Three Little Engines Feb 11 2024 A gorgeously illustrated, modern retelling of the classic *The Little Engine That Could*, sharing the timely message that everyone's journey is different, and that sometimes, success comes from a helping hand. Graduation day is finally here! The Little Blue Engine, the Yellow Passenger Engine, and the Red Freight Engine are excited to take their final test of Engine School: making their first solo trip over the mountain. But each engine encounters different challenges and obstacles on their journey. Gorgeous illustrations by Lou Fancher and Steve Johnson combine with a poignant story told by Bob McKinnon to remind a new generation of readers to "think they can."

Small Engine Technology Nov 08 2023 This text is designed as a bridge between the instructor's lectures and the information furnished by the engine manufacturer.
