[Ann Dvorak](#) Christina Rice, 2013-11-14 The forgotten screen legend who made Hollywood history by challenging the all powerful studio system is revealed in this first full length biography Seemingly destined for A list fame Ann Dvorak was touted as Hollywood's New Cinderella after film mogul Howard Hughes cast her in the 1932 gangster film Scarface But Dvorak's journey to superstardom was derailed when she walked out on her contractual obligations to Warner Bros for an extended honeymoon Ann Dvorak Hollywood's Forgotten Rebel explores the life and career of one of the first individuals who dared to challenge the studio system Dvorak reached her pinnacle during the early 1930s when the film industry was relatively uncensored and free to produce movies with more daring storylines She played several female leads in films including The Strange Love of Molly Louvain Three on a Match and Heat Lightning but after her walk

out Warner Bros retaliated by casting her in less significant roles Following the casting conflicts and illness Dvorak filed a lawsuit against the Warner Bros studio setting a precedent for other stars who eventually followed suit In this insightful memoir Christina Rice explores the spirited rebellion of a talented actress whose promising career fell victim to the studio empire

intellectual history of modern communication in America Daniel Czitrom examines the continuing contradictions between the progressive possibilities that new communications technologies offer and their use as instruments of domination and exploitation

The Sounds of Early Cinema Richard Abel, Rick R. Altman, 2001-10-03 *The Sounds of Early Cinema* is devoted exclusively to a little known yet absolutely crucial phenomenon the ubiquitous presence of sound in early cinema Silent cinema may rarely have been silent but the sheer diversity of sound s and sound image relations characterizing the first 20 years of moving picture exhibition can still astonish us Whether instrumental vocal or mechanical sound ranged from the improvised to the pre arranged as in scripts scores and cue sheets The practice of mixing sounds with images differed widely depending on the venue the nickelodeon in Chicago versus the summer Chautauqua in rural Iowa the music hall in London or Paris versus the newest palace cinema in New York City as well as on the historical moment a single venue might change radically and many times from 1906 to 1910 Contributors include Richard Abel Rick Altman Edouard Arnould Mats Bj rkin Stephen Bottomore Marta Braun Jean Ch teauvert Ian Christie Richard Crangle Helen Day Mayer John Fullerton Jane Gaines Andr Gaudreault Tom Gunning Fran ois Jost Charlie Keil Jeff Klenotic Germain Lacasse Neil Lerner Patrick Loughney David Mayer Domi nique Nasta Bernard Perron Jacques Polet Lauren Rabinovitz Isabelle Raynauld Herbert Reynolds Gregory A Waller and Rashit M Yangirov

The Queer Fantasies of the American Family Sitcom Tison Pugh, 2018-02-27 *The Queer Fantasies of the American Family Sitcom* examines the evasive depictions of sexuality in domestic and family friendly sitcoms Tison Pugh charts the history of increasing sexual depiction in this genre while also unpacking how sitcoms use sexuality as a source of power as a kind of camouflage and as a foundation for family building The book examines how queerness at first latent became a vibrant yet continually conflicted part of the family sitcom tradition Taking into account elements such as the casting of child actors the use of and experimentation with plot traditions the contradictory interpretive valences of comedy and the subtle subversions of moral standards by writers and directors Pugh points out how innocence and sexuality conflict on television As older sitcoms often sit on a pedestal of nostalgia as representative of the Golden Age of the American Family television history reveals a deeper queerer vision of family bonds

Fact, Fictions, and the Forbidden Predictions of the Amazing Criswell Edwin Lee Canfield, 2023-01-02 We are all interested in the future for that is where you and I are going to spend the rest of our lives whether we want to or not Jeron Charles Criswell King better known simply as Criswell can rightfully be described as one of the first pop celebrity psychics His bizarre predications 87 per cent of which came true he claimed appeared from the 1950s through the 1970s in newspapers and magazines while the flamboyant showman hosted his own Los Angeles television show guested on national TV and in Ed Wood movies including Plan 9 from Outer Space alongside Vampira Tor Johnson and Bela Lugosi Unsuccessful attempts to find fame on Broadway and Tin Pan Alley did not prevent him from co authoring three books on how to succeed in these fields A member of the hidden Hollywood gay community the story of Criswell his triumphs and defeats is one of fame and hope *Fact Fictions and the Forbidden Predictions of the Amazing*

Criswell is the first full length biography of Criswell It is the result of 20 years of research by number one fan Edwin Canfield and includes interviews new information and many startling predictions The world as we know it will cease to exist on August 18 1999 [Capturing Sound](#) Mark Katz,2010-10-07 Fully revised and updated this text adds coverage of mashups and auto tune explores recent developments in file sharing and includes an expanded conclusion and bibliography [The Cambridge Companion to Hip-Hop](#) Justin A. Williams,2015-02-12 This Companion covers the hip hop elements methods of studying hip hop and case studies from Nerdcore to Turkish German and Japanese hip hop [Michael Curtiz](#) Alan K. Rode,2017-11-17 Academy Award winning director Michael Curtiz 1886 1962 whose best known films include Casablanca 1942 Yankee Doodle Dandy 1942 Mildred Pierce 1945 and White Christmas 1954 was in many ways the anti auteur During his unprecedented twenty seven year tenure at Warner Bros he directed swashbuckling adventures westerns musicals war epics romances historical dramas horror films tearjerkers melodramas comedies and film noir masterpieces The director s staggering output of 180 films surpasses that of the legendary John Ford and exceeds the combined total of films directed by George Cukor Victor Fleming and Howard Hawks In the first biography of this colorful instinctual artist Alan K Rode illuminates the life and work of one of the film industry s most complex figures He begins by exploring the director s early life and career in his native Hungary revealing how Curtiz shaped the earliest days of silent cinema in Europe as he acted in produced and directed scores of films before immigrating to the United States in 1926 In Hollywood Curtiz earned a reputation for his explosive tantrums his difficulty communicating in English and his disregard for the well being of others However few directors elicited more memorable portrayals from their casts and ten different actors delivered Oscar nominated performances under his direction In addition to his study of the director s remarkable legacy Rode investigates Curtiz s dramatic personal life discussing his enduring creative partnership with his wife screenwriter Bess Meredyth as well as his numerous affairs and children born of his extramarital relationships This meticulously researched biography provides a nuanced understanding of one of the most talented filmmakers of Hollywood s golden age **Shooting Midnight Cowboy** Glenn Frankel,2021-03-16 Much more than a page turner It s the first essential work of cultural history of the new decade Charles Kaiser The Guardian One of The Washington Post s 50 best nonfiction books of 2021 A Publishers Weekly best book of 2021 The Pulitzer Prize winning journalist and New York Times bestselling author of the behind the scenes explorations of the classic American Westerns High Noon and The Searchers now reveals the history of the controversial 1969 Oscar winning film that signaled a dramatic shift in American popular culture Director John Schlesinger s Darling was nominated for five Academy Awards and introduced the world to the transcendently talented Julie Christie Suddenly the toast of Hollywood Schlesinger used his newfound clout to film an expensive Panavision adaptation of Far from the Madding Crowd Expectations were huge making the movie s complete critical and commercial failure even more devastating and Schlesinger suddenly found himself persona non grata in the Hollywood circles he had hoped to conquer Given his recent travails

Schlesinger's next project seemed doubly daring bordering on foolish James Leo Herlihy's novel *Midnight Cowboy* about a Texas hustler trying to survive on the mean streets of 1960's New York was dark and transgressive Perhaps something about the book's unsparing portrait of cultural alienation resonated with him His decision to film it began one of the unlikeliest convergences in cinematic history centered around a city that seemed at first glance as unwelcoming as Herlihy's novel itself Glenn Frankel's *Shooting Midnight Cowboy* tells the story of a modern classic that by all accounts should never have become one in the first place The film's boundary pushing subject matter homosexuality prostitution sexual assault earned it an X rating when it first appeared in cinemas in 1969 For *Midnight Cowboy* Schlesinger who had never made a film in the United States enlisted Jerome Hellman a producer coming off his own recent flop and smarting from a failed marriage and Waldo Salt a formerly blacklisted screenwriter with a tortured past The decision to shoot on location in New York at a time when the city was approaching its gritty nadir backfired when a sanitation strike filled Manhattan with garbage fires and fears of dysentery Much more than a history of Schlesinger's film *Shooting Midnight Cowboy* is an arresting glimpse into the world from which it emerged a troubled city that nurtured the talents and ambitions of the pioneering Polish cinematographer Adam Holender and legendary casting director Marion Dougherty who discovered both Dustin Hoffman and Jon Voight and supported them for the roles of Ratso Rizzo and Joe Buck leading to one of the most intensely moving joint performances ever to appear on screen We follow Herlihy himself as he moves from the experimental confines of Black Mountain College to the theatres of Broadway influenced by close relationships with Tennessee Williams and Ana's Nin and yet unable to find lasting literary success By turns madcap and serious and enriched by interviews with Hoffman Voight and others *Shooting Midnight Cowboy* Art Sex Loneliness Liberation and the Making of a Dark Classic is not only the definitive account of the film that unleashed a new wave of innovation in American cinema but also the story of a country and an industry beginning to break free from decades of cultural and sexual repression

Shooting an Elephant George Orwell, 2022-02-14 George Orwell set out to make political writing into an art and to a wide extent this aim shaped the future of English literature his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism While *1984* and *Animal Farm* are amongst the most popular classic novels in the English language this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership *Shooting an Elephant* the fifth in the Orwell's Essays series tells the story of a police officer in Burma who is called upon to shoot an aggressive elephant Thought to be loosely based on Orwell's own experiences in Burma the tightly written essay weaves together fact and fiction indistinguishably and leaves the reader contemplating the heavy topic of colonialism with the words when the white man turns tyrant it is his own freedom that he destroys echoing from the page A remarkable piece

Mad at the World: A Life of John Steinbeck William Souder, 2020-10-13 Winner of the 2021 Los Angeles Times Book Prize for Biography A Publishers Weekly Best Book of 2020 in Nonfiction A resonant biography of America's most celebrated novelist of the Great Depression The first full length biography of the Nobel laureate to appear in a quarter century *Mad at the World* illuminates what has made the work of John Steinbeck an enduring part of the literary canon his capacity for empathy Pulitzer Prize finalist William Souder explores Steinbeck's long apprenticeship as a writer struggling through the depths of the Great Depression and his rise to greatness with masterpieces such as *The Red Pony* *Of Mice and Men* and *The Grapes of Wrath* Angered by the plight of the Dust Bowl migrants who were starving even as they toiled to harvest California's limitless bounty fascinated by the guileless decency of the downtrodden denizens of Cannery Row and appalled by the country's refusal to recognize the humanity common to all of its citizens Steinbeck took a stand against social injustice paradoxically given his inherent misanthropy setting him apart from the writers of the so called lost generation A man by turns quick tempered compassionate and ultimately brilliant Steinbeck could be a difficult person to like Obsessed with privacy he was mistrustful of people Next to writing his favorite things were drinking and womanizing and getting married which he did three times And while he claimed indifference about success his mid career books and movie deals made him a lot of money which passed through his hands as quickly as it came in And yet Steinbeck also took aim at the corrosiveness of power the perils of income inequality and the urgency of ecological

collapse all of which drive public debate to this day Steinbeck remains our great social realist novelist the writer who gave the dispossessed and the disenfranchised a voice in American life and letters Eloquent nuanced and deeply researched Mad at the World captures the full measure of the man and his work [The American Family](#) David Peterson del Mar,2011-11-07 Traces the movement from mutualism to individualism in the context of American family life Families survived or even flourished during colonization Revolution slavery immigration and economic upheaval In the past century prosperity created a culture devoted to pleasure and individual fulfilment **Understanding Media** Marshall McLuhan,2016-09-04 When first published Marshall McLuhan s Understanding Media made history with its radical view of the effects of electronic communications upon man and life in the twentieth century [My Life in Middlemarch](#) Rebecca Mead,2014-01-28 A New Yorker writer revisits the seminal book of her youth Middlemarch and fashions a singular involving story of how a passionate attachment to a great work of literature can shape our lives and help us to read our own histories Rebecca Mead was a young woman in an English coastal town when she first read George Eliot s Middlemarch regarded by many as the greatest English novel After gaining admission to Oxford and moving to the United States to become a journalist through several love affairs then marriage and family Mead read and reread Middlemarch The novel which Virginia Woolf famously described as one of the few English novels written for grown up people offered Mead something that modern life and literature did not In this wise and revealing work of biography reporting and memoir Rebecca Mead leads us into the life that the book made for her as well as the many lives the novel has led since it was written Employing a structure that deftly mirrors that of the novel My Life in Middlemarch takes the themes of Eliot s masterpiece the complexity of love the meaning of marriage the foundations of morality and the drama of aspiration and failure and brings them into our world Offering both a fascinating reading of Eliot s biography and an exploration of the way aspects of Mead s life uncannily echo that of Eliot herself My Life in Middlemarch is for every ardent lover of literature who cares about why we read books and how they read us
