

New Year Resolutions (Fun Poem 152)

**As an old year passes through to a new
we make our resolutions to fulfil
giving up this and that
for a couple of days at least
until our willpower gives way
to the temptations all around
and we start down that slippery slope
until the next year comes around
when once again we will try again
hoping next year we succeed.**

Prose Poems of the French Enlightenment Fabienne Moore,2017-11-30 By examining nearly sixty works the author traces the prehistory of the French prose poem demonstrating that the disquiet of some eighteenth century writers with the Enlightenment gave rise to the genre nearly a century before it is habitually supposed to have existed In the throes of momentous scientific philosophical and socioeconomic changes Enlightenment authors turned to the past to revive sources such as Homer the pastoral Ossian the Bible and primitive eloquence favoring music to construct alternatives to the world of reason The result the author argues were prose poems including F lon s Les Aventures de T maque Montesquieu s Le Temple de Gnide Rousseau s Le L te d Ephra m Chateaubriand s Atala as well as many lesser known texts most of which remain out of print The author s treatment of Bible criticism and eighteenth century religious reform movements reveal the often neglected spiritual side of Enlightenment culture and tracks its contribution to the period s reflection about language and poetic invention The author includes in appendices four unusual texts adjudicating the merits of prose poems making evidence of their controversial nature now accessible to readers Every Day Birds Amy Ludwig VanDerwater,2016-02-23 Young readers get an introduction to twenty different types of birds with breathtaking paper cuts by newcomer Dylan Metrano Chickadee wears a wee black cap Jay is loud and bold Nuthatch perches upside down Finch is clothed in gold Young readers are fascinated with birds in their world Every Day Birds helps children identify and learn about common birds After reading Every Day Birds families can look out their windows with curiosity recognizing birds and nests and celebrating the beauty of these creatures Every Day Birds focuses on twenty North American birds with a poem and descriptions written by Amy Ludwig VanDerwater and beautiful paper cuttings by first time picture book illustrator Dylan Metrano Interesting facts about each bird are featured in the back of the book Milton's Late Poems Lee Morrissey,2022-08-25 Upending conventional scholarship on Milton and modernity Lee Morrissey recasts Paradise Lost Paradise Regained and Samson Agonistes as narrating three alternative responses to a world in upheaval adjustment avoidance and antagonism Through incisive engagement with narrative form and genre Morrissey shows how each work considered specifically as a fiction grapples with the vicissitudes of a modern world characterised more by paradoxes ambiguities subversions and shifting temporalities than by any rigid historical periodization The interpretations made possible by this book are as invaluable as

they are counterintuitive opening new definitions and stimulating avenues of research for Milton students and specialists as well as for those working in the broader field of early modern studies Morrissey invites us to rethink where Milton stands in relation to the greatest products of modernity and in particular to that most modern of genres the novel

On Biblical Poetry F.W. Dobbs-Allsopp, 2015-08-19 *On Biblical Poetry* takes a fresh look at the nature of biblical Hebrew poetry beyond its currently best known feature parallelism F W Dobbs Allsopp argues that biblical poetry is in most respects just like any other verse tradition and therefore biblical poems should be read and interpreted like other poems using the same critical tools and with the same kinds of guiding assumptions in place He offers a series of programmatic essays on major facets of biblical verse each aspiring to alter currently regnant conceptualizations in the field and to show that attention to aspects of prosody rhythm lineation and the like allied with close reading can yield interesting valuable and even pleasurable interpretations What distinguishes the verse of the Bible says Dobbs Allsopp is its historicity and cultural specificity those peculiar encrustations and encumbrances that typify all human artifacts Both the literary and the historical then are in view throughout The concluding essay elaborates a close reading of Psalm 133 This chapter enacts the final movement to the set of literary and historical arguments mounted throughout the volume an example of the holistic staging which Dobbs Allsopp argues is much needed in the field of Biblical Studies
