Ecopsychology Theodore Roszak, Mary E. Gomes, Allen D. Kanner, 1995 This pathfinding collection by premier psychotherapists thinkers and eco activists in the field shows how the health of the planet is inextricably linked to the psychological health of humanity individually and collectively It is sure to become a definitive work for the ecopsychology movement Forewords by Lester O Brown and James Hillman

The Voice of the Earth Theodore Roszak, 2001-01-01 What is the bond between the human psyche and the living planet that nurtured us and all of life into existence What is the link between our own mental health and the health of the greater biosphere In this bold ambitious philosophical essay Publishers Weekly historian and cultural critic Roszak explores the relationships between psychology ecology and new scientific insights into systems in nature Drawing on our understanding of the evolutionary self organizing universe Roszak illuminates our rootedness in the greater web of life and explores the relationship between our own sanity and the larger than human world The Voice of the Earth seeks to bridge the centuries old split between the psychological and the ecological with a paradigm which sees the needs of the planet and the needs of the person as a continuum The Earth s cry for rescue from the punishing weight of the industrial system we have created is our own cry for a scale and quality of life that will free us to become whole and healthy This second edition contains a new afterword by the author

The Voice of the Earth Theodore Roszak, 1993 An historian and cultural critic explores the relationships between psychology ecology and new scientific insights into systems in nature Drawing on our understanding of the evolutionary self organizing universe Roszak discusses our rootedness in the greater web of life and explores the relationship between our own sanity and the larger than human world

Ecotherapy Linda Buzzell, Craig Chalquist, 2009-05-12 In the 14 years since Sierra Club Books published Theodore Roszak Mary E Gomes and Allen D Kanner s groundbreaking anthology Ecopsychology Restoring the Earth Healing the Mind the editors of this new volume have often been asked Where can I find out more about the psyche world connection How can I do hands on work in this area Ecotherapy was compiled to answer these and other urgent questions Ecotherapy or applied ecopsychology encompasses a broad range of nature based methods of psychological healing grounded in the crucial fact that people are inseparable from the rest of nature and nurtured by healthy interaction with the Earth Leaders in the field including Robert Greenway and Mary Watkins contribute essays that take into account the latest scientific understandings and the deepest indigenous wisdom Other key thinkers from Bill McKibben to Richard Louv to Joanna Macy explore the links among ecotherapy spiritual development and restoring community As mental health professionals find themselves challenged to provide hard evidence that their practices actually work and as costs for traditional modes of psychotherapy rise rapidly out of sight this book offers practitioners and interested lay readers alike a spectrum of safe effective alternative approaches backed by a growing body of research

Ecopsychology Peter H. Kahn, Jr., Patricia H. Hasbach, 2012-07-20 An ecopsychology that integrates our totemic selves our kinship with a more than human world with our technological selves We need nature for our physical and psychological well being Our actions reflect this when we turn to beloved pets for companionship vacation in spots of natural splendor or spend hours working in the garden Yet we are also a technological species and have been since we fashioned tools out of stone Thus one of this century s central challenges is to embrace our kinship with a more than human world our totemic self and integrate that kinship with our scientific culture and technological selves This book takes on that challenge and proposes a reenvisioned ecopsychology Contributors consider such topics as the innate tendency for people to bond with local place a meaningful nature language the epidemiological evidence for the health benefits of nature interaction the theory and practice of ecotherapy Gaia theory ecovillages the neuroscience of perceiving natural beauty and sacred geography Taken together the essays offer a vision for human flourishing and for a more grounded and realistic environmental psychology

Radical Ecopsychology, Second Edition Andy Fisher, 2013-01-01 Expanded new edition of a classic examination of the psychological roots of our ecological crisis

Ecological Identity Mitchell Thomashow, 1996-07-25 Through theoretical discussion as well as hands on participatory learning approaches Thomashow provides concerned citizens teachers and students with the tools needed to become reflective environmentalists Mitchell Thomashow a preeminent educator shows how environmental studies can be taught from different perspective one that is deeply informed by personal reflection Through theoretical discussion as well as hands on participatory learning approaches Thomashow provides concerned citizens teachers and students with the tools needed to become reflective environmentalists What do I know about the place where I live Where do things come from How do I connect to the earth What is my purpose as a human being These are the questions that Thomashow identifies as being at the heart of environmental education Developing a profound sense of oneself in relationship to natural and social ecosystems is necessary grounding for the difficult work of environmental advocacy In this book he provides a clear and accessible guide to the learning experiences that accompany the construction of an ecological identity using the direct experience of nature as a framework for personal decisions professional choices political action and spiritual inquiry Ecological Identity covers the different types of environmental thought and activism using John Muir Henry David Thoreau and Rachel Carson as environmental archetypes but branching out into ecofeminism and bioregionalism issues of personal property and consumption political identity and citizenship and integrating ecological identity work into environmental studies programs Each chapter has accompanying learning activities such as the Sense of Place Map a Community Network Map and the Political Genogram most of which can be carried out on an individual basis Although people from diverse backgrounds become environmental activists and enroll in environmental studies programs they are rarely encouraged to examine their own history motivations and aspirations Thomashow s approach is to reveal the depth of personal experience that underlies contemporary environmentalism and to explore interpret and nurture the learning spaces made possible when people are moved to contemplate their experience of nature

A Redemptive Path Forward Antong Lucky, 2023-05-09 A motivational memoir by a formerly incarcerated man who transformed from founder and leader of the Dallas Bloods to a practitioner of peace and nonviolence in the neighborhood he once helped destroy As a child of an incarcerated father Antong Lucky grew up in an impoverished crime ridden neighborhood in East Dallas Texas born at the same time as East Dallas experienced an alarming rise in crack cocaine and heroin use Despite his high grades and passion for learning Antong is introduced to gang life and its consequences Eventually Antong forms the Dallas Bloods gang inaugurating a period in the 1990s of escalating retaliatory gun violence buoyed by a lucrative illegal drug enterprise until he is ultimately arrested and sentenced to seven years in prison His journey through the doors of transformation came through the pain of incarceration and introspection that caused him to question the cognitive distortions embedded in him since childhood Once in prison Antong denounced his gang affiliation and began working to unite rival gangs quickly rising to become one of the most respected and sought after mentors in prison A spiritual transformation further inspired Antong to return to his old neighborhood after early release seeking to align with like minded people dedicated to challenging systemic issues in U S communities through collective efforts The work of an incisive determined mind A Redemptive Path Forward will take its place among the broadening canon of titles championing and investigating prison reform and societal transformation

I Dream with Open Eyes George Prochnik, 2022-09-27 A journey of reckoning and renewal this story of family history and future dreams is an examination of the individual imagination as a catalyst for social change Whatever the ideological slant of our information feeds nowadays we all share a sense of binge watching the apocalypse Facing so much uncertainty we need a language for thinking about the unknown not simply as a threat but also as a space of fertile possibility George Prochnik has chosen to reflect on these urgent themes through the lens of a personal narrative an account of his own family's decision to leave the United States *I Dream with Open Eyes* begins with an exploration of Prochnik's ancestral past the pilgrimage of his mother's family who were among the first English settlers in the New World In the aftermath of the 2016 election a parallel migration unfolds as Prochnik along with his wife and their son makes the decision to uproot their lives in New York to move to England A deep critique of this current moment Prochnik takes the words of nineteenth century poet Heinrich Heine *I dream with open eyes and my eyes see* as an inspiration to ask how as a society we might use art and literature to refract and expand our vision of the future while simultaneously generating a new focus on present realities

The Making of a Counter Culture Theodore Roszak, 1969 Study in social theory examining the rejection by youth of contemporary social structures and traditional values and the resulting cultural changes and social changes covers psychological aspects sociological aspects and the attitudes of youth to philosophy religion science etc and examines the need for creative thinking and innovation to transform the present disoriented civilisation

Reconnecting With Nature Michael J. Cohen, 2007-02-14 Most of us have been conditioned to ignore more than fifty natural sensitivities that connect us with nature's beauty health and regenerative ways This omission underlies our unhealthy stress and disorders The Organic Psychology chapters and activities in *Reconnecting With Nature* help our fifty three senses embrace natural systems The systems in turn compost and transform industrial society's pollution of our mind and body into personal environmental and spiritual well being

Requiem for the Massacre RJ Young, 2023-11-14 NAACP Image Award Nominee for Outstanding Literary Work Non Fiction A Kirkus Reviews Best Book of The Year With journalistic skill heart and hope *Requiem for the Massacre* reckons with the tension in Tulsa Oklahoma one hundred years after the most infamous act of racial violence in American history More than one hundred years ago the city of Tulsa Oklahoma perpetrated a massacre against its Black residents For generations the true story was ignored covered up and diminished by those in power and in a position to preserve the status quo Blending memoir and immersive journalism RJ Young shows how today Tulsa combats its racist past while remaining all too tolerant of racial injustice *Requiem for the Massacre* is a cultural excavation of Tulsa one hundred years after one of the worst acts of domestic terrorism in U S history Young focuses on unearthing the narrative surrounding previously all Black Greenwood district while challenging an apocryphal narrative that includes so called Black Wall Street Booker T Washington and Black exceptionalism Young provides a firsthand account of the centennial events commemorating Tulsa's darkest day as the city attempts to reckon with its self image commercialization of its atrocity and the aftermath of the massacre that shows how things have changed and how they have stayed woefully the same As Tulsa and the United States head into the next one hundred years Young's own reflections thread together the stories of a community and a nation trying to heal and trying to hope
