Abstract

The Kite Runner is a representative novel by Afghan-American writer Khaled Hosseini. In this novel, Hassan's loyalty moved countless readers while Amir's betrayal shocked and even angered many readers. In the researcher's view, all behaviors of the protagonist, Amir, such as his betrayal, guilt and redemption, are closely related to his psychological changes. From mistrust to dosage, guilt to inferiority, self-accusation to role confusion, and from being willing to love to devotion, different psychological states lead to different emotional needs and behaviors. Admittedly, the whole psychological process is actually a journey of growth for Amir. By employing Erikson's psycho-social development theory to analyze Amir's psychological change in different stages, this paper aims to reveal Amir's inner world so that we can have a better understanding of the reasons for Amir's sin and cowardice.

Keywords: *The Kite Runner*, Amir, psychological change, psycho-social development theory, journey of growth

1. Introduction

The Kite Runner was the first novel written by Khaled Hosseini, Afghan-born American writer. In 1999, Hosseini got to know from the news report that the Taliban had banned the activity of kite-flying in Afghanistan. The news reminded him of his childhood in Afghanistan, where he used to play this kind of sport. He thought it was so cruel and unfair for the kids, and this event aroused his interest to write a short story in which two boys loved flying kites. In March, 2001 he began to expand this short story to a novel as suggested by one of his friends. Eventually, this novel was published in 2003, since then it has enjoyed great popularity and has been translated into many versions.

The Kite Runner tells a story between two boys, Amir and his servant, Hassan. In the first half of the novel, Hosseini mainly depicted the friendship between the two boys. The rest half mainly focused on Amir's attempts to amend his guilt by rescuing Hassan's son.

2. Literature Review

The Kite Runner has enjoyed much reputation since its publication in 2003 and has attracted many scholars at home and abroad. They studied this novel from different perspectives. Some papers are concerned about multiculturalism. "Building Cultural Competence Through Multicultural Fiction" by Luckhardt thinks that *The Kite Runner* is an artful example of the power and possibility of multicultural which can be an invaluable tool in the classroom (2010, p. 21). In "To Be Good: The Runner as Allegory of Global Ethics", Jefferess highlights Islamic culturedistinguishes "good Muslim" from "bad Muslim" from the ethical perspective (2009, p. 398). Another focus of studies on this novel is about betrayal and redemption, such as "Images of Salvation and Healing in Shusaku Endo's *Silence* and Khaled Hosseini's *The Kite Runner*" by Elaine Lux and "The Ethics of Painful Reading: Suffering as Means to Redemption, Insight, and Hope in *Beloved*, *Maus*, and *The Kite Runner*" by April Heffner.

At home, Zhang Guangyun and Wang Zhilin explored the images of the kite in *The Kite Runner* in their paper "On the Images of the Kite in the *The Kite Runner*". They hold the opinion that "the kite, as an image, is a carrier of multiple metaphor". In her essay "An analysis of the Symbolic Art Techniques in *The Kite Runner*", Cao Hu thought Khaled Hosseini used symbolic art techniques to reveal many social problems in Afghan. Yu Wengang analyzed the spatial narrative techniques in the narrative process of the novel from the changes of the geography environment, the specific narrative space elements, and the psychological space of the hero Amir in the paper "On the Spatial Narrative Elements in *The Kite Runner*". And another scholar, Zhang Zhen, in her essay "On the Personality Growth Journey of Amir in *The Kite Runner*", she used Freud's personality structure theory to

What I Talk About When I Talk About Running Haruki Murakami,2008-07-29 An intimate look at writing running and the incredible way they intersect What I Talk About When I Talk About Running is an illuminating glimpse into the solitary passions of one of our greatest artists While training for the New York City Marathon Haruki Murakami decided to keep a journal of his progress The result is a memoir about his intertwined obsessions with running and writing full of vivid recollections and insights including the eureka moment when he decided to become a writer By turns funny and sobering playful and philosophical here is a rich and revelatory work that elevates the human need for motion to an art form

The Kite Fighters Linda Sue Park, 2010-06-07 A tale of two brothers in fifteenth century Korea from the Newbery Medal winner and 1 New York Times bestselling author of *A Long Walk to Water* In this riveting novel two brothers discover a shared passion for kites Kee sup can craft a kite unequalled in strength and beauty but his younger brother Young sup can fly a kite as if he controlled the wind itself It's like the kite is part of him the part that wants to fly Their combined skills attract the notice of Korea's young king who chooses Young sup to fly the royal kite in the New Year kite flying competition an honor that is also an awesome responsibility Although tradition decrees and the boys' father insists that the older brother represent the family both brothers know that this time the family's honor is best left in Young sup's hands But how do you stand up to the way things have always been This touching and suspenseful historical novel from the author of *A Single Shard* filled with the authentic detail and flavor of traditional Korean kite fighting brings a remarkable setting vividly to life The final contest is riveting Though the story is set in medieval times the brothers have many of the same issues facing siblings today School Library Journal starred review Readers will enjoy watching these engaging characters find ways of overcoming webs of social and cultural constraints to achieve a common goal and the author expresses the pleasures of creating and flying kites A few sticks a little paper some string And the wind Kite magic with contagious enthusiasm Kirkus Reviews

The Reluctant Fundamentalist Mohsin Hamid, 2009-06-05 From the author of the award winning *Moth Smoke* comes a perspective on love prejudice and the war on terror that has never been seen in North American literature At a caf table in Lahore a bearded Pakistani man converses with a suspicious and possibly armed American stranger As dusk deepens to night he begins the tale that has brought them to this fateful meeting Changez is living an immigrant's dream of America At the top of his class at Princeton he is snapped up by Underwood Samson an elite firm that specializes in the valuation of companies ripe for acquisition He thrives on the energy of New York and the intensity of his work and his infatuation with regal Erica promises entrance into Manhattan society at the same exalted level once occupied by his own family back in Lahore For a time it seems as though nothing will stand in the way of Changez's meteoric rise to personal and professional success But in the wake of September 11 he finds his position in his adopted city suddenly overturned and his budding relationship with Erica eclipsed by the reawakened ghosts of her past And Changez's own identity is in seismic shift as well unearthing allegiances more fundamental than money power and perhaps even love Elegant and compelling Mohsin Hamid's second novel is a devastating exploration of our divided and yet ultimately indivisible world Excuse me sir but may I be of assistance Ah I see I have alarmed you Do not be frightened by my beard I am a lover of America I noticed that you were looking for something more than looking in fact you seemed to be on a mission and since I am both a native of this city and a speaker of your language I thought I might offer you my services as a bridge from *The Reluctant Fundamentalist*

The Dumbest Generation Mark Bauerlein, 2008-05-15 This shocking surprisingly entertaining romp into the intellectual nether regions of today's underthirty set reveals the disturbing and ultimately incontrovertible truth: cyberculture is turning us into a society of know-nothings. *The Dumbest Generation* is a dire report on the intellectual life of young adults and a timely warning of its impact on American democracy and culture. For decades concern has been brewing about the dumbed-down popular culture available to young people and the impact it has on their futures. But at the dawn of the digital age many thought they saw an answer: the internet, email, blogs, and interactive and hyper-realistic video games promised to yield a generation of sharper, more aware and intellectually sophisticated children. The terms "information superhighway" and "knowledge economy" entered the lexicon and we assumed that teens would use their knowledge and understanding of technology to set themselves apart as the vanguards of this new digital era. That was the promise. But the enlightenment didn't happen. The technology that was supposed to make young adults more aware, diversify their tastes, and improve their verbal skills has had the opposite effect. According to recent reports from the National Endowment for the Arts, most young people in the United States do not read literature, visit museums, or vote. They cannot explain basic scientific methods, recount basic American history, name their local political representatives, or locate Iraq or Israel on a map. *The Dumbest Generation: How the Digital Age Stupefies Young Americans and Jeopardizes Our Future* is a startling examination of the intellectual life of young adults and a timely warning of its impact on American culture and democracy. Over the last few decades, how we view adolescence itself has changed, growing from a pitstop on the road to adulthood to its own space in society, wholly separate from adult life. This change in adolescent culture has gone hand in hand with an insidious infantilization of our culture at large, as adolescents continue to disengage from the adult world, they have built their own, acquiring more spending money, steering classrooms and culture towards their own needs and interests, and now using the technology once promoted as the greatest hope for their futures to indulge in diversions from MySpace to multiplayer video games 24/7. Can a nation continue to enjoy political and economic predominance if its citizens refuse to grow up? Drawing upon exhaustive research, personal anecdotes, and historical and social analysis, *The Dumbest Generation* presents a portrait of the young American mind at this critical juncture and lays out a compelling vision of how we might address its deficiencies. *The Dumbest Generation* pulls no punches as it reveals the true cost of the digital age and our last chance to fix it.

Jazz Toni Morrison, 2007-07-24 From the acclaimed Nobel Prize winner, a passionate, profound story of love and obsession that brings us back and forth in time as a narrative is assembled from the emotions, hopes, fears, and deep realities of Black urban life. With a foreword by the author, as rich in themes and poetic images as her Pulitzer Prize-winning *Beloved*, Morrison conjures up the hand of slavery on Harlem's jazz generation. The more you listen, the more you crave to hear. Glamour: In the winter of 1926, when everybody everywhere sees nothing but good things ahead, Joe Trace, middle-aged door-to-door salesman of Cleopatra beauty products, shoots his teenage lover to death. At the funeral, Joe's wife Violet attacks the girl's corpse. This novel transforms a familiar refrain of jilted love into a bold, sustaining time of self-knowledge and discovery. Its rhythms are infectious. People: The author conjures up worlds with complete authority and makes no secret of her angst at the injustices dealt to Black women. *The New York Times Book Review*

The Kite Runner Khaled Hosseini, 2014-07-10 1970s Afghanistan. Twelve-year-old Amir is desperate to win the local kite-fighting tournament, and his loyal friend Hassan promises to help him. But neither of the boys can foresee what will happen to Hassan that afternoon, an event that is to shatter their lives. Since its publication in 2003, *The Kite Runner* has sold twenty-one million copies worldwide. Through Khaled Hosseini's brilliant writing, a previously unknown part of the world was brought to life. Now, in this beautifully illustrated four-colour graphic novel adaptation, *The Kite Runner* is given a vibrant new life, which is sure to compel a new generation of readers.
