*Save Your Hands! Feb 07 2022 Comprehensive, authoritative, research-based information to help manual therapists prevent injury, enhance their practice, and prolong their careers. Includes practical information, advice and suggestions on good body mechanics, designing the workspace for greater comfort and safety, protecting vulnerable parts of the body by finding alternative techniques, staying in shape with a conditioning program designed by a doctor of physical therapy specifically*

*for manual therapists, and recognizing and treating early symptoms to keep them from turning into injury. Written by a leading expert with over 13 years of experience and a certified professional ergonomist with over 17 years of experience, with contributions by a doctor of physical therapy with over 20 years of experience. Written in an accessible, easy-to-read style, this all-new second edition includes over 80 illustrations and photographs and has been endorsed by many prominent members of the manual therapy community.*

*Wash Your Hands! Aug 04 2021 "Wash your hands," said the King. "Why? I've washed them TWICE," said the Little Princess. Small children have an understandable problem conceiving why they continually have to wash their hands, but as the Maid explains to the Little Princess, germs and nasties live in all the places she has been, and if they get into her stomach they can make her ill - and they look MUCH worse than crocodiles. The Little Princess first appeared in I Want My Potty, now a nursery classic, having sold over 600,000 copies in the UK alone. The Little Princess is a well known and well loved character and the star of five previous picture books, three board books and four original board book stories.*

*Thinking with Your Hands Mar 30 2021 An astounding account of how gesture, long overlooked, is essential to how we learn and interact, which "changes the way you think about yourself and the people around you." (Ethan Kross, bestselling author of Chatter) We all know people who talk with their hands—but do they know what they're saying with them? Our gestures can reveal and contradict us, and express thoughts we may not even know we're thinking. In Thinking with Your Hands, esteemed cognitive psychologist Susan Goldin-Meadow argues*

*that gesture is vital to how we think, learn, and communicate. She shows us, for instance, how the height of our gestures can reveal unconscious bias, or how the shape of a student's gestures can track their mastery of a new concept—even when they're still giving wrong answers. She compels us to rethink everything from how we set child development milestones, to what's admissible in a court of law, to whether Zoom is an adequate substitute for in-person conversation. Sweeping and ambitious, *Thinking with Your Hands* promises to transform the way we think about language and communication.*

*Clap Your Hands Aug 28 2023 Full of reasons to get up and dance, Lorinda Bryan Cauley's popular picture book, now available in board book format, has been delighting children for nearly a decade. Little ones will jump at the chance to join this menagerie of zany animals and children as they stomp, wiggle, roar, and spin their way through the day, as the rhyming text reinforces important concepts.*

*Into Your Hands, Father Jun 06 2024 In the spiritual life, we need a central idea: something so basic and comprehensive that it encompasses everything else. According to Carmelite Father Wilfrid Stinissen, surrender to God, abandonment to the One who loves us completely, is that central reality. The life of Jesus shows us the centrality of abandonment, for it is truly the beginning and the end of his mission on earth. In this simple but profound book, Father Stinissen distinguishes three degrees or stages in abandonment. The first stage consists of accepting and assenting to God's will as it manifests itself in all circumstances of life. The second is actively doing God's will at every moment of one's life. In the third stage, abandonment to God is so complete that one has become a tool in God's hands.*

*At this stage it is no longer I who do God's will, but God who accomplishes his will through me.*

*Your Hands Can Heal You Jul 03 2021 What if one of the most effective tools you have to restore your health is not surgery or medications, but your own hands? Incredibly, your hands can heal you -- with the "energy medicine" of Pranic Healing. A powerful system that is rapidly increasing in popularity, Pranic Healing works with your own natural, vital energy -- which is also called prana -- to accelerate your body's innate self-healing ability. Amazingly easy to learn and apply, Pranic Healing uses a series of powerful but simple methods to generate energy, including non-touch hand movements; energetic hygiene, the practice of keeping your personal energy tank clean and full; breathing; and brief meditations. Using these unique techniques, you can identify, clear, and purify unhealthy, imbalanced energy and replace it with fresh energy that helps your body heal itself from a wide range of physical, psychological, and emotional symptoms and disorders. A self-healing guide for 24 ailments, including physical and sports injuries, chronic arthritis, irritable bowel syndrome, insomnia, hypertension, headaches, backaches, congestion and colds, menstrual cramps, even depression and stress-related disorders, is included. With step-by-step instructions, line drawings, and numerous real-life medical stories, Your Hands Can Heal You demonstrates and explains a revolutionary program that anyone can use to harness the energy of body, mind, and breath to produce health and facilitate repair. Personally trained by Grand Master Choa Kok Sui, who developed Pranic Healing, the authors, Master Co and Dr. Robins, provide the same detailed guidance in Your Hands Can*

*Heal You as in the popular Pranic Healing workshops. Additionally, they present, for the first time in any book, the Grandmaster's special modifications to the breathing practices that can dramatically increase your power and energy and rejuvenate and balance your physical, emotional, mental, and spiritual body. This exciting new mind-body health reference proves that you can heal yourself -- with your own two hands.*

*No Time on My Hands Jul 27 2023 The author recounts her childhood in late-nineteenth-century Nebraska, describes her adult life on a ranch, and discusses her lifelong interest in making quilts*

*I Don't Want to Wash My Hands! Jan 01 2024 The Little Princess loves getting her hands dirty. The trouble is . . . she hates washing them. Until she learns all about the nasties and the dirties and all the other horrible things that lurk and make you ill . . .*

*Manual Aug 16 2022 "For three years, Bill Westheimer photographed 150 portraits in New York, New Jersey, and Scotland for The Manual Project. This book is the culmination of his investigation into the personalities of hands."--*

*The Case for Working with Your Hands Jan 21 2023 Why do some jobs offer fulfilment while others leave us frustrated? Why do we so often think of our working selves as separate from our 'true' selves? Over the course of the twentieth century, we have separated mental work from manual labour, replacing the workshop with either the office cubicle or the factory line. In this inspiring and persuasive book, Matthew Crawford explores the dangers of this false distinction and presents instead the case for working with your hands. He brings to life the immense psychological and intellectual satisfactions of making and fixing*

*things, explores the moral benefits of a technical education and, at a time when jobs are increasingly being outsourced over the internet, argues that the skilled manual trades may be one of the few sure paths to a good living. Drawing on the work of our greatest thinkers, from Aristotle to Heidegger, from Karl Marx to Iris Murdoch, as well as on his own experiences as an electrician and motorcycle mechanic, Crawford delivers a radical, timely and extremely enjoyable re-evaluation of our attitudes to work.*

*The Hand Nov 18 2022 "A startling argument . . . provocative . . . absorbing." --The Boston Globe "Ambitious . . . arresting . . . celebrates the importance of hands to our lives today as well as to the history of our species." --The New York Times Book Review The human hand is a miracle of biomechanics, one of the most remarkable adaptations in the history of evolution. The hands of a concert pianist can elicit glorious sound and stir emotion; those of a surgeon can perform the most delicate operations; those of a rock climber allow him to scale a vertical mountain wall. Neurologist Frank R. Wilson makes the striking claim that it is because of the unique structure of the hand and its evolution in cooperation with the brain that Homo sapiens became the most intelligent, preeminent animal on the earth. In this fascinating book, Wilson moves from a discussion of the hand's evolution--and how its intimate communication with the brain affects such areas as neurology, psychology, and linguistics--to provocative new ideas about human creativity and how best to nurture it. Like Oliver Sacks and Stephen Jay Gould, Wilson handles a daunting range of scientific knowledge with a surprising deftness and a profound curiosity about human possibility. Provocative, illuminating, and delightful to read, The*

*Hand encourages us to think in new ways about one of our most taken-for-granted assets. "A mark of the book's excellence [is that] it makes the reader aware of the wonder in trivial, everyday acts, and reveals the complexity behind the simplest manipulation." --The Washington Post*

*Your Life In My Hands - a Junior Doctor's Story Sep 28 2023 'I am a junior doctor. It is 4 a.m. I have run arrest calls, treated life-threatening bleeding, held the hand of a young woman dying of cancer, scuttled down miles of dim corridors wanting to sob with sheer exhaustion, forgotten to eat, forgotten to drink, drawn on every fibre of strength that I possess to keep my patients safe from harm.' How does it feel to be spat out of medical school into a world of pain, loss and trauma that you feel wholly ill-equipped to handle? To be a medical novice who makes decisions which - if you get them wrong - might forever alter, or end, a person's life? To toughen up the hard way, through repeated exposure to life-and-death situations, until you are finally a match for them? In this heartfelt, deeply personal account of life as a junior doctor in today's health service, former television journalist turned doctor, Rachel Clarke, captures the extraordinary realities of ordinary life on the NHS front line. From the historic junior doctor strikes of 2016 to the 'humanitarian crisis' declared by the Red Cross, the overstretched health service is on the precipice, calling for junior doctors to draw on extraordinary reserves of what compelled them into medicine in the first place - and the value the NHS can least afford to lose - kindness. Your Life in My Hands is at once a powerful polemic on the systematic degradation of Britain's most vital public institution, and a love letter of optimism and hope to that same health service and*

*those who support it. This extraordinary memoir offers a glimpse into a life spent between the operating room and the bedside, the mortuary and the doctors' mess, telling powerful truths about today's NHS frontline, and capturing with tenderness and humanity the highs and lows of a new doctor's first steps onto the wards in the context of a health service at breaking point - and what it means to be entrusted with carrying another's life in your hands. 'Eloquent and moving' - Henry Marsh 'There have been many books written by young doctors... but none comes close to Clarke's' - Sunday Times 'From the very heart of the NHS comes this brilliant insight into the continuing crisis in the health service. Rachel Clarke writes as the accomplished journalist she once was and as the leading junior doctor she now is - writing with humanity and compassion that at times reduced me to tears.' - Jon Snow, Channel 4 News 'Dr Clarke has written a blockbuster, a page-turner, a tear-jerker. This is a "from-the-heart" front-line account of the human cost of the wanton erosion of a magnificent ideal - healthcare free at the point of need, funded through public taxation, available to all - made real in the UK for near 70 years. It is a love-song for the wonderful National Health Service that has embodied - to an extent equalled nowhere in the world - the principle that healthcare is not a commodity but a great duty of state.' - Prof. Neena Modi, President of the Royal College of Paediatrics and Child Health 'A powerful account of life on the NHS frontline. If only Theresa May and Jeremy Hunt could see the passion behind the people in the NHS, they might stop treating them as the enemy, and understand that without them we don't have an NHS worth the name.' - Alastair Campbell*

*Into Your Hands May 01 2021 This set of seven sermons*

*follows the traditional church sequence of “The Seven Last Words of the Cross,” utterances that the gospel narratives place on the lips of Jesus. These utterances are drawn from the several gospel narratives. In the liturgical life of the church, however, the sequence has a significance and staying power of its own quite apart from the gospel narratives in which the utterances are embedded. These sermons take seriously the faith voiced by Jesus in his context of wretched abuse by the Roman Empire. They attempt, moreover, to connect that reality of faith and abuse in our contemporary world of concentrated, ruthless power. The intent of such sermons on Good Friday is to replicate for us in our context what such an interface of faith and abuse must have been like.*

*Blood on My Hands Jun 25 2023 At a high school party, a girl finds her best friend murdered, only to be discovered holding the weapon and accused of the crime.*

*With My Hands Apr 04 2024 “From birdhouses to shadow puppets, the variety of projects included are delightful . . . An effective medley of concept, poetry, and artwork.”—School Library Journal For young makers and artists, brief, lively poems illustrated by a New York Times bestselling duo celebrate the pleasures of working with your hands. Building, baking, folding, drawing, shaping . . . making something with your own hands is a special, personal experience. Taking an idea from your imagination and turning it into something real is satisfying and makes the maker proud. With My Hands is an inspiring invitation to tap into creativity and enjoy the hands-on energy that comes from making things. “Poetry sparks an irresistible, primal urge to twist, cut, paint, draw, glue, carve, whittle, daub, tie, hammer, to simply make.”—Kirkus Reviews*

*“A cheery reminder of the pride of creating something and the many forms art can take.”—Publishers Weekly “Whether invoking cooking, sewing, tying knots, or other undertakings, this provides an enjoyable springboard for aspiring makers.”—Booklist*

*Now Wash Your Hands! Mar 23 2023 The perfect picture book to teach children about the importance of washing their hands. There's a very special guest at the school for little animals, and her name is Doris - Doris the Doctorpus. She's here to help the animals learn to wash their hands because of something very very small called GERMS! Doris explains that washing your hands can send germs packing and she's got her very own hand-washing song too. A funny and reassuring story that's perfect for calming worried little ones while reinforcing the importance of keeping hands super-clean. A donation of 50p per copy sold will be donated in aid of the NHS Charities Together COVID-19 Urgent Appeal.*

*Your Destiny Is in Your Hands Jun 01 2021 It is said that by thought, we attract the thing. By taking action, we receive the thing. We decide what our thoughts should be. As a man thinks in his heart, so is he (Prov. 23:7). The book encourages us to think using the mind of God (Phil 2:5). Thinking with the mind of God makes success inevitable because God knows all things. The book encourages readers to let go of many things, including the past. But to never give up on the power of believing in oneself. Readers are encouraged to allow their higher self to control the inner conversations. Many people rent out their mind to sources void of credibility but get no compensation in return. Furthermore, they have no “rental clause” to protect them from their mind being hijacked. More*

*often than not, even if their mind is returned to them, it is under the control of envy, jealousy, fear, worry, and “can’t do.” Before the mind is returned to its original owner, it would have forged an intimate relationship with “lack,” “procrastination,” and “the past.” Who is controlling your mind?*

*The Secret Code on Your Hands Apr 23 2023 When properly understood, the human hand is an unsurpassed tool for character and emotional analysis. The Secret Code on Your Hands is a captivating instruction guide to understanding how to read your own destiny in your hands, as well as your friends. Fully illustrated, with quick pointers and distinct section dividers, it is a great reference book for any aspiring palmist; a quick and accurate method to assess talents, abilities, psychology, and emotional personality in both business and romance.*

*My Hands Sing the Blues Sep 04 2021 A train journey in Romare Beardens childhood, inspired by one of his collage paintings*

*My Hands Tell a Story Feb 19 2023 A little girl, baking bread with her grandmother, becomes transported by the tales her grandmother's hands tell--those that spring from the rose-painted nails, a flower-banded wedding ring, and the way her fingers move and glide. These hands have many tales to tell. But only if you listen.*

*Curious George Wash Your Hands (Cgtv Board Book) Sep 16 2022 Learn to wash the germs off your hands with Curious George in this playful and informative board book for the youngest readers. When should Curious George wash his hands? Why does George wash his hands . . . and how does he do it? Join George on a playful romp through his day as he learns more about germs and hand-washing. This accessible*

*story features informational text about germs and cleanliness for the youngest readers. This is the perfect primer for little ones just learning to wash their hands.*

*Health Is in Your Hands May 13 2022 Nonfiction. Health, Self-Help, Physio- Philosophy. The physio-philosophy of Jin Shin Jyutsu is a traditional Japanese healing art for harmonizing life energy. In HEALTH IS IN YOUR HANDS, bestselling author and authorized Jin Shin Jyutsu instructor Waltraud Riegger-Krause makes Jin Shin Jyutsu conveniently accessible as a hands-on practice to anyone interested in sharing and benefiting from its therapeutic and salutary powers. Besides offering an astute, yet simply and clearly written introduction to the foundations and complexities of Jin Shin Jyutsu, HEALTH IS IN YOUR HANDS lays out a wide variety of treatments for a broad range of symptoms and conditions. What makes HEALTH IS IN YOUR HANDS truly revolutionary and indispensable, however, is its comprehensive flash- card set for immediate hands-on Jin Shin Jyutsu application, which, owing to its visual aids and multicolored arrangement, allows you to quickly learn the connections between the depths, energy locks and organ flows, and to choose the appropriate cards and practice the appropriate flows for any given symptoms. HEALTH IS IN YOUR HANDS is nothing less than a veritable Jin Shin Jyutsu First Aid Kit together with a thorough presentation of this healing art all in one.*

*The Healing Energy of Your Hands Feb 27 2021 THE HEALING ENERGY OF YOUR HANDS demystifies the art of healing. Beginning with a basic explanation of the nature of healing energy, illness, and the role of the mind in the healing process, Bradford offers techniques so simple that anyone,*

*even a child, can work with healing energy. The author's intention is that anyone using his book can awaken his or her natural healing talents quickly and easily. Topics include sensing energy, clearing energy blockages, eliminating negative self-talk, using affirmations, balancing the chakras, cleansing the auric field, relieving pain, and creating forgiveness.*

*But I Washed My Hands Jun 13 2022 A children's guide to properly washing hands*

*Put Your Hands on Your Hips and Act Like a Woman Nov 06 2021 In a gathering of griot traditions fusing storytelling, cultural history, and social and literary criticism, Put Your Hands on Your Hips and Act Like a Woman "re-members" and represents how women of the African diaspora have drawn on ancient traditions to record memory, history, and experience in performance. These women's songs and dances provide us with a wealth of polyphonic text that records their reflections on identity, imagination, and agency, providing a collective performed autobiography that complements the small body of pre-twentieth-century African and African American women's writing. Gale P. Jackson engages with a range of vibrant traditions to provide windows into multiple discourses as well as "new" and old paradigms for locating the history, philosophy, pedagogy, and theory embedded in a lineage of African diaspora performance and to articulate and address the postcolonial fragmentation of humanist thinking. In lyrically interdisciplinary movement, across herstories, geographies, and genres, cultural continuities, improvisation, and transformative action, Put Your Hands on Your Hips and Act Like a Woman offers a fresh perspective on familiar material and an expansion of our sources, reading, and vision of African diaspora, African*

*American, and American literatures.*

*Be the Change May 25 2023 The popular founders of Hello!Lucky stationery offer kids the the tools, encouragement, instruction, and guidance they need to spark creativity and inspire action in their local communities. Includes 16 DIY projects and templates as well as tear-out postcards and stationery designs. Full color. Consumable.*

*Clap Your Hands Apr 11 2022 These classic teddy bears breathe fresh life into well-loved rhymes. Humorous, sophisticated photographs and candy-box colored backgrounds give this extra-generous, oversized board book a classic appeal for teddy bear lovers of all ages.*

*We've Got the Whole World in Our Hands Dec 20 2022 Children of all ages are invited to a bright and colorful multicultural celebration with We've Got the Whole World in Our Hands! Award-winning illustrator Rafael López brings new life with his adaptation of "He's Got the Whole World in His Hands," saluting the lives of all young people. The rhythmic verse and repetitive emphasis on "we" and "our" encourages inclusive communities and the celebration of unity and diverse friendships all around the world. "We've got you and you got me in our hands. We have the whole world in our hands." Come and read along and sing along as we celebrate the magic of unity. From the rivers to the mountains to the oceans and to the sea -- we've got the whole world in our hands. As an added bonus the sheet music is included in the back of the book for piano, guitar, and recorder for classroom, library, and home sing-alongs.*

*The Words in My Hands Oct 30 2023 Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means*

*to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be “normal,” to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a community, and believing in something better. Published to rave reviews as Future Girl in Australia (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, The Words in My Hands is very much a novel for our turbulent times.*

*In Your Hands May 05 2024 A black mother expresses the many hopes and dreams she has for her child in this powerful picture book masterpiece that’s perfect for gift-giving. When you are a newborn, I hold your hand and study your face. I cradle you as you drift to sleep. But I know that I will not always hold your hand; not the older you get. Then, I will hold you in my heart And hope that God holds you in his hands.*

*Hand Book Mar 03 2024 'Hand Book' is a print version of the ebook 'Real Palmistry'. It contains the same basic content. The images are black and white. It was created for the many people who have asked for a 'real' book. Before you read another word, look at your hands. What do you see, a confused jumble of lines and bumps? Look again. You are looking at a topographical map of your character in the past, present, and*

future. You can navigate your map and chart your course. You don't have to be a palmist or even know palmistry to be able to see your relationship, career, and health potentials in your hands. Reading hands is simple and fun. The value of reading hands is in being able to readily recognize personality traits, habits and patterns, and motivations. As we identify our strengths and weaknesses, we can alter our thinking, exercise our free will, and transform negative thought patterns into positive behavioral patterns. We can take charge of our thinking, feelings, and actions. Interpreting our hands and understanding our character can inspire and empower us to transform our destinies. The beauty of reading hands is that hands change as thinking and circumstances change. A tiny change in a hand can represent a huge change in a life. As we make decisions and exercise our free will, we are able to see our successes and failures reflected in our hands over time. Palmistry is the 5500-year-old science and art of interpreting character from hands. Size, shape, and proportions of hands reveal one or more of four basic archetypes: Intuitive, Practical, Thinking, and Feeling. Texture, color, elasticity and consistency of skin, and the flexibility of joints explain how we initiate, maintain, and adapt to new ideas and circumstances. Lengths and proportions of fingers, knots, shapes of fingertips, and the qualities of nails represent our health, career, and relationships, and how we are fulfilling our potentials in our world around us. Lines of the hands, dermatoglyphics (fixed skin ridge patterns), and gestures reveal more detailed information about our life choices and circumstances. The arts and crafts of interpretation and counseling require study and practice. Hand Book will affirm, confirm, and inform readers in

helpful and hopeful ways. Readers will ask their hands: Who am I? What do I want? What do I value? What do I think? How do I feel? How can I be happier? How can I be healthier? How are my relationships? What are my obligations? What are my responsibilities? How can I be prosperous? How can I be more creative? What's my purpose? What's my philosophy? How can I be more spiritual? What's next? We can all be our own best friends and bullshit detectors. Astrology had been around for thousands of years, when suddenly in 1968, Linda Goodman's *Sun Signs* set mass market astrology in motion. Paradoxically, while astrology reveals potential character, hands reveal true character; what we've done, do, and are likely to do with our character. After 5,500 years of being relegated to obscurity, misinformation, and deception, the time has come for the ancient science and art of palmistry to be reborn, creating new opportunities for people to interact and get to know themselves and others better. The paradigm of palmistry as a gypsy fortunetelling scam will finally be dispelled. An inspiring new catchphrase for the 21st Century will be "Let me see your hands". *Hand Book* captures the imagination of the masses while addressing their real concerns. In addition to answering fundamental life issues and questions, *Hand Book* covers topics such as: hands of family and friends, hands of celebrities, insight into intimate relationships, and gaining insight into the hands of children. Palmistry will eventually become accessible to billions of curious hand owners who will be able to experience the power of palmistry firsthand.

*In Your Hands* Mar 11 2022 An internationally acclaimed, award-winning novel spanning three generations of women united in their struggle for independence and fulfillment against

*oppression. Told from three different perspectives, this sweeping saga begins in 1935 Portugal, in the grip of Salazar's authoritarian regime, where upper-class Jenny enters into an uncommon marriage with the beguiling António. Keeping up appearances, they host salons for the political and cultural elite. In private, Jenny, António, and his lover, Pedro, share a guarded triangle, build a profound relationship, and together raise a daughter born under the auspices of rebellion. Thirty years later, their daughter, Camila, a photojournalist who has captured the revolutionary fervor and tragic loss of her family--and country--reminisces about a long-lost love in Southeast Africa. This memory shapes the future of her daughter, Natália, a successful architect, who begins an impassioned quest of her own. As she navigates Portugal's complex past, Natália will discover herself in the two women whose mysteries and intimate intrigues have come to define her. Through revealing journals, snapshots of a turbulent era, and private letters, the lives of three generations of women unfold, embracing all that has separated them and all that binds them--their strength, their secrets, and their search for love through the currents of change.*

*Wash Your Hands! Oct 18 2022 The first-grade class at Robin Hill School learns the best way to get rid of germs in this story of the bestselling series! Mrs. Connor's classroom learns about washing their hands and the importance of keeping germs away!*

*Talking with Your Hands, Listening with Your Eyes Nov 30 2023 Grayson makes sign language accessible, easy, and fun with this comprehensive primer to the techniques, words, and phrases of signing. 800 illustrative photos.*

*Out of My Hands Jan 26 2021*

*This Life is in Your Hands Oct 06 2021 The author describes her upbringing in a totally self-sufficient home built in the middle of the woods in 1970s Maine, a childhood that was marred by the drowning death of her three-year-old sister.*

*Your Fate Is in Your Hands Jan 09 2022 A practical "hands on" guide to self-improvement using the principles of palmistry.*

*My Hands Feb 02 2024 Hands Clapping, waving, pushing, pulling, scratching, digging, tickling--how many ways do you use your hands every day? Find out how important your hands are!*

*From My Hands to Yours Dec 08 2021 Here at last is the book horse lovers have long awaited - a thorough collection of the training techniques and philosophies of Monty Roberts.*

*Shop Class as Soulcraft Jul 15 2022 A philosopher/mechanic's wise (and sometimes funny) look at the challenges and pleasures of working with one's hands "This is a deep exploration of craftsmanship by someone with real, hands-on knowledge. The book is also quirky, surprising, and sometimes quite moving." —Richard Sennett, author of *The Craftsman* Called "the sleeper hit of the publishing season" by *The Boston Globe*, *Shop Class as Soulcraft* became an instant bestseller, attracting readers with its radical (and timely) reappraisal of the merits of skilled manual labor. On both economic and psychological grounds, author Matthew B. Crawford questions the educational imperative of turning everyone into a "knowledge worker," based on a misguided separation of thinking from doing. Using his own experience as an electrician and mechanic, Crawford presents a wonderfully articulated call for self-reliance and a moving reflection on how we can live*
