## 1 Program Selection and Starting Machine

Plug your machine to outlet. Turn on the machine by pressing "On / Off" key. Open the door by pulling the handle and load the machine without exceeding loading capacity and close the door. Select the appropriate program by looking at program selection table according to type of laundry, degree of soiledness and washing temperature. Position program selection key to desired washing program-temperature. Select convenient spin speed

related to selected program. If you are using auxiliary function press desired auxiliary function key. Afterwards place appropriate detergent and softener to your machine's detergent drawer. Start your machine by pressing Start/Pause/Cancel button. Start/Pause/Cancel key's led will be on. After your machine starts, you can follow from the program progress display at which step your machine is.
