The Complete Laptop Computer Guide Sep 06 2023 Tells how to select the portable computer that best suits one's needs, discusses computer viruses, theft, and fax transmission, and offers advice on traveling with a computer

A Guide to Computers, Laptops, Smartphones Mar 20 2022 It isn't fair, but buying a computer is just plain easier for some than it is for others. Those who've purchased and used a computer in the past already have an idea of what they need in a new computer. But those who are new to the computer world could get lost in the myriad of choices available. The short answer to "What should I buy?" is "The best." Of course that answer is extremely subjective because "the best" to one person is certainly different to another. Our definition of "the best" is the fastest and the biggest, but even that leaves the computer newbie confused. Here's a quick rundown of what the computer novice should do and why.
