The Autobiography of Saint Therese ,1987-11-17 Few spiritual figures have touched as many readers in the past century as Saint Therese of Lisieux the saint popularly known as the Little Flower Though she was only twenty four years old when she died her writings have had tremendous impact making her one of the most popular spiritual writers in the twentieth century Her autobiography The Story of a Soul has been a source of priceless inspiration ever since it was written and has become the great spiritual bestseller of our time A hundred years after her death in 1897 millions of copies have spread throughout the world and it has been translated into more than fifty languages The reason for the continued success of her autobiography is quite simply that it is unlike any work of devotion and spiritual insight ever written Once it is read it cannot be forgotten Its appeal across cultures and generations has been extensive moving both peasants and popes men and women young and old people of every kind of intelligence and education succumb to its spell Yet is not a conventional work of religious devotion instead it is in many ways a supernatural book In the words of Pope Pius XI Saint Therese attained the knowledge of supernatural things in such abundant measure that she was able to point out the sure way of salvation to others and it is especially in The Story of a Soul that she has pointed out this sure way to the generations that have followed her As Therese herself said of this book just prior to her death What I have written will do a lot of good It will make the kindness of God better known
