Taylor Swift is a young and influential pop star with the world at her fingertips. Fans of Swift can satisfy their curiosity about this intriguing leading woman by reading about her early life, her rise to fame, and the inspiration behind her record-breaking albums.

Students will learn about her philanthropic work as well as her artistry. Welcome to the town of Maximum Strength Parenting, a happy little place where you'll have a lot to do, a lot to think about, and a lot of fun! Maximum Strength Parenting is the art of using all of your gifts and knowledge in the most important and influential job you will ever have, parenting. A Maximum Strength Parent helps foster the growth of a Maximum Strength Child, which is a child who enjoys the process of striving to his or her potential and acts with courage, consistency, responsibility, power, authority, flexibility, sound judgment, and humanity in his or her emotional, intellectual, spiritual, moral, and physical interactions with the world. Maximum Strength Parenting is the greatest gift you can give your child. In Maximum Strength Parenting we express our Freedom of Speech and our Freedom to Teach, but we stop well-short of the Freedom to Preach that is evident in so many parent-advice books of the day. Throughout Maximum Strength Parenting you will find rich information, balanced commentary, and consideration of nuanced points that will cause you to think more deeply about your positions (or perhaps re-think your positions) on countless topics of philosophical and practical importance in parenting. We also provide broad ranges of effective parenting strategies for you to choose from. Throughout these pages we have provided hundreds of little bits of insight, encouragement, strategy, inspiration, and solution options. From our hearts to yours, we hope you will find the ideas and strategies in Maximum Strength Parenting to be worthy companions on your lifelong journey of raising a Maximum Strength Child. Andrew Vaughan, Ph.D. Lauren Resnick, M.S., CCC, SLP, & Anne Long, M.S., Ed. Garth Brooks is not just the most successful male country-recording artist ever; he's one of the world's bestselling artists of all time. Although he "retired" in 2001, he has since returned to the limelight, staging the biggest comeback since Sinatra. This unofficial music biography is the first fully illustrated celebration of his life and his career in all its glory, and a must-have volume for his millions of devoted fans. (FAQ). If the Beatles wrote the soundtrack of the swinging '60s, then the Eagles did the same for the cynical '70s. The story of the Eagles is also the story of most artists of their time the drugs, the music, the excesses, and the piles of cash. But the Eagles took it to the limit. And in Don Henley and Glenn Frey they had two songwriters who intuitively understood and accurately portrayed the changing America they lived in. They perfected the California sound, shifted power from record company to artist, and pioneered album-oriented rock. Eagles songs of the period are as memorable as any ever written, and their most popular album, Hotel California, became a timeless record of '70s decadence. In The Eagles FAQ, music critic Andrew Vaughan brings an insider's view into the various chapters of the group's fascinating history. He shows how they blended the best folk, rock, and country sounds of the '60s into a worldwide soundtrack of the '70s while challenging the industry status quo with a new business model. The story of their rise, fall, and rebirth is all here their mega-selling smashes, their tensions and breakups, the band members' solo work, and their triumphant reunion and continued place at the top of the rock-and-roll tree. An in-depth tribute to America's country and pop sweetheart that includes photographs, album artwork and archive memorabilia. ?????????? ? ?????????????????? ? ??????????????, ??? ?????????? ?????????????? ?????????? ?????????? ?????? – ??????????????, ?????????, ?????????????????? ? ?????? ?????????????????????? ??? ?????????????? ? ?????????????????? ? ?????? ?????? ??????, ??????????

biblically, act wisely, and relate lovingly over transgender issues. There’s been huge cultural change in the last few decades. Same-sex marriage would have been unthinkable 20 or 30 years ago. Now it’s almost universally accepted in the Western world. Now suddenly the issue of transgender is the next big social, cultural issue that has dominated the headlines. Vaughan Roberts surveys the Christian worldview and seeks to apply these principles to the many complex questions surrounding gender identity. This short book gives an overview and a starting point for constructive discussion as we seek to live in a world with different values, and love, serve and relate to transgender people. Talking Points is a series of short books by Vaughan Roberts, designed to help Christians think, talk and relate to others with compassion, conviction and wisdom about today’s big issues. What warranted the skewering of Richard Bentley (whom Rhodri Lewis called “perhaps the most notable—and notorious—scholar ever to have English as a mother tongue”) by two of the literary giants of his day? Kristine Haugen offers a fascinating portrait of Europe’s most infamous classical scholar and the intellectual turmoil he set in motion. Drawing from extensive research and in-depth interviews, an invaluable guide for anyone who wants to understand—or prevent—the collapse of a relationship. How do relationships end? Why does one partner suddenly become discontented with the other—and why is the onset of that discontentment not so sudden after all? What signals do partners send each other to indicate their doubts? Why do those signals so often go unnoticed? And how do people who saw themselves as part of a couple come to terms not just with absence and abandonment, but with a new, single identity? This groundbreaking book reveals a process that begins in secret but gradually becomes public, implicating not only partners but their social milieu. Enlightening, accessible, and deeply affecting, Uncoupling offers a startling vision of what really happens behind the surface when relationships come apart. Country music is the quintessential American music, with roots in the musical traditions of the earliest settlers and having grown up as an integral part of the uniquely American experience and culture. This book examines the development of country music from its beginnings in the southern Appalachian Mountains in the early 20th century to the slick sounds of modern country music superstars of the early 21st century. Although little known, cannabis and other psychoactive plants held a prominent and important role in the Occult arts of Alchemy and Magic, as well as being used in ritual initiations of certain secret societies. Find out about the important role cannabis played in helping to develop modern medicines through alchemical works. Cannabis played a pivotal role in spagyric alchemy, and appears in the works of alchemists such as Zosimos, Avicenna, Llull, Paracelsus, Cardano and Rabelais. Cannabis also played a pivotal role in medieval and renaissance magic and recipes with instructions for its use appear in a number of influential and important grimoires such as the Picatrix, Sepher Raxiel: Liber Salomonis, and The Book of Oberon. Could cannabis be

the Holy Grail? With detailed historical references, the author explores the allegations the Templars were influenced by the hashish ingesting Assassins of medieval Islam, and that myths of the Grail are derived from the Persian traditions around the sacred beverage known as haoma, which was a preparation of cannabis, opium and other drugs. Many of the works discussed, have never been translated into English, or published in centuries. The unparalleled research in this volume makes it a potential perennial classic on the subjects of both medieval and renaissance history of cannabis, as well as the role of plants in the magical and occult traditions.

‘Swansong is the real thing, right from the start: spiky, strange and contemporary, but always with a dark undertow of myth and folklore tugging at its telling...this is a brilliant novel by a writer - and musician - of frankly alarming talent.’ Robert Macfarlane

In this stunningly assured, immersive and vividly atmospheric first novel from the celebrated musician, a young woman comes face-to-face with the volatile, haunted wilderness of the Scottish Highlands. Polly Vaughan is trying to escape the ravaging guilt of a disturbing incident in London by heading north to the Scottish Highlands. As soon as she arrives, this spirited, funny, alert young woman goes looking for drink, drugs and sex – finding them all quickly, and unsatisfactorily, with the barman in the only pub. She also finds a fresh kind of fear, alone in this eerie, myth-drenched landscape. Increasingly prone to visions or visitations – floating white shapes in the waters of the loch or in the woods – she is terrified and fascinated by a man she came across in the forest on her first evening, apparently tearing apart a bird. Who is this strange loner? And what is his sinister secret? Kerry Andrew is a fresh new voice in British fiction; one that comes from a deep understanding of the folk songs, mythologies and oral traditions of these islands. Her powerful metaphoric language gives *Swansong* a charged, hallucinatory quality that is unique, uncanny and deeply disquieting.

The long-awaited autobiography of Keith Richards, guitarist, songwriter, singer, and founding member of the Rolling Stones. With The Rolling Stones, Keith Richards created the songs that roused the world, and he lived the original rock and roll life. Now, at last, the man himself tells his story of life in the crossfire hurricane. Listening obsessively to Chuck Berry and Muddy Waters records, learning guitar and forming a band with Mick Jagger and Brian Jones. The Rolling Stones's first fame and the notorious drug busts that led to his enduring image as an outlaw folk hero. Creating immortal riffs like the ones in "Jumping Jack Flash" and "Honky Tonk Women." His relationship with Anita Pallenberg and the death of Brian Jones. Tax exile in France, wildfire tours of the U.S., isolation and addiction. Falling in love with Patti Hansen. Estrangement from Jagger and subsequent reconciliation. Marriage, family, solo albums and expensive Winos, and the road that goes on forever. With his trademark disarming honesty, Keith Richards brings us the story of a life we have all longed to know more of, unfettered, fearless, and true.

Announcements for the following year included in some vols. Following the Glorious Revolution, the supporters of the House of Stuart, known as Jacobites, could be found throughout the British Isles. The Scottish county of Angus, or Forfarshire, made a significant contribution to the Jacobite armies of 1715 and 1745. David Dobson has compiled a list of about 900 persons--including not only soldiers but also civilians who lent crucial support to the rebellion. Arranged alphabetically, the entries always give the full name of the Jacobite, his occupation, his rank, date of service

and unit (if military), and, sometimes, the individual's date of birth, the names of his parents, a specific place of origin, and a wide range of destinations to which the Jacobites fled after each of the failed insurrections. Presents the life and career of the pop singer, from her childhood and early career with Destiny's Child to her solo career in music and motion pictures. THE EAGLES FAQ: ALL THAT'S LEFT TO KNOW ABOUT CLASSIC ROCK'S SUPERSTARS James Bingham of Kilmore Parish, County Down, Northern Ireland (Ulster). James was born in 1732 to Thomas Bingham and Elizabeth Hay. In 1753, he married Ann Cleland of Kilmore. Four of their children emigrated from Ireland to North Carolina ca. 1785. They were William, Robert, Mary (Shaw) and Thomas. Rev. William Bingham (1754-1826) became a Presbyterian minister and founded the Bingham School of North Carolina in 1793. The school continued until the 1920's, and had three generations of Bingham headmasters. After living in Guilford County, North Carolina for a few years, Thomas Bingham (1769-1854) moved to the Lebanon area of Wilson County, Tennessee and established a large family there. Later descendants also lived in Arkansas, California, Georgia, Kansas, Kentucky, Massachusetts, Mississippi, Missouri, New Jersey, New York, Pennsylvania, Texas, Virginia, North Carolina, Alabama, Washington D.C. and elsewhere.
