Concisely written and covering a broad range of topics, this is the most current book of its kind! Reviews: \* "Concise

overview of Internet-related legal issues." (Law Library Journal) \* "Although it deals with the complex legal issues surrounding the Internet, it is written in layman's terms and illustrated with 'ripped from the headlines' court cases." (Amazon) \* "The concepts and issues are presented in a way that is sufficiently rigorous but very easy to read, making the book one I can recommend." (Computing Reviews) \* "A valuable resource, well-researched and well presented." \* "I want a copy on my bookshelf always within arm's reach." \* "The anecdotal nature made it easy to understand the underlying legal concepts." \* "It is imperative that schools adopt this book in a way which would help young students gain knowledge about the various issues involving the Internet." (Indian Journal of Intellectual Property Law) \* "Issues in Internet Law: Society, Technology, and the Law will be a welcome addition in both academic and public law libraries... It should be acquired by libraries for its concise overview of Internet-related legal issues." (Law Library Journal)

Law and Society May 01 2024 This text introduces students to the study of law from a sociological perspective by focusing on four themes: the relationship between law and society; law in everyday life; the role of race, class and gender in the legal system; and current political debates that are connected to law. While explaining the essentials elements of law, and drawing on scholarly literature and relevant cases, the author does not advocate for normative views on law and the legal system. The text compares laws across various societies, discusses international law, and demonstrates how the laws of certain countries affect those of others--providing readers with insights into the nature of law within any society.

Kraus' Recreation and Leisure in Modern Society Jul 23 2023 With a new full-color design with perforated worksheets, the Tenth Edition of Kraus' Recreation and Leisure in Modern Society provides a detailed introduction to the history, developments, and current trends in leisure studies. It addresses contemporary issues facing the recreation and leisure profession and focuses on challenges and opportunities that impact the profession now as well as years from now. Extensive research into emerging trends helps support the text and provide insights into the future. Focusing on the ten different types of organizations --ranging from nonprofit community organizations and armed forces recreation to sports management and travel and tourism sponsors -- this classic text text is an invaluable resource for students considering a career in the recreation and leisure industry. New to the Tenth Edition: - Discusses how specific trends, such as dramatic shifts in population make-up, the impact of technology, and marketing affect leisure-service systems and the recreation and park professions. - Focus on the role of parks and recreation on the health and wellness of our communities as well as means to combat the obesity epidemic in North America. - Includes new case studies which allow students to apply knowledge of technology in leisure, identify the value and benefits of play, and recognize the changing family structures of our modern society.

Communicating in Groups: Applications and Skills Jun 29 2021 Communicating in Groups offers a concise, step-by-step introduction to the theory and practice of small group communication and teaches students to develop and apply critical thinking skills in group problem-solving situations. The book continues to synthesize current small group theory and research while presenting the material in a practical and accessible manner for students interested in the dynamics of small group communication. The eighth edition marks the first time two central chapters on communication are integrated into one chapter, capturing key principles of both verbal and non-verbal small group behavior within a new definition of communication. With the firm belief that group participation can be an uplifting, energizing experience, authors Kathy Adams and Gloria Galanes give students the tools they will need to achieve this outcome. Research and theory are presented with a focus on what is important to students—understanding their group experiences and making them effective communicators.

A History of World Societies, Combined Volume Jan 29 2024 A History of World Societies introduces students to the global past through social history and the stories and voices of the people who lived it. The book's regional and comparative approach helps students understand the connections of global history while providing a manageable organization. With global connections and comparisons, documents, features and activities that teach historical analysis.

School and Community Relations Oct 14 2022 For prospective and current educational administrators learning about school and community relations. A well-researched text that presents school officials with information on how to establish effective relationships in the school community. This best-selling text provides school officials with a practice guide to successfully implementing effective communication with their staff and the community - while also providing readers with the research that explains how each strategy will improve school quality, community participation, and student learning. The School and Community Relations is organized in such a way that students learn how to establish a working community relations program in an easy-to-understand and step-by-step fashion. In addition, the text's authors are comprised of experienced practitioners and educators that have gained their knowledge and tested their strategies in school systems around the country.

A History of World Societies, Value Edition, Volume 1 Apr 19 2023 The lively and accessible narrative and the hallmark focus on social and cultural history that has made A History of World Societies one of the most successful textbooks for the world history course is now available in a lower price format. The two-color Value Edition includes the full narrative, the popular "Individuals in Society" feature, and select images and maps.

Sociology Dec 04 2021

Marketing Research Aug 31 2021 Marketers now have the opportunity to invest in more data research and take advantage of social networking. The new 12th edition of "Marketing Research" shows marketers how to utilize these techniques to compliment traditional methods. The book focuses on international market research and incorporates new case studies to present the latest information in the field. Marketers will also be able to access the books Web site for a list of readings, links to other key sites, sample datasets for analysis, and practice questions after each chapter.

American Cinematographer Manual Aug 12 2022 This newly revised edition of the "American Cinematographer Film Manual" continues to be the standard, providing fully updated, comprehensive coverage of cinematography from production to post. (Performing Arts)

ICT and Society Mar 26 2021 This book constitutes the refereed proceedings of the 11th IFIP TC 9 International Conference on Human Choice and Computers, HCC11 2014, held in Turku, Finland, in July/August 2014. The 29 revised full papers presented were carefully reviewed and selected from numerous submissions. The papers are based on both academic research and the professional experience of information technologists working in the field. They have been organized in the following topical sections: society, social responsibility, ethics and ICT; the history of computing and its meaning for the future; peace, war, cyber-security and ICT; and health, care, well-being and ICT.

Law and Society Sep 24 2023 In the 11th edition of Law and Society, Steven E. Barkan preserves Dr. Vago's voice while making this classic text more accessible for today's students. Each chapter now includes an outline, learning objectives, key terms, and chapter summaries. A new epilogue chapter examines law and inequality in the United States as it moves into the third decade of this century. The 11th edition reflects new developments in law and society literature as well as recent real-life events with legal relevance for the United States and other nations. Law and Society is for one-semester undergraduate courses in Law and Society, Sociology of Law, Introduction to Law, and a variety of criminal justice courses offered in departments of Sociology, Criminal Justice, and Political Science.

Multicultural Education in a Pluralistic Society Jul 11 2022 For courses in Multicultural / Multiethnic Education This package includes the Enhanced Pearson eText and loose-leaf version. An up-to-date, balanced examination of the issues of race, diversity, and equity in society, how they are reflected in schools, and their impact on students. This widely popular book provides an up-to-date, unbiased look at today's many different cultural groups and the importance of building on the cultures and experiences of students to help them achieve optimal learning. It explores the most current issues related to race, diversity, and equity in society and shows how those issues are reflected in schools and how they impact students. Future teachers get a sound foundation for understanding diversity and using this knowledge effectively in classrooms and schools to help students learn. The authors approach multicultural education using a broad perspective, using culture as the basis for understanding

multicultural education, and emphasize the importance of an equitable education for all students. The new edition helps readers learn to routinely use self-reflection to become more effective teachers in classrooms that provide equity for all students; covers up-to-date new issues in the chapter features; updates all chapters to reflect recent events and research that have impacted the topics addressed in the book, and updates all tables, figures, and references to reflect the latest data and thinking. Invigorate learning with the Enhanced Pearson eText The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content with embedded videos and assessments. The Enhanced Pearson eText is also available without a print version of the textbook. Instructors, visit [pearsonhighered.com/etextbooks/ted](http://pearsonhighered.com/etextbooks/ted) to register for your digital examination copy. Students, register for or purchase your eText at [pearsonhighered.com/etextbooks/ted](http://pearsonhighered.com/etextbooks/ted).

Society Aug 24 2023 ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Seeing Sociology in your Everyday Life With a complete theoretical framework and a global perspective, *Society: The Basics*, 13/e offers students an accessible and relevant introduction to sociology. For instructors who want the easiest and most affordable way to ensure students come to class prepared, Achieve Read & Practice pairs LearningCurve adaptive quizzing and our mobile, accessible Value Edition e-book, in one easy-to-use product.

*The McDonaldization of Society* Dec 16 2022 The author is a proud sponsor of the 2020 SAGE Keith Roberts Teaching Innovations Award—enabling graduate students and early career faculty to attend the annual ASA pre-conference teaching and learning workshop. The book that made "McDonaldization" part of the lexicon of contemporary sociological theory, read by hundreds of thousands of students, is now in its Ninth Edition! George Ritzer's seminal work of critical sociology, *The McDonaldization of Society*, continues to stand as one of the pillars of modern day sociological thought. Building on the argument that the fast food restaurant has become the model for the rationalization process today, this book links theory to contemporary life in a globalized world and resonates with students in a way that few other books do. Ritzer opens students' eyes to many current issues and shows how McDonaldization's principles apply to other settings, especially in the areas of consumption and globalization. This new edition has been significantly reoriented to reflect our experience of McDonaldization in the world of online consumption. New to this Edition Examines how retailers like Amazon represent a new era of "datafication," the transformation of vast amounts of information into quantifiable data. Discusses how the digital world has almost unlimited potential to turn consumers into "prosumers" doing volunteer work formerly done by paid employees. This edition is more streamlined than previous editions to sharpen its argument and message, and make it more useable as a secondary reading in a wide range of courses

*Sociology* Oct 02 2021 This text and reader presents the fundamental concepts and principles of sociology in a highly readable, concise way. It illustrates these core concepts and principles through thought-provoking readings drawn from a variety of classic and contemporary sources.

*Law, Business and Society* Oct 26 2023

*Human Sexuality: Diversity in Contemporary America* May 21 2023 Celebrating sexual diversity in contemporary America. *Human Sexuality: Diversity in Contemporary America* takes a sex-positive approach, encouraging students to become proactive about their own sexual wellbeing. Presented in an integrated, digital learning program, Yarber & Sayad's contemporary research and exploration of cultural diversity provide a personalized learning experience for today's students. The new edition of SmartBook, a personalized learning program offering students the insight they need to study smarter and improve classroom results.

*Death, Society and Human Experience (1-download)* Jun 02 2024 Providing an understanding of the relationship with death, both as an individual and as a member of society. This book is intended to contribute to your understanding of your relationship with death, both as an individual and as a member of society. Kastenbaum shows how individual and societal attitudes influence both how and when we die and how we live and deal with the knowledge of death and loss. Robert Kastenbaum is a renowned scholar who developed one of the world's first death education courses and introduced the first text for this market. This landmark text draws on contributions from the social and behavioral sciences as well as the humanities, such as history, religion, philosophy, literature, and the arts, to provide thorough coverage of understanding death and the dying process. Learning Goals Upon completing this book, readers should be able to: -Understand the relationship with death, both as an individual and as a

member of society -See how social forces and events affect the length of our lives, how we grieve, and how we die -Learn how dying people are perceived and treated in our society and what can be done to provide the best possible care -Master an understanding of continuing developments and challenges to hospice (palliative care). -Understand what is becoming of faith and doubt about an afterlife

Creating a Learning Society Jun 09 2022 "A superb new understanding of the dynamic economy as a learning society, one that goes well beyond the usual treatment of education, training, and R&D."—Robert Kuttner, author of *The Stakes: 2020 and the Survival of American Democracy* Since its publication *Creating a Learning Society* has served as an effective tool for those who advocate government policies to advance science and technology. It shows persuasively how enormous increases in our standard of living have been the result of learning how to learn, and it explains how advanced and developing countries alike can model a new learning economy on this example. *Creating a Learning Society: Reader's Edition* uses accessible language to focus on the work's central message and policy prescriptions. As the book makes clear, creating a learning society requires good governmental policy in trade, industry, intellectual property, and other important areas. The text's central thesis—that every policy affects learning—is critical for governments unaware of the innovative ways they can propel their economies forward. "Profound and dazzling. In their new book, Joseph E. Stiglitz and Bruce C. Greenwald study the human wish to learn and our ability to learn and so uncover the processes that relate the institutions we devise and the accompanying processes that drive the production, dissemination, and use of knowledge . . . This is social science at its best."—Partha Dasgupta, University of Cambridge "An impressive tour de force, from the theory of the firm all the way to long-term development, guided by the focus on knowledge and learning . . . This is an ambitious book with far-reaching policy implications."—Giovanni Dosi, director, Institute of Economics, Scuola Superiore Sant'Anna "[A] sweeping work of macroeconomic theory."—*Harvard Business Review Society* Nov 26 2023 *Seeing Sociology in Everyday Life* *Society: The Basics* is designed to help students view their everyday lives through a sociological lens. With a strong theoretical framework and a global perspective, *Society* offers students an accessible and relevant introduction to sociology. In *Society: The Basics*, Eleventh Edition, John J. Macionis shares his enthusiasm and teaching experience with a clear and engaging approach. For instructors who want to create an integrated multimedia experience in-and-out of the classroom, MySocLab can be packaged with the text for no additional cost. With a new emphasis on active learning with MySocLab activities integrated in each chapter, the new Eleventh Edition now features opportunities to put sociology in action with Social Explorer (census data) activities, video exercises and MySocLibrary primary source readings.

*Drugs & Society* Jul 03 2024 5 Stars! from Doody's Book Reviews! (of the 13th Edition) "This edition continues to raise the bar for books on drug use and abuse. The presentation of the material is straightforward and comprehensive, but not off putting or complicated." As a long-standing, reliable resource *Drugs & Society*, Fourteenth Edition continues to captivate and inform students by taking a multidisciplinary approach to the impact of drug use and abuse on the lives of average individuals. The authors have integrated their expertise in the fields of drug abuse, pharmacology, and sociology with their extensive experiences in research, treatment, drug policy making, and drug policy implementation to create an edition that speaks directly to students on the medical, emotional, and social damage drug use can cause.

*Drugs and Society* Mar 31 2024 The Tenth Edition of *Drugs and Society* clearly illustrates the impact of drug use and abuse on the lives of ordinary people and provides students with a realistic perspective of drug-related problems in our society. Written in an objective and user-friendly manner, this best-selling text continues to captivate students by incorporating personal drug use and abuse experiences and perspectives throughout. Statistics and chapter content have been revised to include the latest information on current topics.

*Society* Nov 02 2021 One of the best-selling sociology textbooks of all time, *Society: The Basics* is designed to help students view their everyday lives through a sociological lens. With a complete theoretical framework and a global perspective, *Society* offers students an accessible and relevant

introduction to sociology. In *Society: The Basics*, Eleventh Edition, John J. Macionis shares his enthusiasm and teaching experience with a clear and engaging approach. This package contains the a la carte version of *Society: The Basics* and MySocLab. [Theories of Human Communication](#) Jan 05 2022 For over forty years, *Theories of Human Communication* has facilitated the understanding of the theories that define the discipline of communication. The authors present a comprehensive summary of major communication theories, current research, extensions, and applications in a thoughtfully organized and engaging style. Part I of the extensively updated twelfth edition sets the stage for how to think about and study communication. The first chapter establishes the foundations of communication theory. The next chapter reviews four frameworks for organizing the theories and their contributions to the nature of inquiry. Part II covers theories centered around the communicator, message, medium, and communication with the nonhuman. Part III addresses theories related to communication contexts—relationship, group, organization, health, culture, and society. “From the Source” contributions from theorists provide insight into the inspirations, motivations, and goals behind the theories. Online instructor’s resource materials include sample syllabi, key terms, exam questions, and text graphics. The theories include those important for their continuing influence in the field as well as emerging theories that encourage thinking about issues in new ways. For a reasonable price, readers are able to explore the patterns, trends, trajectories, and intricacies of the landscape of communication theory and will have an invaluable resource for future reference.
