An Introduction to Sociology Sep 14 2021 An Introduction to Sociology is your essential guide to understanding the social forces that shape our lives and the world around us. This innovative textbook introduces you to the key theories, themes, and concepts in the discipline of sociology and helps you to develop as a sociologist by providing comprehensive coverage of all the main areas of study. Presenting you with the history, current debates and recent research developments for each topic, this book covers everything from classical sociologies and traditional subjects such as class, families, and religion, through to more progressive areas like digital society, social media, migration, and the interconnectedness of modern global society. The book's extensive coverage means it can be used throughout your studies, from first year to final year. Key features: Each chapter is written by an internationally renowned expert who uses specialist insight and the latest research to provide a reliable and up-to-date overview. Includes a selection of unique learning features such as "Hear from the Expert" boxes and "Key Cases" from around the world, as well as reflective activities and revision questions that will enhance your knowledge. Features a section titled "What is sociology useful for?" which includes chapters on the public value of sociology and the role of sociology in contemporary society. The book is supported by a wide-ranging collection of online teaching and learning resources including exclusive video content from SAGE Video, links to SAGE Journal Articles, sample essay questions, and a selection of multiple-choice questions. This definitive text is perfect for first-year sociology undergraduates and anyone studying sociology at university or college level.

To Kill a Mockingbird Jun 23 2022 Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, To Kill a Mockingbird has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

The Gift of the Magi May 03 2023 "The Gift of the Magi" is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. As a sentimental story with a moral lesson about gift-giving, it has been popular for adaptation, especially for presentation at Christmas time.

Democracy in India Jun 04 2023 This volume-in the Themes in Politics series-brings together the finest scholarly writings on several dimensions of India's democracy. It analyses India's experiment with democracy and its successes and failures. It also situates Indian democracy in the context of the basic principles of democratic theory as well as contemporary debates about the relationship of democracy with civil society, cultural diversity, and development. The volume addresses the crucial concern as to whether the state has contributed to the decline of democracy or whether democratic politics has undermined the state's capability to govern the city. It discusses India's unique experience of negotiating cultural diversity through democratic institutional mechanisms.

Singing Rivers And Speaking Stones May 23 2022 This is an anthology of prose and poetry meant for use as a textbook for General English classes at the intermediate and undergraduate levels. The exercises are innovative and perceptive in nature and open out

English Studies in Indian Universities Jun 16 2024 Right from its formal introduction in India in 1835, through Thomas B. Macaulay's Minute, English has been intrinsically linked with the employment prospects of Indians. During their regime, the British promoted English education to fulfil the requirement of English-knowing Indians for administrative purposes. Owing to globalization, the last few years have witnessed the opening up of thousands of lucrative job opportunities for graduates proficient in English. English has gained importance in India as the language of opportunities. In colonial India, English education was a passport to government jobs, while in the twenty-first century, proficiency in English is essential for private sector jobs. This book examines the development of curricula in English in Indian universities vis-a-vis the needs of second language learners studying in Special English programmes of Bachelor of Arts (BA). It also reflects on how globalization has strengthened the connection between English and employment.

Ozymandias Apr 09 2021 Here is the poem Ozymandias by Percy Bysshe Shelley like you've never seen it before. With strange illustrations that breathe a new life into the poem, this book is something different for you to add to your bookshelf.

Topics for Group Discussion Jul 25 2022 There are no specific rules to prepare for a GD. And no one knows what the topic of GD is going to be. This book includes topics that are likely to be put by the Group Testing Officer before the candidates to gauge their personality and leadership qualities. It will be a good idea to keep yourself abreast with topics from: 1. Current Affairs - Current Affairs is something that you have to be thorough with. Understand the recent crises affecting the world, latest developmental initiatives, and important national & global events. 2. Historical topics- Have a fair knowledge about the history of India and the world. Having historical information will help you cite examples and make references whenever needed. 3. Sports, Arts & Literature - In these topics, try to have a decent idea about what is popular, who are the leaders in each area, the latest that has happened in these areas. 4. Data crunching - Do familiarize yourself with important data. Throwing in some data if required in your GD will definitely create an impression among the assessors. Speak with a measure of confidence on the given topic; and secure the nod of the evaluator.

Speedpost Mar 09 2021 The relationship between a mother and her children is unquestionably the most special human bond there is. In this book, bestselling author Shobhaa Dé writes a series of letters to her six children on the key concerns of every mother and child in the twenty-first century: family values and tradition; discipline and the familiar bugbears of telephone calls, late nights and internet chats; growing pains and the adolescent anxieties about love, sex and friendship; religion and God, the eternal verities; and the challenge of being a responsible parent. Rich, compassionate, loving, witty and wise, these letters will touch the hearts of readers everywhere.
