new werewolf series is different from what you might be expecting. It has more heart and love, and feels more like what it would really be like to grow up as a werewolf. I would highly recommend it to anyone who likes to read urban fantasy or good young adult stories." Trisha Payne- Goodreads Reviewer Silver, book one of the Silver Series, is a coming of age story about a teenage werewolf whose father is murdered. He has to come to terms with his new life, new school, and new friends while trying to prevent more killings. Attempting to make peace with the territory's pack and finding out that the girl next door might be more than she lets on make his situation even more perilous.

The Silver Swan Oct 30 2022 "Men who inherit great wealth are respected, but women who do the same are ridiculed. In *The Silver Swan*, Sallie Bingham rescues Doris Duke from this gendered prison and shows us just how brave, rebellious, and creative this unique woman really was, and how her generosity benefits us to this day." —Gloria Steinem A bold portrait of Doris Duke, the defiant and notorious tobacco heiress who was perhaps the greatest modern woman philanthropist In *The Silver Swan*, Sallie Bingham chronicles one of the great underexplored lives of the twentieth century and the very archetype of the modern woman. "Don't touch that girl, she'll burn your fingers," FBI director J. Edgar Hoover once said about Doris Duke, the inheritor of James Buchanan Duke's billion-dollar tobacco fortune. During her lifetime, she would be blamed for scorching many, including her mother and various ex-lovers. She established her first foundation when she was twenty-one; cultivated friendships with the likes of Jackie Kennedy, Imelda Marcos, and Michael Jackson; flaunted interracial relationships; and adopted a thirty-two year-old woman she believed to be the reincarnation of her deceased daughter. This is also the story of the great houses she inhabited, including the classically proportioned limestone mansion on Fifth Avenue, the sprawling Duke Farms in New Jersey, the Gilded Age mansion Rough Point in Newport, Shangri La in Honolulu, and Falcon's Lair overlooking Beverly Hills. Even though Duke was the subject of constant scrutiny, little beyond the tabloid accounts of her behavior has been publicly known. In 2012, when eight hundred linear feet of her personal papers were made available, Sallie Bingham set out to probe her identity. She found an alluring woman whose life was forged in the Jazz Age, who was not only an early war correspondent but also an environmentalist, a surfer, a collector of Islamic art, a savvy businesswoman who tripled her father's fortune, and a major philanthropist with wide-ranging passions from dance to historic preservation to human rights. In *The Silver Swan*, Bingham is especially interested in dissecting the stereotypes that have defined Duke's story while also confronting the disturbing questions that cleave to her legacy.

Princess of the Silver Woods Dec 12 2023 When Petunia, youngest of the dancing princesses, is ambushed by bandits in wolf masks on her way to visit an elderly neighbor, the line between enemies and friends becomes blurred as she and her sisters get a chance to end their family's curse once and for all.

Silver Boxes Apr 11 2021 Florence Littauer tells us how to recognize and relate to people who are hurt and need help, offering a workable formula for exercising the gift of encouragement.

Otto of the Silver Hand Jun 13 2021 Born into a robber baron's household in medieval Germany, young Otto is caught in the middle of a violent blood feud. Nevertheless, the lad grows up to be a gentle and loving person. 55 illustrations.

Compendium of Terminology and Nomenclature of Properties in Clinical Laboratory Sciences Jun 06 2023 There has been significant expansion and development in clinical laboratory sciences and, in particular, metrological concepts, definitions and terms since the previous edition of this book was published in 1995. It is of prime importance to standardize laboratory reports for reliable exchange of patient examination data without loss of meaning or accuracy. New disciplines have appeared and the interrelationships between different disciplines within clinical laboratory sciences demand a common structure and language for data exchange, in the laboratory and with the clinicians, necessitating additional coverage in this book. These new sections will be based upon recommendations published by various national, regional, and international bodies especially IUPAC and IFCC. This book groups and updates the recommendations and will be appropriate for laboratory scientists, medical professionals and students in this area.

The World's Great Silver Book Jul 15 2021 This is the story of how the Spaniard mines Silver ore in the mountains and the price to pay for it. In the 16th century, the treasure within the Red Mountain's bowels swept Europeans into a state of frenzied excitement as galleon-loads of silver were shipped across the Atlantic to finance the religiously motivated wars in Europe. The mountain's redness symbolized the bloodshed by untold numbers of Indians coerced into laboring within its shafts, handling the treacherously noxious mercury without which little of the silver would have emerged from its vast treasure house. Today Potosi's habitats are amongst Bolivia's poorest. It's a story that continues to have relevance to our contemporary world, leading to shameful inequality, corruption, wanton disregard of the environment, and raises questions about the true nature of money we continue to wrestle with today.

The Silver Branch Jan 21 2022 Rosemary Sutcliff's Carnegie Medal-winning Roman Britain Trilogy continues more than a century after the events of *The Eagle of the Ninth* (*The Eagle*) in *The Silver Branch* as two cousins join the Roman side in the fight against a tyrannical British emperor. Violence and unrest are sweeping through Roman Britain. Justin and Flavius find themselves caught up in the middle of it all when they discover a plot to overthrow the Emperor. In fear for their lives, they gather together a tattered band of men and lead them into the thick of battle, to defend the honor of Rome. But will they be in time to save the Emperor...

The Story of Silver May 17 2024 "This is the story of silver's transformation from soft money during the nineteenth century to hard asset today, and how manipulations of the white metal by American president Franklin D. Roosevelt during the 1930s and by the richest man in the world, Texas oil baron Nelson Bunker Hunt, during the 1970s altered the course of American and world history. FDR pumped up the price of silver to help jump start the U.S. economy during the Great Depression, but this move weakened China, which was then on the silver standard, and facilitated Japan's rise to power before World War II. Bunker Hunt went on a silver-buying spree during the 1970s to protect himself against inflation and triggered a financial crisis that left him bankrupt. Silver has been the preferred shelter against government defaults, political instability, and inflation for most people in the world because it is cheaper than gold. The white metal has been the place to hide when conventional investments sour, but it has also seduced sophisticated investors throughout the ages like a siren. This book explains how powerful figures, up to and including Warren Buffett, have come under silver's thrall, and how its history guides economic and political decisions in the twenty-first century"--Publisher's description

Of Silver and Shadow May 05 2023 Ren Kolins, a magic wielder in hiding, strikes a deal with a broody rebel plotting to overthrow the tyrant king, while king's guard member Adley Farre is hunting down the rebels one by one. But time is running out for all of them.

Knight of the Silver Circle Jan 01 2023 Dragons have returned after a thousand years, but greater dangers lurk in the shadows... As the lines between enemy and ally blur, Guillot dal Villerauvais is drawn farther into the life and service he had left far behind. Solène attempts to come to terms with the great magical talent she fears is as much a curse as a blessing, while the Prince Bishop's quest for power twists and turns, and takes on a life of its own. With dragons to slay, and an enemy whose grip on the kingdom grows ever tighter, Gill and his comrades must fight to remain true to themselves, while standing at the precipice of a kingdom in peril.

"Betrayals, ritual magic, an enchanted relic, and lost histories. A charming narrative... entertaining. Recommended for fans of dragons and medieval settings."—Library Journal on Dragonslayer "Successfully mixes swords, sorcery, and skullduggery with complex characters. Dumas fans will especially appreciate the faux-French setting. This is pure adventure fun with plenty for epic fantasy readers to enjoy."—Publishers Weekly on Dragonslayer The Dragonslayer Trilogy: 1. Dragonslayer 2. Knight of the Silver Circle 3. Servant of the Crown At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Silver Arrow Mar 11 2021 'There's nothing so rare as a fantasy that elicits genuine wonder and that uses marvellous things to enrich a child's appreciation of ordinary ones. Lev Grossman's novel The Silver Arrow is something special.' WALL STREET JOURNAL _____ Discover the magical, timeless children's adventure from Lev Grossman, author of The Magicians. Now a New York Times bestseller! When Kate is given a colossal steam train, the Silver Arrow, for her birthday, she can't believe her luck. After eleven years of waiting, adventure has finally found her! Soon the Silver Arrow is whisking Kate and her brother Tom to a magical station where their passengers stand ready to board. From the porcupine to the pangolin, each one is rare and wonderful. But these animals have been waiting a very long time too. Can Kate deliver them home ... before it's too late? _____ Lev Grossman's first children's book is a journey you'll never forget: a rip-roaring adventure from desert plains to snow-covered mountains and everything in between. Packed with exciting creatures from the indignant porcupine to the lost polar bear and the adorable baby pangolin, The Silver Arrow is a classic story about saving our endangered animals and the places they live.

When the Sea Turned to Silver Mar 15 2024 A New York Times Bestseller A National Book Award Finalist An IndieBound Bestseller This breathtaking, full-color illustrated fantasy is inspired by Chinese folklore, and is a companion to the Newbery Honor winner *Where the Mountain Meets the Moon*. Pinmei's gentle, loving grandmother always has the most thrilling tales for her granddaughter and the other villagers. However, the peace is shattered one night when soldiers of the Emperor arrive and kidnap the storyteller. Everyone knows that the Emperor wants something called the Luminous Stone That Lights the Night. Determined to have her grandmother returned, Pinmei embarks on a journey to find the Luminous Stone alongside her friend Yishan, a mysterious boy who seems to have his own secrets to hide. Together, the two must face obstacles usually found only in legends to find the Luminous Stone and save Pinmei's grandmother--before it's too late. A fast-paced adventure that is extraordinarily written and beautifully illustrated, *When the Sea Turned to Silver* is a masterpiece companion novel to *Where the Mountain Meets the Moon* and *Starry River of the Sky*.

Silver in America Nov 30 2022 This volume explores the history and development of the American silver industry. It chronicles the work of firms such as Tiffany, Gorham, Meridan Britannia, and Reed and Barton, along with that of makers such as Whiting, Wendt, Wood and Hughs, Scheibler, and Gale.

Dream On Mar 03 2023 Love, secrets, and new dream world threats follow Liv Silver in the sequel to *Dream A Little Dream*. Things seem to be going well for Liv Silver: she's adjusting to her new home (and her new family) in London; she has a burgeoning romance with Henry Harper, one of the cutest boys in school; and the girl who's been turning her dreams into nightmares, Anabel, is now locked up. But serenity doesn't last for long. It seems that Liv's troubles are far from over—in fact, suddenly they're piling up. School gossip blogger Secrecy knows all of Liv's most intimate secrets, Henry might be hiding something from her, and at night Liv senses a dark presence following her through the corridors of the dream world. Does someone have a score to settle with Liv? Romance, adventure, and danger abound in *Dream On*, the second book in the Silver trilogy, another winning, magical fantasy series from Kerstin Gier, the author of the bestselling Ruby Red trilogy. Just *Dreaming*, the conclusion to the Silver trilogy, is soon to follow.

Secrets of the Silver Lion Sep 09 2023 From the bustling streets of New York City to the cobblestones of Seville and the silver mines high in the Andes Mountains of Bolivia, Carmen is off on another quest to stop VILE in this heart-pounding caper full of twists and turns! For centuries, the magnificent Throne of Felipe has stood with two empty spaces beside its famous silver arrow--spaces where the silver castle and lion should have been. And now, with the recent discovery of the silver castle within a secret vault in Seville, Spain, the hunt is on for the third silver icon. With all three pieces in the place, the throne will be enormously valuable--making it a hot item on VILE's radar. Now it's up to Carmen and crew to find the silver lion before VILE does, and protect the throne from winding up in the wrong hands.

The Silver Stone Nov 18 2021 Expert swordsman Ian Silverstein crosses from Hardwood, North Dakota, into a magical realm to serve as peacemaker and to save the life of the ailing god Odin, in the second book in the fantasy-adventure series, which began with *The Fire Duke*. Original.

City of Silver Nov 11 2023 In Potosí, the richest city in the Western Hemisphere, Inez de la Morada, the bewitching, cherished daughter of the rich and powerful Mayor, mysteriously dies at the convent of Santa Isabella de los Santos Milagros, where she had fled in defiance of her father. It looks as though the girl committed suicide, but Mother Abbess Maria Santa Hilda believes her innocent and has her buried at the convent in sacred ground. Fray Ubaldo DaTriesta, local Commissioner of the Inquisition, has been keeping an eye on the Abbess, who is too "Protestant" for his tastes, and this action may be just what he needs to convince the lazy, cowardly Bishop to punish her. At the same time, Potosí finds its prosperity threatened. The King of Spain has discovered that the coins the city has been circulating throughout the world are not pure silver and is sending his top prosecutor and the Grand Inquisitor to mete out punishment. With the imminent arrival of the Spanish officials, many have reason to prove their loyalty, and keep hidden the crimes and sins they've committed. With her life at stake, Maria Santa Hilda finds herself in a race against time to prove the true cause of Inez's death, aided by her fellow sisters, a Jesuit priest with a dark secret from his past, and a tomboyish girl who's run to the convent

to avoid an unwanted marriage. Together they will discover that Inez was not the girl she seemed, and that greed has no limits. Annamaria Alfieri writes with astounding detail, showing an appreciation for the complexities and social nuances of this intriguing time in Latin American history when politicians, religious leaders, and an indigenous people all competed for power and survival in the thin mountain air of the Andes.

The Silver Canvas Sep 16 2021 By the middle of the nineteenth century, the most common method of photography was the daguerreotype—Louis Jacques Mandé Daguerre's miraculous invention that captured in a camera visual images on a highly polished silver surface through exposure to light. In this book are presented nearly eighty masterpieces—many never previously published—from the J. Paul Getty Museum's extensive daguerreotype collection.

30 Pieces of Silver Dec 20 2021 The Eiffel Tower is attacked... by a Christian suicide bomber. Within the twisted wreckage a cache of bones is found. Bones that are inscribed with ancient Greek, letters that identify the remains as those of John the Baptist--along with a promise to guide the seeker to the tomb of the Savior himself. Tasked with untangling this millennia-old mystery, Dr. Rebecca Monroe, a paleoarchaeologist, and Special Forces sergeant Vincent Brandt are hounded across three continents as they attempt to piece together the bones' clues. But their quest will not be an easy one. Born at the foot of the Cross, a secret society known only as the Knot has guarded the Savior's bones, and its members will do anything—even commit genocide--to protect the dark and controversial truth of Christ's final days.

Buy Gold and Silver Safely Feb 14 2024 We Americans are never taught anything about gold and silver through our education system. That's why many gold dealers are able to easily rip off unsuspecting buyers of gold and silver. Financial advisors and journalists aren't giving you the truth either, as to how gold and silver fit into a properly diversified portfolio. So naturally, people are looking for answers. "Buy Gold and Silver Safely" provides those answers by explaining why gold and silver need to be a part of everyone's portfolio, and helping people learn about buying or selling gold and silver... the safe way.

Silver Apr 04 2023 Meet Jack Sparrow and his young pirate friends as they embark on a thrilling journey on the high seas. Their goal: to locate and procure the legendary Sword of Cortés, which will grant them unimaginable power. When Tumen and Jean overhear talk of hidden silver, Jack decides that they must seek it out. It might not be gold, but it sure beats bronze. But the Silver they find is not the silver they were expecting. They've gotten themselves in trouble again, this time with a brutal pirate named Long John. Spotlight is a division of ABDO and features licensed editions of popular fiction printed and bound specifically for the library market. Each Spotlight book is printed on the highest quality paper with reinforced library bindings.

The silver question and the gold question Feb 07 2021

The Silver Six May 25 2022 "When a group of orphans discover they have a common connection, plucky heroine Phoebe leads them in a daring escape from their orphanage to an uninhabited moon. But their idyllic paradise is shattered when the powerful corporate boss who caused the deaths of their parents sends a relentless henchman to track them down. Now, with nowhere left to turn and tired of being on the run, these resourceful kids decide there's only one thing left to do: Fight back!"--Publisher's web site.

Mystery of the Silver Coins Aug 08 2023 In this second installment of the Viking Quest series, Bree finds herself in a physical and spiritual battle for survival. With another young slave, she makes a daring escape from the ship as soon as it reaches harbor. They hide in the woods as Mikkel and his Viking sailors begin a relentless search, certain that Bree is responsible for a missing bag of silver coins. Bree must face her unwillingness to forgive the Vikings, and Mikkel begins to wonder: Is the God of these Irish Christians really more powerful than our own Viking gods?

The Silver of the Sierra Madre Jun 25 2022 In the great barranca known today as Copper Canyon, the small mining town of Batopilas once experienced a silver bonanza among the largest ever known. American investors, believing that Mexico offered an unexploited cornucopia, began purchasing mines in the Sierra Madre, seeking to expand their hold on natural resources outside U.S. borders. From 1861 until the Revolution of 1910, the men of the Batopilas Mining Company ruled the region using their wealth, armed might, and extensive connections. The technology, industrialism, and politics their interests brought to this remote community tied the Tarahumara, Yaqui, Mayo, and other peoples of the barrancas directly to the economies of the United States and China. Local society was revolutionized, and a dramatic tapestry of human interactions was created. Based on many volumes of mining company records, *The Silver of the Sierra Madre* exposes the mentality and methods of mine owners John Robinson and Alexander ÒBossÓ Shepherd, vividly detailing their exploitation of the people and the natural resources of Chihuahua. Hart aptly demonstrates the human and financial losses resulting from President Porfirio D'az's development programs, which relied on foreign investors, foreign managers, and foreign technology. This unprecedented work also provides a highly interesting ethnographic and social description of one of the least-known areas of Mexico. It is a tale of power and desperation, respect and arrogance, adventure and tragedy, and, ultimately, triumph and survival.

China and the End of Global Silver, 1873–1937 Jul 07 2023 In the late nineteenth century, as much of the world adopted some variant of the gold standard, China remained the most populous country still using silver. Yet China had no unified national currency; there was not one monetary standard but many. Silver coins circulated alongside chunks of silver and every transaction became an "encounter of wits." *China and the End of Global Silver, 1873–1937* focuses on how officials, policy makers, bankers, merchants, academics, and journalists in China and around the world answered a simple question: how should China change its monetary system? Far from a narrow, technical issue, Chinese monetary reform is a dramatic story full of political revolutions, economic depressions, chance, and contingency. As different governments in China attempted to create a unified monetary standard in the late nineteenth and early twentieth century, the United States, England, and Japan tried to shape the direction of Chinese monetary reform for their own benefit. Austin Dean argues convincingly that the Silver Era in world history ended owing to the interaction of imperial competition in East Asia and the state-building projects of different governments in China. When the Nationalist government of China went off the silver standard in 1935, it marked a key moment not just in Chinese history but in world history.

Silver Feb 02 2023 Two thousand years ago, thirty silver Tyrian shekels were paid to secure the most infamous betrayal of all time. Later, the grandsons of Judas Iscariot, Menahem and Eleazar ben Jair, melted and reformed the silver shekels as a dagger which was lost... until now. A religious cult calling itself the Disciples of Judas has arisen in the Middle East. Followers in thirteen European cities martyr themselves in the name of Judas Iscariot and promise forty days and forty nights of terror. Sir Charles Wyndham pulls together a team of combat specialists, codename Ogmios, to fight the terrorists and protect the Pope, whom they believe the terrorists

intend to assassinate.

The Silver Way Jul 27 2022 "Whether you're a professional artist interested in improving your drawing skills, or an aspiring designer fresh out of college looking to add to your portfolio, The Silver Way will help you build your confidence and strengthen your work in order to successfully design characters for any project, in any style. Chock-full of fun drawing techniques and easy-to-follow tutorials, The Silver Way is the kind of educational art book you'll revisit again and again for guidance, encouragement, and inspiration."--

The Fallacy of the Silver Age in Twentieth-century Russian Literature Feb 19 2022 First Published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

The Book of Old Silver: English, American, Foreign Jun 18 2024

Empire of Silver Oct 10 2023 A thousand-year history of how China's obsession with silver influenced the country's financial well-being, global standing, and political stability This revelatory account of the ways silver shaped Chinese history shows how an obsession with "white metal" held China back from financial modernization. First used as currency during the Song dynasty in around 900 CE, silver gradually became central to China's economic framework and was officially monetized in the middle of the Ming dynasty during the sixteenth century. However, due to the early adoption of paper money in China, silver was not formed into coins but became a cumbersome "weighing currency," for which ingots had to be constantly examined for weight and purity—an unwieldy practice that lasted for centuries. While China's interest in silver spurred new avenues of trade and helped increase the country's global economic footprint, Jin Xu argues that, in the long run, silver played a key role in the struggles and entanglements that led to the decline of the Chinese empire.

Ruff's Little Book of Big Fortunes in Gold and Silver Apr 23 2022 Ignoring gold and silver this year will cost you more than all the dumb financial decisions you can make put together. Ruff's Little Book of Big Fortunes in Gold and Silver is not written for Wall Street, but for Main Street. It is a detailed guide to a once-in-a-lifetime chance for middle-class Americans to get rich investing in one of history's greatest bull markets. Ruff makes a usually arcane subject easy to understand, and even humorous. This bull market will dwarf even the 500% to 1700% profits his readers made in the metals in the 70s, and as usual, Ruff is out in front. As Yogi Berra said, It's d
