With unconventional approaches to the craft, fresh angles on novel writing and selling, a healthy dose of humor, and no promise of refunds, Writing Without Rules is for those writers who have tried and tried again--and are ready to success on their own terms. In these pages, accomplished author Jeff Somers will show you: • The key to a successful writing career is doing the actual writing, no matter the circumstances. • Fantastic ideas are available everywhere--you just need to know how to tap into sources through a variety of approaches. • Important craft aspects that you should focus on, such as characters and dialogue, while spending less time on others, like setting. • Effective ways to get published--whether it's traditional or self-publishing--and how to supplement your income. Whether you're a plotter, a pantsier, or somewhere in-between, Writing Without Rules is for those writers who are looking for a fresh take on tackling the challenge of writing and selling a novel, and building a career. As Somers will show you, it's less about being perfect in everything, and more about having the confidence to complete everything.
