Taking the Mountain of Education Nancy Huff, 1914-09 Taking the Mountain of Education is a strategic prayer guide for those who want to change America s educational system for God Throughout this country s history significant events took place that placed our public school instruction deep into the throws of humanism While there were many unsound decisions ten are of particular importance Until now those entry points have gone uncontested mainly because they have been unidentified But today they are revealed so believers can pray and redeem our children s destiny and ultimately our country s future America s schools need help Every day the violence runs like a ticker tape on our news outlets of murders of teachers by students murders of students by students rape by teachers violence in the classroom etc There seems to be no end and nothing that can be done about the quandary in which we find ourselves Test scores may edge up a bit but then plummet especially in low income areas Do we need more money to provide improved classrooms higher qualified teachers well trained security staff None of the above will give us the help we need Neither will new programs that each new administration proposes help our educational woes Those who pray know that when a person cannot grasp help no matter how many lifelines are thrown to him the answer is not in another lifeline The answer lies in identifying the enemy s entry points strategic prayer at those entry points and prophetic declarations The answer comes when the root causes of destruction over that person is identified and confronted Join those who will pray all over America us as we embark on a

The Christian's Prayer Book David C Jantjies,2019-01-11 In the beginning man had to be in a very distinct relationship with God in order to have passage to his heart However this would dramatically change when Jesus came to earth Early in his ministry Jesus realized man s inability to pray And thus Jesus taught his followers to pray the Lord s Prayer as recorded in Matthew 6 9 13 It is evident that Jesus was teaching his followers that his Father does not expect lengthy supplications We simply had to enter in prayer giving God glory soliciting the things we need begging for forgiveness petitioning a way around evil and finally pouring out our adulations on God in all his majesty David Christian Jantjies in this epic work digs a little deeper and uncovers the untapped treasures of the much neglected individualized focused prayer The time has now come to approach the throne of God with focused prayers less detailed accentuated prayer worship of the Living God themed petitions and crisp thanksgiving for what God has done and is still doing It further preaches for a more frequent interaction with God The Christian s Prayer Book Focused Prayers 101 is a glorious work Readers will be able to identify with most of these prayers The spectrum is wide The glorification of God is immense The petitions are daily contentions The praise giving to God is huge Each prayer is supported by potent quotations However do not miss the teachings on what prayer is where to pray when to pray and how to pray
