s masterpiece In Cold Blood created a sensation when it was first published serially in The New Yorker in 1965 The intensively researched atmospheric narrative of the lives of the Clutter family of Holcomb Kansas and of the two men Richard Eugene Hickock and Perry Edward Smith who brutally killed them on the night of November 15 1959 is the seminal work of the new journalism Perry Smith is one of the great dark characters of American literature full of contradictory emotions I thought he was a very nice gentleman he says of Herb Clutter Soft spoken I thought so right up to the moment I cut his throat Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet then between the investigation of the case and the killers flight Capote s account is so detailed that the reader comes to feel almost like a participant in the events
