A novel traces a time of change in 9 year-old Emily's life. When her parents grow apart and must sell the family's piano, Emily decides that the key to her family's happiness was the piano and she must find it. From the award-winning, bestselling author of Station Eleven and Sea of Tranquility, “a gripping story, full of moral ambiguities, where deception and betrayal become the norm, and where the expression ‘a riddle wrapped in a mystery, inside an enigma’ is lifted to new heights” (St. Louis Post-Dispatch). Everyone Anton Waker grew up with is corrupt. His parents dealt in stolen goods, and he was a successful purveyor of forged documents until he abandoned it all in his early twenties, determined to live a normal life, complete with career, apartment, and a fiancée who knows nothing of his criminal beginnings. He’s on the verge of finally getting married when Aria—his cousin and former partner in crime—blackmails him into helping her with one last job. Anton considers the task a small price for future freedom. But as he sets off for an Italian honeymoon, it soon becomes clear that the ghosts of his past can't be left behind so easily, and that the task Aria requires will cost him more than he could ever imagine. Look for Emily St. John Mandel’s bestselling new novel, Sea of Tranquility! Owning a puppy is a big responsibility and boy, is Emily ready! It is too bad her parents do not agree! "Emily's Gift: The True Story of Sherlock and Jackson" is a moving tale of how the youngest Shane sibling tries to negotiate a puppy for her loving and pet-less family. Unsettling Encounters radically re-examines Emily Carr's achievement in representing Native life on the Northwest Coast, and her goals and achievements in representing Native villages and totem poles in her paintings and writings. Reconstructing a neglected body of Carr's works that was central in shaping her vision and career makes possible a new assessment of her significance as a leading figure in the history of early twentieth-century Modernism. Unsettling Encounters includes a vivid recreation of the rapidly changing historical and social circumstances in which Carr painted and wrote. She lived and worked in British Columbia at a time when the growing settler population was rapidly taking over and developing the land and its resources. Gerta Moray

argues that Carr's work takes on its full significance only when it is seen as a conscious intervention in settler-Native relations. She examines the work in relation to the images of Native peoples that were then being constructed by missionaries and anthropologists and exploited by the promoters of world's fairs and museums. Carr's famous, highly expressive later paintings were based to a great extent on the results of her early experience. At the same time they were a response to new currents in North American culture in the 1920s and 1930s. Moray explores Carr's participation in the Group of Seven's agenda to build a national culture and her sense of her own position as a woman artist in this masculine arena. *Unsettling Encounters* is the definitive study of Carr's "Indian" images, locating them both within the local context of Canadian history and the wider international currents of visual culture. In one week, Manhattan will be gone. In one month, the country. In two months . . . the world. At New York's JFK Airport an arriving Boeing 777 taxiing along a runway suddenly stops dead. All the shades have been drawn, all communication channels have mysteriously gone quiet. Dr. Eph Goodweather, head of a CDC rapid-response team investigating biological threats, boards the darkened plane . . . and what he finds makes his blood run cold. A terrifying contagion has come to the unsuspecting city, an unstoppable plague that will spread like an all-consuming wildfire—lethal, merciless, hungry . . . vampiric. And in a pawnshop in Spanish Harlem an aged Holocaust survivor knows that the war he has been dreading his entire life is finally here . . .

A fresh post-apocalyptic anthology: the end of the world seen through the salvage and ruins. Featuring Emily St John Mandel, Carmen Maria Machado and more. **WHAT WOULD YOU SAVE FROM THE FIRE?** In the moments when it all comes crashing down, what will we value the most, and how will we save it? Digging through the layers of ruined cities beneath your feet, living in the bombed-out husk of a city, hiding from the monsters on the other side of the wall, can we turn the cataclysm into an opportunity? Featuring new and exclusive stories, as well as classics of the genre, Grassmann takes us through the fall and beyond, to the things that are created after. Calling on the finest traditions of post-apocalyptic fiction, this anthology asks us what makes us human, and who we will be when we emerge out of the ruins? Featuring work from China Miéville, Emily St John Mandel, Clive Barker, Carmen Maria Machado, Charlie Jane Anders, Samuel R. Delaney, Ramsey Campbell, Lavie Tidhar, Kaaron Warrern, Anna Tambour, Nina Allan, Jeffrey Thomas, Paul Di Filippo, Ron Drummond, Nikhil Singh, John Skipp, Autumn Christian, Chris Kelso, Rumi Kaneko, Nick Mamatas and D.R.G. Sugawara. As a child she was "contrary," as a young woman she defied convention to choose art over marriage, and as a middle-aged woman she was considered a full-blown eccentric. Listening to her own inner voice, Emily Carr created an art unique to British Columbia. For months, Cass has heard her best friend, Julia, whisper about a secret project. When Julia dies in a car accident, her drama friends decide to bring the project—a musical called *Totally Sweet Ninja Death Squad*—to fruition. But Cass isn't a drama person. She can't take a summer of painting sets, and she won't spend long hours with Heather, the girl who made her miserable all through middle school and has somehow landed the leading role. So Cass takes off. In alternating chapters, she spends the first part of summer on a cross-country bike trip and the rest swallowing her pride, making props, and—of all things—falling for Heather. This is a story of the breadth of love. Of the depth of friendship. And of the most hilarious musical one quiet suburb has ever seen. **NEW YORK TIMES**

BESTSELLER • The award-winning, best-selling author of *Station Eleven* and *The Glass Hotel* returns with a novel of art, time travel, love, and plague that takes the reader from Vancouver Island in 1912 to a dark colony on the moon five hundred years later, unfurling a story of humanity across centuries and space. One of the Best Books of the Year: *The New York Times*, NPR, GoodReads “One of [Mandel’s] finest novels and one of her most satisfying forays into the arena of speculative fiction yet.” —*The New York Times* Edwin St. Andrew is eighteen years old when he crosses the Atlantic by steamship, exiled from polite society following an ill-conceived diatribe at a dinner party. He enters the forest, spellbound by the beauty of the Canadian wilderness, and suddenly hears the notes of a violin echoing in an airship terminal—an experience that shocks him to his core. Two centuries later a famous writer named Olive Llewellyn is on a book tour. She’s traveling all over Earth, but her home is the second moon colony, a place of white stone, spired towers, and artificial beauty. Within the text of Olive’s best-selling pandemic novel lies a strange passage: a man plays his violin for change in the echoing corridor of an airship terminal as the trees of a forest rise around him. When Gaspéry-Jacques Roberts, a detective in the black-skied Night City, is hired to investigate an anomaly in the North American wilderness, he uncovers a series of lives upended: The exiled son of an earl driven to madness, a writer trapped far from home as a pandemic ravages Earth, and a childhood friend from the Night City who, like Gaspéry himself, has glimpsed the chance to do something extraordinary that will disrupt the timeline of the universe. A virtuoso performance that is as human and tender as it is intellectually playful, *Sea of Tranquility* is a novel of time travel and metaphysics that precisely captures the reality of our current moment. Many of us struggle to understand and receive food as a natural gift from God. Some of us eat too much food. Or we eat too little. Often, we eat without gratitude, without charity, without respect. But, as award-winning author Emily Stimpson Chapman explains in *The Catholic Table*, with a sacramental worldview the supernatural gift of God’s grace can transform and heal us through the food we make, eat, and share. Hugo Award finalist Daniel Polansky crafts an innovative, mind-bending fantasy mystery in *The Seventh Perfection* When a woman with perfect memory sets out to solve a riddle, the threads she tugs on could bring a whole city crashing down. The God-King who made her is at risk, and his other servants will do anything to stop her. To become the God-King’s Amanuensis, Manet had to master all seven perfections, developing her body and mind to the peak of human performance. She remembers everything that has happened to her, in absolute clarity, a gift that will surely drive her mad. But before she goes, Manet must unravel a secret which threatens not only the carefully prepared myths of the God-King’s ascent, but her own identity and the nature of truth itself. At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied. *Dumpling* is a dog of enormous enthusiasm, excellent obedience skills – and no sense of smell. She doesn’t care about flowers, garbage, or any of the other smelly things most dogs enjoy. As a result, *Dumpling* has no dog friends. With a useless nose, she can’t relate. *Dumpling* is lonely . . . until she and her people move to the country. And then the good dog has to choose between obedience and friendship – with a skunk! Ridiculous, touching, and a little bit disgusting, *Skunkdog*, with its lively storytelling and comic pictures, will spark conversations and giggles. “This steamy and intellectual debut novel is an ode to the female body, and to a

young woman discovering the potential boundlessness of her pleasure.”—Refinery 29, “The Sexiest Books You’ll Ever Have the Pleasure of Reading” Roxana Olsen has always dreamed of going to Paris, and after high school graduation finally plans to travel there on a study abroad program—a welcome reprieve from the bruising fallout of her parents’ divorce. But a logistical mix-up brings Roxana to Copenhagen instead, where she’s picked up at the airport by Søren, a twenty-eight-year-old guide who is meant to be her steward. Instantly drawn to one another, Roxana and Søren’s relationship turns romantic, and when he asks Roxana to accompany him to a small coastal town for the rest of the summer, she doesn’t hesitate to accept. There, Roxana’s world narrows and expands as she experiences fantasy, ritual, and the pleasures of her body, a thrilling realm of erotic and domestic bliss. Seduced by this newfound connection, Roxana doesn’t object when Søren requests that she spend her days alone in the apartment while he goes to the library to work. As their relationship deepens, Søren’s temperament darkens, and Roxana finds herself increasingly drawn to a local outsider, Zlatan, whom she learns is a Muslim refugee from the Bosnian War. The cycle of awakenings sparked by these two relationships challenge and open Roxana in ways she never imagined. A coming-of-age like no other, from a magnetic new voice in fiction, *Open Me* “is unflinching in its portrayal of sex, desire, racism, and the excitement and confusion of youth. Infused with erotics and politics, this is a novel that will haunt you” (Viet Thanh Nguyen, Pulitzer Prize-winning author). Emily has a new form of after-school entertainment when Albert moves in next door. Every afternoon he can be found on the front lawn, twisting his body into all kinds of crazy postures, then chanting 'om' - something he calls 'yoga'. Then one day something serious happens: Albert gets stuck, all twisted up like a pretzel. Albert knows what he needs and he tries to tell the grown-ups who race over to help him, but everyone keeps misunderstanding. The only person who hears Albert properly is Emily - but will she have the courage to speak up? In a culture obsessed with happiness, this wise, stirring book points the way toward a richer, more satisfying life. Too many of us believe that the search for meaning is an esoteric pursuit—that you have to travel to a distant monastery or page through dusty volumes to discover life’s secrets. The truth is, there are untapped sources of meaning all around us—right here, right now. To explore how we can craft lives of meaning, Emily Esfahani Smith synthesizes a kaleidoscopic array of sources—from psychologists, sociologists, philosophers, and neuroscientists to figures in literature and history such as George Eliot, Viktor Frankl, Aristotle, and the Buddha. Drawing on this research, Smith shows us how cultivating connections to others, identifying and working toward a purpose, telling stories about our place in the world, and seeking out mystery can immeasurably deepen our lives. To bring what she calls the four pillars of meaning to life, Smith visits a tight-knit fishing village in the Chesapeake Bay, stargazes in West Texas, attends a dinner where young people gather to share their experiences of profound loss, and more. She also introduces us to compelling seekers of meaning—from the drug kingpin who finds his purpose in helping people get fit to the artist who draws on her Hindu upbringing to create arresting photographs. And she explores how we might begin to build a culture that leaves space for introspection and awe, cultivates a sense of community, and imbues our lives with meaning. Inspiring and story-driven, *The Power of Meaning* will strike a profound chord in anyone seeking a life that matters. NATIONAL BOOK AWARD FINALIST • NEW YORK

Party politics and the production of nationhood in the Islamic signs debate. Etty Darwin and her famous father go for a walk to ponder life, science . . . and fairies! Inspired by the real-life daughter of Charles Darwin. Etty loves make-believe. Her dad loves science. Etty believes in fairies. Her dad would need to see some proof that they exist. But they both love nature, conversation and each other. A gorgeous rumination on belief and imagination featuring Henrietta (Etty) Darwin and her famous father, Charles. Etty went on to become a valued and keen editor of Charles’s work and a thoughtful and intellectual being in her own right. This imagined conversation between Etty and Charles as they stroll around Charles’s real-life “thinking track” explores their close relationship and shows that even science is nothing without an open mind and imagination. A young woman on the brink of adulthood comes to terms with love and her ambitions in this series finale by the beloved author of *Anne of Green Gables*. After graduating high school, seventeen-year-old Emily Starr is ready to pursue her destiny as a great writer from the comfort of her hometown, New Moon. Meanwhile, her friends and her childhood sweetheart, Teddy Kent, are headed elsewhere to chase their own aspirations. Feeling rejected by friends and her beloved, Emily throws herself into completing her novel, only to have it rejected by publishers. After suffering from a life-threatening illness, Emily is forced to reconsider her options, what it means to be a writer, and pursuing a married life with a man she doesn’t truly love . . . An idyllic girlfriends’ getaway is upended when lies and secrets come to the surface in this captivating women’s fiction novel from the

author of *Some Women*. On the surface, Sloane has the perfect life—an adoring husband, a precocious daughter, and enough financial security to be a stay-at-home mom. Still, she can't help but feel as though something—or someone—is missing... Hillary has a successful career and a solid marriage. The only problem is her inability to conceive. And there's a very specific reason why... As the wild-child daughter of old family money, Georgina has never had to accept responsibility for anything. So when she realizes an unexpected life change could tie her down forever, she does exactly what she's always done: escape...

When these three women unite for a three-week-long summer vacation in beautiful Lake George, New York, even with a serene location as their backdrop, the tensions begin to mount. And they quickly discover that no secret can be kept forever. Virginia Woolf's career was shaped by her impression of the conflict between poetry and the novel, a conflict she often figured as one between masculine and feminine, old and new, bound and free. In large part for feminist reasons, Woolf promoted the triumph of the novel over poetry, even as she adapted some of poetry's techniques for the novel in order to portray the inner life. Woolf considered poetry the rival form to the novel. A monograph on Woolf's sense of genre rivalry thus offers a thorough reinterpretation of the motivations and aims of her canonical work. Drawing on unpublished archival material and little-known publications, the book combines biography, book history, formal analysis, genetic criticism, source study, and feminist literary history. Woolf's attitude towards poetry is framed within contexts of wide scholarly interest: the decline of the lyric poem, the rise of the novel, the gendered associations with these two genres, elegy in prose and verse, and the history of English Studies. *Virginia Woolf and Poetry* makes three important contributions. It clarifies a major prompt for Woolf's poetic prose. It exposes the genre rivalry that was creatively generative to many modernist writers. And it details how holding an ideology of a genre can shape literary debates and aesthetics. When Tom moves with his wife Ann from their tiny Camden flat into a large house in Hackney, he feels as if it's the start of the rest of their life together. Deeply in love, and with a baby on the way, everything, Tom thinks, is finally coming together. He and Ann anticipate the arrival of the baby, as Ann, particularly galvanized, spends hours cleaning and reorganizing the house, and sitting up all night talking with a renewed passion about life, love, and art. But there is a darker side to this new fervour, somehow linked with her conviction that someone is lingering threateningly around their new home. Someone who - Tom soon realizes - may not exist at all. "Delicious . . . richly riveting . . . The Vacationers offers all the delights of a fluffy, read-it-with-sunglasses-on-the-beach read, made substantial by the exceptional wit, insight, intelligence and talents of its author."—People (four stars) An irresistible, deftly observed novel from the New York Times bestselling author of *All Adults Here* and *This Time Tomorrow*— about the secrets, joys, and jealousies that rise to the surface over the course of an American family's two-week stay in Mallorca. For the Posts, a two-week trip to the Balearic island of Mallorca with their extended family and friends is a celebration: Franny and Jim are observing their thirty-fifth wedding anniversary, and their daughter, Sylvia, has graduated from high school. The sunlit island, its mountains and beaches, its tapas and tennis courts, also promise an escape from the tensions simmering at home in Manhattan. But all does not go according to plan: over the course of the vacation, secrets come to light, old and new humiliations are experienced, childhood rivalries resurface, and ancient wounds are

exacerbated. This is a story of the sides of ourselves that we choose to show and those we try to conceal, of the ways we tear each other down and build each other up again, and the bonds that ultimately hold us together. With wry humor and tremendous heart, Emma Straub delivers a richly satisfying story of a family in the midst of a maelstrom of change, emerging irrevocably altered yet whole. Tired of going hungry while her parents get drunk and fight, thirteen-year-old Luli, who has just discovered the power of her sexuality, leaves Palmyra, Nebraska, for Las Vegas, Nevada, to find a "sugar daddy," and soon meets two grifters who use her while teaching her how to get by. When Erika Drake, of the Westmount Drakes, met and fell in love with Marc Reiser, a Jew from northern Ontario, their respective worlds were turned upside down. Set against the backdrop of the first three years of the Second World War, *Earth and High Heaven* captured the hearts and minds of its generation and helped to shape the more diverse and inclusive culture we have today. Published in 1944, this classic novel was very timely; it spoke of the prejudices of its time, when Gentiles and Jews did not mix in society. *Earth and High Heaven* was the most successful novel of its time, winning many awards and prizes, including the Anisfield-Wolf Book Award in 1945 (an award founded to reward books that exposed racism or explored the richness of human diversity). It was translated into eighteen languages and the film rights were purchased by Samuel Goldwyn for a remarkable \$100,000. *Earth and High Heaven* was the first Canadian novel to top the New York Times bestseller list for the better part of a year. At 15, Emily is a relatively typical teenage girl living in the Maritimes. She lives with her eccentric dad as he prepares to build a log cabin. She rides her beloved horse and spends all her free time taking in the fresh air. But things aren't perfect, the winters are harsh and her dad's place is cold and draughty. Enter their neighbour who sees a girl in need and offers to lend a hand. Three words: "OUR LITTLE SECRET," and Emily's fate is sealed. Twenty five years later, Emily is adrift and depressed when she spots her neighbour again on a ferry. The events of that long-ago winter come rushing back, and she is forced to reckon with the past anew. She vows that she will bring him to justice, tell her secret, and come to terms with the wounds that defined so many years of her life. Inept lawyers, expensive therapy, and a broken justice system block Emily's path to peace. Only when she rediscovers her youthful artistic talent by putting pen to paper does she see a way out. Now in her fifties, Carrington has crafted a compulsively readable debut that shows a powerful command of the comics medium. *Our Little Secret* is a testament to survival and to the importance of telling your story your way. Best friends Tiger and Badger work through their disagreements over a toy, a chair, and sharing. Poetry. LGBTQIA Studies. Tenth Anniversary Edition. *THE EMILY VALENTINE POEMS*, Zoe Whittall's second collection of poetry, challenges the impossible notions of femininity that permeate our culture. The texts within include self-portraits, prose poems, fake fan letters, and confessional lyric snapshots. These are pharmaceutically enhanced tributes to the hangovers of twenty-something love and to the pop icons from an unconventional 1980s childhood. With *THE EMILY VALENTINE POEMS*, Zoe Whittall offers up the perfect soundtrack for the culturally literate rebel in all of us. "This reminds me that I would like to know everything about this person." --Eileen Myles "Zoe Whittall's poems are snake bite cures masquerading as candy." --RM Vaughan "Zoe Whittall might just be the cockiest, brashest, funniest, toughest, most life-affirming, elegant, scruffy, no-holds-barred writer to emerge from

Montreal since Mordecai Richler." --The Globe and Mail NEW YORK TIMES

From the bestselling author of *Station Eleven* and *Sea of Tranquility*, an exhilarating novel set at the glittering intersection of two seemingly disparate events—the exposure of a massive criminal enterprise and the mysterious disappearance of a woman from a ship at sea. “The perfect novel ... Freshly mysterious.” —The Washington Post Vincent is a bartender at the Hotel Caiette, a five-star lodging on the northernmost tip of Vancouver Island. On the night she meets Jonathan Alkaitis, a hooded figure scrawls a message on the lobby's glass wall: Why don't you swallow broken glass. High above Manhattan, a greater crime is committed: Alkaitis's billion-dollar business is really nothing more than a game of smoke and mirrors. When his scheme collapses, it obliterates countless fortunes and devastates lives. Vincent, who had been posing as Jonathan's wife, walks away into the night. Years later, a victim of the fraud is hired to investigate a strange occurrence: a woman has seemingly vanished from the deck of a container ship between ports of call. In this captivating story of crisis and survival, Emily St. John Mandel takes readers through often hidden landscapes: campgrounds for the near-homeless, underground electronica clubs, service in luxury hotels, and life in a federal prison. Rife with unexpected beauty, *The Glass Hotel* is a captivating portrait of greed and guilt, love and delusion, ghosts and unintended consequences, and the infinite ways we search for meaning in our lives. Look for Emily St. John Mandel's bestselling new novel, *Sea of Tranquility*! From the bestselling author of *Station Eleven* and *Sea of Tranquility*—when Lilia Albert was a child, her father appeared on the doorstep of her mother's house and took her away. Now, haunted by an inability to remember much about her early childhood, Lilia moves restlessly from city to city, abandoning lovers and eluding the private detective who has dedicated a career to following close behind. Then comes Eli. When Lilia goes out for a paper and fails to return to their Brooklyn apartment, he follows her to Montreal, not knowing whether he wants to disappear, too, or help her find her way home. But what he discovers is a deeper mystery, one that will set past and present spinning toward collision. Look for Emily St. John Mandel's bestselling new novel, *Sea of Tranquility*! From acclaimed author Dinaw Mengestu, a recipient of the National Book Foundation's 5 Under 35 award, The New Yorker's 20 Under 40 award, and a 2012 MacArthur Foundation genius grant, comes an unforgettable love story about a searing affair between an American woman and an African man in 1970s America and an unflinching novel about the fragmentation of lives that straddle countries and histories. *All Our Names* is the story of two young men who come of age during an African revolution, drawn from the safe confines of the university campus into the intensifying clamor of the streets outside. But as the line between idealism and violence becomes increasingly blurred, the friends are driven apart—one into the deepest peril, as the movement gathers inexorable force, and the other into the safety of exile in the American Midwest. There, pretending to be an exchange student, he falls in love with a social worker and settles into small-town life. Yet this idyll is inescapably darkened by the secrets of his past: the acts he committed and the work he left unfinished. Most of all, he is haunted by the beloved friend he left behind, the charismatic leader who first guided him to revolution and then sacrificed everything to ensure his freedom. Elegiac, blazing with insights about the physical and emotional geographies that circumscribe our lives, *All Our Names* is a marvel of vision and tonal command. Writing within the grand tradition of Naipul, Greene, and Achebe, Mengestu gives us a political novel that is also a transfixing

portrait of love and grace, of self-determination and the names we are given and the names we earn. This eBook edition includes a Reading Group Guide. "Emily and s Quest is the grand finale of the Lucy Maud Montgomery trilogy, set before World War I on Prince Edward Island, Canada. The orphan in "Emily of New Moon" and the hopeful student in "Emily Climbs" is transformed into a young woman seeking success and love. At the beginning of the story, Emily believes that everyone has abandoned her at New Moon Farms. Best friend Ilsa Burnley has taken off for school in Montreal, suitor Perry Miller is studying Law in Charlottetown. Most annoyingly, Teddy Kent, also left her to study actor and s craft. All she has left is a desire to write and her mentor, the cynical and manipulative Dean Priest. First Emily has no luck with her book, then, suffered a near fatal illness. Lonely and near despair, her only option seems to be Dean and s offer of marriage. But, a dramatic second-sight experience will offer her a vision of a different future. If the endpoint of Emily and s quest may be predictable, but the journey is not. Emily will struggle to sell her first book while dealing with some comical distractions. Emily and s relationship woes will continue to a cleverly written and entertaining ending. Lucy Maud Montgomery drew heavily on her own experiences as a struggling writer in the "Emily" series; the story has some real bite, along with the author and s characteristic humor and gentle wisdom (character of Dean was inspired by her abusive awful husband and her dread of having sex with him). "Emily and s Quest" is very highly recommended to her fans. Gavin Sasaki a young journalist returns to his hometown of Sebastian, Florida, where a photo of a ten-year-old girl that reminds him of his high school girlfriend, Anna, makes him begin his own private investigation to track down Anna and their apparent daughter. Lila Albert has been leaving people behind for her entire life. Then her latest lover follows her from New York to Montreal, determined to learn her secrets. "Last Night in Montreal" is a story of love, amnesia, the depths and limits of family bonds, and the nature of obsession. NATIONAL BESTSELLER • NATIONAL BOOK AWARD FINALIST • A PEN/FAULKNER AWARD FINALIST • Set in the eerie days of civilization's collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. • Now an original series on HBO Max. • Over one million copies sold! One of the New York Times's 100 Best Books of the 21st Century Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of King Lear. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves The Traveling Symphony, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in St. Deborah by the Water, they encounter a violent prophet who will threaten the tiny band's existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel's bestselling new novel, Sea of Tranquility! "A rip-roaring bio" of the trailblazing New Yorker journalist that "explore[s] both the passion and dissatisfaction that fueled Hahn's wanderlust" (Entertainment Weekly). Emily Hahn first challenged traditional gender roles in 1922 when she enrolled in the University of

Wisconsin's all-male College of Engineering, wearing trousers, smoking cigars, and adopting the nickname "Mickey." Her love of writing led her to Manhattan, where she sold her first story to the New Yorker in 1929, launching a sixty-eight-year association with the magazine and a lifelong friendship with legendary editor Harold Ross. Imbued with an intense curiosity and zest for life, Hahn traveled to the Belgian Congo during the Great Depression, working for the Red Cross; set sail for Shanghai, becoming a Chinese poet's concubine; had an illegitimate child with the head of the British Secret Service in Hong Kong, where she carried out underground relief work during World War II; and explored newly independent India in the 1950s. Back in the United States, Hahn built her literary career while also becoming a pioneer environmentalist and wildlife conservator. With a rich understanding of social history and a keen eye for colorful details and amusing anecdotes, author Ken Cuthbertson brings to life a brilliant, unconventional woman who traveled fearlessly because "nobody said not to go." Hahn wrote hundreds of acclaimed articles and short stories as well as fifty books in many genres, and counted among her friends Rebecca West, Ernest Hemingway, Dorothy Parker, James Thurber, Jomo Kenyatta, and Madame and General Chiang Kai-shek. Winner of the 2011 Strega Prize, this blend of essay, social criticism, and memoir is a striking portrait of the effects of globalization on Italy's declining economy. Starting from his family's textile factory in Prato, Tuscany, Edoardo Nesi examines the recent shifts in Italy's manufacturing industry. Only one generation ago, Prato was a thriving industrial center that prided itself on craftsmanship and quality. But during the last decade, cheaply made goods—produced overseas or in Italy by poorly paid immigrants—saturated the market, making it impossible for Italian companies to keep up. In 2004 his family was forced to sell the textile factory. How this could have happened? Nesi asks, and what are the wider repercussions of losing businesses like his family's, especially for Italian culture? *Story of My People* is a denouncement of big business, corrupt politicians, the arrogance of economists, and cheap manufacturing. It's a must-read for anyone seeking insight into the financial crisis that's striking Europe today.
