crowning of Uther Pendragon and the conception of Arthur king for once and always The Revenger's Tragedy Cyril Tourneur,1966-03-01 An intense and horrible view of life T S Eliot This drama must now be acknowledged for dramatic power for coherence of structure for astonishing compression and consistency of language and for superb unity of tone surpassed in the whole Elizabethan repertory by only the few greatest plays Lawrence J Ross In the family of passions none is more patient than hate This masterpiece of the Elizabethan stage first published in 1607 is a study of debauchery deep offense and the high cost of revenge It is often compared to Hamlet for its relentless tension and its lecherous royalty Its protagonist Vindice is one of the most memorable characters in all of Renaissance theater a murderer who will not let a single enemy remain alive *Thornyhold* Mary Stewart,2011-05-26 A comfortable chair and a Mary Stewart total heaven I'd rather read her than most other authors Harriet Evans The rambling house called Thornyhold is like something out of a fairy tale Left to Gilly Ramsey by the cousin whose occasional visits brightened her childhood the cottage set deep in a wild wood has come just in time to save her from a bleak future With its reputation for magic and its resident black cat Thornyhold offers Gilly more than just a new home It offers her a chance to start over The old house with its tufts of rosy houseleek and the spreading gilt of the lichens was beautiful Even the prisoning hedges were beautiful protective with their rusty thorns their bastions of holly and juniper and at the corners like towers their thick columns of yews Mary Stewart is magic New York Times One of the great British storytellers of the 20th century Independent **The Gabriel Hounds** Mary Stewart,2006-11-28 It's all a grand adventure when Christy Mansel unexpectedly runs into her cousin Charles in Damascus And being young rich impetuous and used to doing whatever they please they decide to barge in uninvited on their eccentric Great Aunt Harriet despite a long standing family rule strictly forbidding unannounced visits A strange new world awaits Charles and Christy beyond the gates of Dar Ibrahim Lady Harriet's ancient crumbling palace in High Lebanon where a physician is always in residence and a handful of Arab servants attends to the odd old woman's every need But there is a very good very sinister reason why guests are not welcome at Dar Ibrahim And the young cousins are about to discover that as difficult as it is to break into the dark imposing edifice it may prove even harder still to escape **The Iron Duke** Meljean Brook,2010-10-05 After freeing England from Horde control Rhys Trahaearn has built a merchant empire And when Detective Mina Wentworth enters his dangerous world to investigate a mysterious death Rhys intends to make her his next conquest **Not Quite a Husband** Sherry Thomas,2009-05-19 Sherry Thomas is one of the hottest new voices in historical romance garnering the highest praise from today's bestselling writers Entrancing Mary Balogh Ravishingly sinful intelligent and addictive Eloisa James Now Sherry delivers this powerful story of a remarkable woman and the love she thought she'd never find with the man she thought she'd lost forever Their marriage lasted only slightly longer than the honeymoon to no one's surprise not even Bryony Asquith's A man as talented handsome and sought after by society as Leo Marsden couldn't possibly want to spend his entire life with a woman who rebelled against propriety by becoming a doctor Why then three years after their

annulment and half a world away does he track her down at her clinic in the remotest corner of India Leo has no reason to think Bryony could ever forgive him for the way he treated her but he won't rest until he's delivered an urgent message from her sister and fulfilled his duty by escorting her safely back to England But as they risk their lives for each other on the journey home will the biggest danger be the treacherous war around them or their rekindling passion **The**

Moon-Spinners Mary Stewart,2011-04-28 Transport yourself to the idyllic hills of mid century Crete in this tale of peril and intrigue from the original queen of romantic suspense and author of *Madam Will You Talk* Mary Stewart is magic New York Times One of the great British storytellers of the 20th century Independent While on a walking holiday through the beautiful deserted hills of Crete Nicola Ferris stumbles across a critically injured Englishman guarded by a fierce Greek Nicola cannot abandon them and so sets off on a perilous search for their lost companion all the while being pursued by someone who wants to make sure none of them leave the island When the big white bird flew suddenly up among the glossy leaves and the lemon flowers and wheeled into the mountain I followed it A comfortable chair and a Mary Stewart total heaven I'd rather read her than most other authors Harriet Evans She built the bridge between classic literature and modern popular fiction She did it first and she did it best Herald

Madam, Will You Talk? Mary Stewart,1956 Two young Englishwomen arrive on vacation expecting a conventional holiday They are Charity Selborne a extravagantly lovely war widow and her amusing irreverent artist friend Louise Cray The enchanting vista of Provence delights them and Charity is pleased to make her first conquest a young man of thirteen who is having trouble with his dog The young man introduces himself and Charity is charmed until she senses a terrible maturity behind his grave eyes From that point on the tension mounts steadily until it reaches breaking point while the thirsty heat of the Provençal summer the noise of cicadas the dust of country roads all contribute to the superb realism of the novel [The Hollow Hills](#) Mary Stewart,2003-05-06 Keeping watch over the young

Arthur Pendragon the prince and prophet Merlin Ambrosius is haunted by dreams of the magical sword Caliburn which has been hidden for centuries When Uther Pendragon is killed in battle the time of destiny is at hand and Arthur must claim the fabled sword to become the true High King of Britain *Stormy Petrel* Mary Stewart,2011 In a rented cottage off the west coast of Scotland Rose Fenimore finds her peace shattered by the arrival of two men seeking shelter from a violent storm

Peter Mayle,2010-05-19 NATIONAL BESTSELLER In this witty and warm hearted account Peter Mayle tells what it is like to realize a long cherished dream and actually move into a 200 year old stone farmhouse in the remote country of the Luberon with his wife and two large dogs He endures January's frosty mistral as it comes howling down the Rhone Valley discovers the secrets of goat racing through the middle of town and delights in the glorious regional cuisine A Year in Provence transports us into all the earthy pleasures of Provençal life and lets us live vicariously at a tempo governed by seasons not by days
