Ye Fantian was dressed in black and was in tatters. In his right hand, he held a sword full of blood, and his determined face was full of disdain. He looked at the leaders of various factions around him. The most celebrated authors of England, Ireland, Scotland and Wales are immortalized not only in their writing but also in the museums, libraries, and other memorials dedicated in their honor. Over 300 sites devoted to 40 authors are covered in this guide. The sites range from restored historic homes to memorial statues. Each entry describes the site and its history, placing it within the context of the author's life and career. Directions are provided to help the reader reach each site; telephone numbers, admission prices, and hours are also included for the traveler's convenience. The text is illustrated with photographs from these historic and literary homes, libraries, and other important memorial locations. Postage stamps commemorating the writers are also included. Discover a land of enchantment, legend, and adventure in this first book of the Immortals series, featuring an updated cover for longtime fans and fresh converts alike, and including an all-new afterword from Tamora Pierce. Thirteen-year-old Daine has always had a special connection with animals, but only when she's forced to leave home does she realize it's more than a knack—it's magic. With this wild magic, not only can Daine speak to animals, but she can also make them obey her. Daine takes a job handling horses for the Queen's Riders,

where she meets the master mage Numair and becomes his student. Under Numair's guidance, Daine explores the scope of her magic. But she encounters other beings, too, who are not so gentle. These terrifying creatures, called Immortals, have been imprisoned in the Divine Realms for the past four hundred years—but now someone has broken the barrier. And it's up to Daine and her friends to defend their world from an Immortal attack. For most of her life, Allison Beckstrom has used magic and accepted the heavy price it exacts. But now that all magic is poisoned, it's no longer just using people—it's killing them. With Portland about to descend into chaos, Allie needs to find a way to purify the wells of tainted magic beneath the city. But the only options left to her are grim: attempt to close down magic forever, or follow her father's plan to set magic into the right hands—even though she's learned to never trust his word. Now, Allie will have to make a choice and face the darkness of her own deepest fears, before time runs out for them all... Life is the most important possession we have. Without it, there is nothing. Only by the resurrection at the second coming of Christ will anyone have life after death. After the resurrection, the fate of those who are in Christ: [1] Eternal life [Romans 6:23] [2]"Shall inherit eternal life" [Matthew 19:29] [3] After the judgment they "shall go away into eternal life" [Matthew 25:46] [4] Will "have eternal life" [John 3:5] [5] Christ will raise them up on the last day [John 6:40] [6] Will be immortal after the resurrection [1 Corinthians 15:51-56] [7] Will have incorruption [1 Corinthians 15:42] [8] Will have glory [1 Corinthians 15:43] [9] Will be like Christ "We shall be like him; for we shall see him even as he is" [1 John 3:2] [10] Are "heirs according to the hope of eternal life" [Titus 3:7] [11] Will have a spiritual body [1 Corinthians 15:44] [12] "And as we have borne the image of the earthly (The earthly flesh and blood body of Adam was made to live on this earth but it "cannot inherit the kingdom of God" 1 Corinthians 15:50), we shall also bear the image of the heavenly" (Shall be like the spiritual body of Christ for life in Heaven) [1 Corinthians 15:47-56] [13] "Will never perish" [John 10:28] [14] Forever with the Lord [1 Thessalonians 4:17] [15] Many mansions in my father's house: "In my Father's house (Who is in Heaven, Matthew 5:16; 5:45; 5:48; 6:1; 6:9; 7:21; 10:32-33) are many mansions...I go to prepare a place for you." New York Times bestselling author Gena Showalter delivers The Immortal, the second dark and sexy book in her Rise of the Warlords series, featuring a cold, merciless assassin and a stubborn harpy warrior... one fated to die by the other's hand. Halo Phaninon, assassin of gods, is as cold and merciless as a machine. For victory, he crosses any line. When tasked to kill twelve of mythology's fiercest monsters in twenty-four hours, Halo eagerly accepts. Except, each morning he awakens to the same day, forced to relive new horrors. Only one other person retains their memory—the beauty who

threatens his iron control. Ophelia the Flunk Out hates her disaster of a life. She's the family disappointment, a harpy warrior without a kill and powerless—or is she? Nearly every night she's doomed to repeat her own murder, but each morning she arises to spar with Halo, the ruthless warlord increasingly determined to save her...and lure her to his bed. Halo's insatiable desire for the stubborn Ophelia drives him wild...and he only craves more. If he remains in the time loop, they stay together. But if he escapes, they lose each other forever. Don't miss the rest of the Rise of the Warlords series: Book 1: The Warlord Book 2: The Immortal Book 3: The Phantom Book 4: The Wrath - Coming Feb 2024! The #1 New York Times bestselling author of the Vampire Academy and Bloodline series returns with the second installment in her acclaimed Age of X series. Religious investigator Justin March and Mae Koskinen—the beautiful supersoldier assigned to protect him—have been charged with investigating reports of the supernatural and the return of the gods, both inside the Republic of United North America and out. With this highly classified knowledge comes a shocking revelation: Not only are the gods vying for human control, but the elect—special humans marked by the divine—are turning against one another in bloody fashion. Their mission takes a new twist when they are assigned to a diplomatic delegation headed by Lucian Darling, Justin's old friend and rival, going into Arcadia, the RUNA's dangerous neighboring country. Here, in a society where women are commodities and religion is intertwined with government, Justin discovers powerful forces at work, even as he struggles to come to terms with his own reluctantly acquired deity. Meanwhile, Mae—grudgingly posing as Justin's concubine—has a secret mission of her own: finding the illegitimate niece her family smuggled away years ago. But with Justin and Mae resisting the resurgence of the gods in Arcadia, a reporter's connection with someone close to Justin back home threatens to expose their mission—and with it the divine forces the government is determined to keep secret. But now, the treaty between them has been broken, and no one—not even the immortal galvanized—is safe.... Matilda Case isn't normal. Normal people aren't stitched together,

inhumanly strong, and ageless, as she and the other galvanized are. Normal people's bodies don't hold the secret to immortality—something the powerful Houses will kill to possess. And normal people don't know that they're going to die in a few days. Matilda's fight to protect the people she loves triggered a chaotic war between the Houses and shattered the world's peace. On the run, she must find a way to stop the repeat of the ancient time experiment that gifted her and the other galvanized with immortality. Because this time, it will destroy her and everything she holds dear. Caught in a cat-and-mouse game of lies, betrayal, and unseen foes, Matilda must fight to save the world from utter destruction. But time itself is her enemy, and every second brings her one step closer to disaster.... A #1 New York Times bestseller! Sarah J. Maas's brand-new CRESCENT CITY series begins with House of Earth and Blood: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce Quinlan had the perfect life-working hard all day and partying all night-until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose-to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom-and the power of love. In this Horror Satire Novella, a vampire goes househunting in modern-day Seattle. A year has passed since the mortal once known as Kira Nightraven fled from the Imperial Family and the Vampire Empire, joining the ranks of the Reich. Reunited with her long-lost sister, she has spent these last months adjusting to a new life, getting to know her other half for the very first time. While she has gained a piece of their childhood ripped from them, fear and turmoil freeze her in place as she struggles to let go of the only life she has ever known. Fighting to control the growing power within her, Kira tries to return to her roots, her true name being heard for the first time in over thirteen years. Though she has gained what she lost years ago, letting go of what she gained, forgetting Carmilla Tepes has proven to be nearly impossible. With her struggle comes the realization that her years in the Palace has blinded her to the harsh truth of the world. Working to undermine the Vampire Council, she dons a new kind of mask, entering a significantly larger and more dangerous Game than simple survival. Despite her shocking

departure from the Palace, the Empress refuses to believe Kira truly betrayed them. To protect Kira, Carmilla plays a dangerous gamble when trying to protect the woman she loves from a truth that can turn the tides of the rebellion, the Reich, and shed an unwanted light on the sisters' past and their involvement in what started the war. The national bestselling author of Infinity Bell returns to her "fresh and unique"* world where the truce between the ruling Houses has shattered and chaos now reigns. Only one woman has the power to save the world—but she could also destroy it. . . . Matilda Case never thought of herself as a hero. But because she is galvanized—and nearly immortal in her stitched, endlessly healing body—she doesn't have much of a choice. Even if she doesn't want to save the world, she's the only one capable of traveling in time to do so. But her rescue attempt hasn't gone as planned. She's stuck in an alternate universe, and her world is in danger of disappearing. Worst of all, an unfathomably powerful man who can also travel through history doesn't want her to put things to rights. He's willing to wage bloody war to stop Matilda, unless she surrenders control of time to him. Now, with the minutes ticking, Matilda must make impossible decisions, knowing that one wrong choice will destroy her—and any chance of saving everything she loves. . . . *A Book Obsession As Kiriko attempts to make a flashy debut as a full-fledged Escape Artist, Fuurin tackles her next mission—seduce and infect Lt. Kanzaki with the deadly RDS—which Kanzaki appears to fall for, almost too easily. Meanwhile, Kanzaki's informant sheds light on the differences between this world and the world of the Vectors, just as a dangerous new Vector, dubbed Snow White, appears on the scene... Zhou Jiwang looked at the old man in front of him. He was in a daze. He was a young man in his twenties. Although he was younger than the old man in front of him, he didn't know how old he was, but he was called by the other side. He was still not used to it. He wanted to answer the old man's question, opened his mouth, and his throat stung. He couldn't say a word. He wanted to struggle to sit up, but he couldn't use any strength. He simply couldn't feel his body, only Judgment comes, courtesy of the Eternals...and the Quiet Council grows suspiciously quiet. With one notable exception: Do you think a man devoted to Hellfire cares one jot? Let's find out! Plus, even if you're the heart of the X-Men, there are days you just want to tear out other people's hearts. Judgment day is one of them. What extreme steps will Nightcrawler take in the name of the Spark? Collecting IMMORTAL X-MEN (2022) #7-10. The Undoing is here. Superman couldn't stop it. Darkseid couldn't stop it. Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of firea mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead. As the city rebuilds from the onslaught of sorcery that nearly destroyed it, the great Houses of Paris, ruled by Fallen angels, still contest one another for control over the capital. House Silverspires was once the most powerful, but just as it sought to rise again, an ancient evil brought it low. Phillippe, an immortal who escaped the carnage, has a singular goal—to resurrect someone he lost. But the cost of such magic might be more than he can bear. In *House Hawthorn*, Madeleine the alchemist has had her addiction to angel essence savagely broken. Struggling to live on, she is forced on a perilous diplomatic mission to the underwater dragon kingdom—and finds herself in the midst of intrigues that have already caused one previous emissary to mysteriously disappear.... As the Houses seek a peace more devastating than war, those caught between new fears and old hatreds must find strength—or fall prey to a magic that seeks to bind all to its will. **FIRST IN THE HOUSE IMMORTAL SERIES!** One hundred years ago, eleven powerful ruling Houses consolidated all of the world’s resources and authority into their own grasping hands. Only one power wasn’t placed under the command of a single House: the control over the immortal galvanized.... Matilda Case isn’t like most folk. In fact, she’s unique in the world, the crowning achievement of her father’s experiments, a girl pieced together from bits. Or so she believes, until Abraham Seventh shows up at her door, stitched with life thread just like her and insisting that enemies are coming to kill them all. Tilly is one of thirteen incredible creations known as the galvanized, stitched together beings immortal and unfathomably strong. For a century, each House has fought for control over the galvanized. Now the Houses are also tangled in a deadly struggle for dominion over death—and Tilly and her kind hold the key to unlocking eternity The secrets that Tilly must fight to protect are hidden within the very seams of her being. And to get the secrets, her enemies are willing to tear her apart piece by piece... In the third novel in the #1 New York Times bestselling *In Death* series, Lieutenant Eve Dallas uncovers a world where technology can create beauty and youth, but passion and greed can destroy them... She was one of the most sought after women in the world. A top model who would stop at nothing to get what she wanted—even another woman’s man. And now she was dead, the victim of a brutal murder. Police Lieutenant Eve Dallas put her life on the line to take the case when suspicion fell on her best friend, the other woman in the fatal love triangle. Beneath the façade of glamour, Eve found that the world of high fashion thrived on an all-consuming obsession for youth and fame.

One that led from the runway to the dark underworld of New York City where drugs could be found to fulfill any desire—for a price... *Immortal Jaguar* is Hugh Fox's account of his experiences with the inner worlds and ancient powers unleashed by his use of traditional South American spiritual hallucinogenics. After consuming psychoactive plants in Peru he is gripped by visionary experiences and finds the dazzling magical world of the Immortals opening up, a whirl of ancient knowledge pouring through his consciousness. On his return to academic life in the US he finds that having a shamanic gift which he is unable to switch off is something of a dangerous liability. Part memoir, part archaeology, this fusion of visions and ideas into fictional narrative is among the most excitingly readable presentations of the spiritual underworld of the Andes and its expression through sacred hallucinogens. The vision extends outward across the ancient world through language and legend, all leading to a voyage to the house of the Sun-King - Tiawanaku in Bolivia. Fox, a major authority on the Pre-Columbian Americas, and a true visionary to boot, makes a compelling case for the connection of disparate myths and cultures around the world in deepest antiquity. Fans of Maggie Stiefvater's *Shiver* and Becca Fitzpatrick's *Hush* will relish this intense paranormal love story featuring Romeo and Juliet, literary history's most tragic couple, who meet again, not as true lovers, but truly as enemies. The most tragic love story in history . . . Juliet Capulet didn't take her own life. She was murdered by the person she trusted most, her new husband, Romeo Montague, a sacrifice made to ensure his own immortality. But what Romeo didn't anticipate was that Juliet would be granted eternity, as well, and would become an agent for the Ambassadors of Light. For 700 years, she's fought Romeo for the souls of true lovers, struggling to preserve romantic love and the lives of the innocent. Until the day she meets someone she's forbidden to love, and Romeo, oh Romeo, will do everything in his power to destroy that love. "These violent delights have violent ends And in their triumph die, like fire and powder, Which as they kiss consume." —*Romeo and Juliet* by William Shakespeare #1 NEW YORK TIMES BESTSELLER • “The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly.”—*Entertainment Weekly* NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE “MOST INFLUENTIAL” (CNN), “DEFINING” (LITHUB), AND “BEST” (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE’S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • *Entertainment Weekly* • *O: The Oprah Magazine* • NPR • *Financial Times* • *New York* • *Independent (U.K.)* • *Times (U.K.)* • *Publishers Weekly* • *Library Journal* • *Kirkus Reviews* • *Booklist* • *Globe and Mail* Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave

ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.
