FSI's "Knowledge Domain-to-Chapter Map" shows where in the Study Guide information can be found about each domain. As FSI hears of any changes to the exam, even after you have purchased the Home Study Program or Intensive Track, we will make the new content available to you via our eStudy site at a discounted price through our eStudy Program if you have purchased either the Home Study Program, eStudy Program or Intensive Track previously. As HIPAA has begun to appear more regularly on the exam, FSI has added an easy to understand HIPAA section in this new 6th Edition, as well as a chapter on Crisis Management and the DSM-5. The Study Guide is a 600+ page hardbound book which concisely organizes the information most likely to be tested by the AMFTRB. The book presents this large body of knowledge in both a summary and more detailed form, emphasizing the most

important concepts needed for the exam, in a very "user friendly" format. It is designed with both recent graduates and the older, very experienced clinicians in mind.
