The Bookends of the Christian Life Jerry Bridges, Bob Bevington, 2009-03-09 The authors use an extended metaphor to serve up a little book with a big message about two essentials of the Christian life. What do bookends have to do with the Christian life? They are a metaphor that Jerry Bridges has developed over the years, and which he and coauthor Bob Bevington flesh out in this small volume. The two bookends explain not only how we as sinners can be made acceptable to a holy God, but also how we can find the power to change. They are thus essential for the Christian life. In a unique book that should garner the attention of a wide range of readers, the authors use their extended metaphor to help readers answer questions like: How can I overcome persistent guilt? How can I deal with the pressure to measure up? Where can I find the motivation it takes to grow? How can I live the Christian life with both my head and my heart? How can I be sure God loves me? How can I change in an authentic and lasting way? So what are the bookends of the Christian life? Christ's righteousness as it is transferred to dependent believers, and the Holy Spirit's power as it enables their transformation. In continuing their goal to re-center the church at large onto the historic gospel of Jesus Christ, Bridges and Bevington have served up this little book with a big message so that believers and seekers alike can understand these two keys to a genuine Christian life.

Gospel Fluency Jeff Vanderstelt, 2017-02-14 fluency noun the ability to speak a language easily and effectively. Even if they want to, many Christians find it hard to talk to others about Jesus. Is it possible this difficulty is because we're trying to speak a language we haven't actually spent time practicing? To become fluent in a new language, you must immerse yourself in it until you actually start to think about life through it. Becoming fluent in the gospel happens the same way: after believing it, we have to intentionally rehearse it to ourselves and to others, and immerse ourselves in its truths. Only then will we start to see how everything in our lives, from the mundane to the magnificent, is transformed by the hope of the gospel.
