2023 [The purpose of this book is] to help younger students increase their vocabulary and to improve their vocabulary skills. It [is] designed to help prepare students for vocabulary-related items found in standardized tests. [This book] contains 160 basic words selected on the basis of currency in present-day usage, frequency in recognized vocabulary lists and on standardized tests, and the latest grade-

placement research.-Foreword. In ... this book, you will be given the pronunciations, the parts of speech, and the meanings of [these basic words]. You will also be given examples of how they are used in sentences, as well as some of their synonyms and antonyms.-Note to students.
