Irishness and Womanhood in Nineteenth-century British Writing Construction Contracts Historic Highways of America Kindergarten Squad The Source of Liberty Damien Hirst

Using Lady Morgan's *The Wild Irish Girl* as his point of departure, Thomas J. Tracy argues that nineteenth-century debates over what constitutes British national identity often revolved around representations of Irishness, especially Irish womanhood. He maps the genealogy of this development in fiction, political discourse, and the popular press, from Edgeworth's *Castle Rackrent* through Trollope's Irish novels, focusing on the pivotal period from 1806 through the 1870s. Reputed to have initiated the young British art movement, Hirst is considered the pre-eminent artist of his generation. This project brings together for the first time all his works in the collection of Charles Saatchi, his most prolific and proactive patron. In this superb new volume, Edward Whitticks has charted the course for anyone working with contracts and dispute control in oil and gas, one of the most volatile industries in the world. His practical, straightforward approach will move you step by step through the process of contractual negotiations, bids and closeouts. For anyone working in the oil and gas industry today, finding your way through the maze of contract management seems more cutthroat and challenging than ever before. In *Construction Contracts*, Edward Whitticks dispels the myth that "there has to be a winner and a loser" in contractual management and dispute control. As a desktop companion for project managers and engineers, contract administrators, cost scheduling engineers and others engaged in the field of refinery, pipeline and petrochemical construction, this book covers the entire contract process.
