The Poisonwood Bible Barbara Kingsolver,2009-10-13 New York Times Bestseller Finalist for the Pulitzer Prize An Oprah s Book Club Selection Powerful Kingsolver has with infinitely steady hands worked the prickly threads of religion politics race sin and redemption into a thing of terrible beauty Los Angeles Times Book Review *The Poisonwood Bible* now celebrating its 25th anniversary established Barbara Kingsolver as one of the most

thoughtful and daring of modern writers Taking its place alongside the classic works of postcolonial literature it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa The story is told by the wife and four daughters of Nathan Price a fierce evangelical Baptist who takes his family and mission to the Belgian Congo in 1959 They carry with them everything they believe they will need from home but soon find that all of it from garden seeds to Scripture is calamitously transformed on African soil The novel is set against one of the most dramatic political chronicles of the twentieth century the Congo's fight for independence from Belgium the murder of its first elected prime minister the CIA coup to install his replacement and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy Against this backdrop Orleana Price reconstructs the story of her evangelist husband's part in the Western assault on Africa a tale indelibly darkened by her own losses and unanswerable questions about her own culpability Also narrating the story by turns are her four daughters the teenaged Rachel adolescent twins Leah and Adah and Ruth May a prescient five year old These sharply observant girls who arrive in the Congo with racial preconceptions forged in 1950s Georgia will be marked in surprisingly different ways by their father's intractable mission and by Africa itself Ultimately each must strike her own separate path to salvation Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility

Unsheltered Barbara Kingsolver, 2018-10-16
New York Times Bestseller Named one of the Best Books of the Year by NPR O The Oprah Magazine San Francisco Chronicle Christian Science Monitor and Newsweek Kingsolver brilliantly captures both the price of profound change and how it can pave the way not only for future generations but also for a radiant unexpected expansion of the heart O The Oprah Magazine The acclaimed author of *The Poisonwood Bible* and *The Bean Trees* and recipient of numerous literary awards including the National Humanities Medal the Dayton Literary Peace Prize and the Orange Prize returns with a story about two families in two centuries navigating what seems to be the end of the world as they know it With history as their tantalizing canvas these characters paint a startlingly relevant portrait of life in precarious times when the foundations of the past have failed to prepare us for the future How could two hardworking people do everything right in life a woman asks and end up destitute Willa Knox and her husband followed all the rules as responsible parents and professionals and have nothing to show for it but debts and an inherited brick house that is falling apart The magazine where Willa worked has folded the college where her husband had tenure has closed Their dubious shelter is also the only option for a disabled father in law and an exasperating free spirited daughter When the family's one success story an Ivy educated son is uprooted by tragedy he seems likely to join them with dark complications of his own In another time a troubled husband and public servant asks How can a man tell the truth and be reviled for it A science teacher with a passion for honest investigation Thatcher Greenwood finds himself under siege his employer forbids him to speak of the exciting work just published by Charles Darwin His young bride and social climbing mother in law bristle at the risk of scandal and dismiss his worries that their elegant house is unsound In

a village ostensibly founded as a benevolent Utopia Thatcher wants only to honor his duties but his friendships with a woman scientist and a renegade newspaper editor threaten to draw him into a vendetta with the town's powerful men A timely and utterly captivating novel San Francisco Chronicle Unsheltered interweaves past and present to explore the human capacity for resiliency and compassion in times of great upheaval **Homeland** Barbara Kingsolver, 2019-10-17 **Animal, Vegetable, Miracle** Barbara Kingsolver, Camille Kingsolver, Steven L. Prodigal Summer Barbara Kingsolver, 2008-09-04 WINNER OF THE PULITZER PRIZE FOR FICTION TWICE WINNER OF THE WOMEN'S PRIZE FOR FICTION THE MULTI MILLION COPY BESTSELLING AUTHOR A rich and compulsive read

Guardian From the award winning and internationally bestselling author of *Demon Copperhead* *The Lacuna* and *The Poisonwood Bible* It is summer in the Appalachian mountains and love desire and attraction are in the air Nature too it seems is not immune From her outpost in an isolated mountain cabin Deanna Wolfe a reclusive wildlife biologist watches a den of coyotes that have recently migrated into the region She is caught off guard by a young hunter who invades her most private spaces and interrupts her self assured solitary life On a farm several miles down the mountain Lusa Maluf Landowski a bookish city girl turned farmer s wife finds herself marooned in a strange place where she must declare or lose her attachment to the land that has become her own And a few more miles down the road a pair of elderly feuding neighbours tend their respective farms and wrangle about God pesticides and the possibilities of a future neither of them expected Over the course of one humid summer these characters find their connections of love to one another and to the surrounding nature with which they share a place With its strong balance of narrative and drama *Prodigal Summer* stands alongside *Demon Copperhead* *The Poisonwood Bible* and *The Lacuna* as one of Barbara Kingsolver s finest works

Flight Behavior Barbara Kingsolver, 2012-11-06 Set in the present day in the rural community of Feathertown Tennessee *Flight Behavior* tells the story of Dellarobia Turnbow a petite razor sharp 29 year old who nurtured worldly ambitions before becoming pregnant and marrying at seventeen Now after more than a decade of tending to small children on a failing farm oppressed by poverty isolation and her husband s antagonistic family she has mitigated her boredom by surrendering to an obsessive flirtation with a handsome younger man In the opening scene Dellarobia is headed for a secluded mountain cabin to meet this man and initiate what she expects will be a self destructive affair But the tryst never happens Instead she walks into something on the mountainside she cannot explain or understand a forested valley filled with silent red fire that appears to her a miracle After years lived entirely in the confines of one small house Dellarobia finds her path suddenly opening out chapter by chapter into blunt and confrontational engagement with her family her church her town her continent and finally the world at large

Small Wonder Barbara Kingsolver, 2009-10-13 In twenty two wonderfully articulate essays Barbara Kingsolver raises her voice in praise of nature family literature and the joys of everyday life while examining the genesis of war violence and poverty in our world From the author of *High Tide in Tucson* comes *Small Wonder* a new collection of essays that begins with a parable gleaned from recent news villagers search for a missing infant boy and find him unharmed in the cave of a dangerous bear that has mothered him like one of her own Clearly our understanding of evil needs to be revised What we fear most can save us From this tale Barbara Kingsolver goes on to consider the chasm between the privileged and the poor which she sees as the root cause of violence and war in our time She writes about her attachment to the land to nature and wilderness trees and mountains the place from which she tells her stories Whether worrying about the dangers of genetically engineered food crops or creating opportunities for children to feel useful and competent like growing food for the family s table Kingsolver looks for small wonders where they grow and celebrates them
