Publisher's description      **The Secret Identity of Devon Delaney** Lauren Barnholdt,2010-05-11 Mom says karma always comes around to get you and I guess it's true Because last summer I was a total liar and now right in the middle of Mr Pritchard's third period math class my whole world is about to come crashing down That's because while Devon was living with her grandmother for the summer she told her summer friend Lexi that she was really popular back home and dating Jared Bentley only the most popular guy at school Harmless lies right Wrong Not when Lexi is standing at the front of Devon's class having just moved to Devon's town Uh oh Devon knows there's only one way to handle this she'll just have to become popular But how is Devon supposed to accomplish that when she's never even talked to Jared much less dated him And it seems the more Devon tries to keep up her image the more things go wrong Her family thinks she's nuts her best friend won't speak to her and as if it's not all complicated enough Jared starts crushing on Lexi and Devon starts crushing on Jared's best friend Luke It all has Devon wondering who is the real Devon Delaney      **Telling Christina Goodbye** Lurlene McDaniel,2007-12-18 Trisha Thompson and her best friend Christina are having a great senior year Trisha and her boyfriend Cody are making plans to attend Indiana University together in the fall while Christina has already received a scholarship to the University of Vermont Everything would be perfect if only Trisha got along with Christina's controlling boyfriend Tucker who is trying to convince Christina not to go away for college But suddenly their lives change one night when Tucker is driving the four home from an away basketball game When his car hits a patch of black ice and overturns Tucker walks away with barely a scratch but Trisha is injured Cody is in a coma and Christina is dead Those left behind must learn that it takes time for their scars both visible and not to heal And they must find the courage to move on with their lives      *The Iron Thorn* Caitlin Kittredge,2011 In an alternate 1950s mechanically gifted fifteen year old Aoife Grayson whose family has a history of going mad at sixteen must leave the totalitarian city of Lovecraft and venture into the world of magic to solve the mystery of her brother's disappearance and the mysteries surrounding her father and the Land of Thorn      *Turnabout* Thorne Smith,2014-02-01 Though Thorne Smith's most popular works involve elements of fantasy and science fiction the clever novel Turnabout takes his penchant for incorporating supernatural and magical themes in his work and puts one such plot twist to use as a comedic tool An ancient Egyptian idol grows weary of the seemingly never ending spats between the Willows a young married couple and forces them to switch bodies As you might expect hilarious hijinks ensue      **A Mad, Wicked Folly** Sharon Biggs Waller,2014-01-23 In Edwardian London a girl dreams of being an artist despite her family's disapproval Welcome to the world of the fabulously wealthy in London 1909 where dresses and houses are overwhelmingly opulent social class means everything and women are taught to be nothing more than wives and mothers Into this world comes seventeen year old Victoria Darling who wants only to be an artist a nearly impossible dream for a girl After Vicky poses nude for her illicit art class she is expelled from her French finishing school Shamed and scandalized her parents try to marry her off to the wealthy Edmund Carrick Humphrey But Vicky has other things on her mind her clandestine application to the Royal

College of Art her participation in the suffragette movement and her growing attraction to a working class boy who may be her muse or may be the love of her life As the world of debutante balls corsets and high society obligations closes in around her Vicky must figure out just how much is she willing to sacrifice to pursue her dreams [The Harder the Fall](#) Lauren Barnholdt,2013-09-03 Kendall has a crush and the ghost of his mother has something to say about it The second book in a hilariously haunting tween series that Kirkus Reviews calls bright bubbly fun Kendall Williams talks to dead people all the time Like it or not it s kind of her thing the ghosts need her help resolving issues from when they were alive and she s good at figuring out their problems What she can t figure out however is why the ghost of her crush s mother is haunting her Add to that her ghost client s obnoxious brother who thinks Kendall is crushing on him her father who is getting serious with his girlfriend and her BFF who thinks Kendall s losing her mind and it s enough to make this ghost whisperer seriously consider getting out of the ghost helping business once and for all [The Grief Keeper](#) Alexandra Villasante,2019-06-11 This stunning YA debut is a timely and heartfelt speculative narrative about healing faith and freedom Seventeen year old Marisol has always dreamed of being American learning what Americans and the US are like from television and Mrs Rosen an elderly expat who had employed Marisol s mother as a maid When she pictured an American life for herself she dreamed of a life like Aimee and Amber s the title characters of her favorite American TV show She never pictured fleeing her home in El Salvador under threat of death and stealing across the US border as an illegal but after her brother is murdered and her younger sister Gabi s life is also placed in equal jeopardy she has no choice especially because she knows everything is her fault If she had never fallen for the charms of a beautiful girl named Liliana Pablo might still be alive her mother wouldn t be in hiding and she and Gabi wouldn t have been caught crossing the border But they have been caught and their asylum request will most certainly be denied With truly no options remaining Marisol jumps at an unusual opportunity to stay in the United States She s asked to become a grief keeper taking the grief of another into her own body to save a life It s a risky experimental study but if it means Marisol can keep her sister safe she will risk anything She just never imagined one of the risks would be falling in love a love that may even be powerful enough to finally help her face her own crushing grief [The Grief Keeper](#) is a tender tale that explores the heartbreak and consequences of when both love and human beings are branded illegal **The Thing About the Truth** Lauren Barnholdt,2013-06-04 In this humorous love story from the author of [Two Way Street](#) an unlikely romance is the best sort of surprise Nbut the wrong secret can ruin everything

[Doppelganger](#) David Stahler, Jr.,2010-03-09 Doppelgangers are monsters hardwired for murder They are not supposed to have doubts but this one does He wishes he could be different More human maybe But even that can t stop him from killing people so he can take their places and live their lives He has to do it it s who he is But when the doppelganger murders a small town teenager assumes his shape and takes over his life he s shocked by the world he steps into Engulfed in a whirlwind of peer pressure messy family dynamics and a provocative relationship with a beautiful girl he quickly learns that
