[Big Ideas for Little Philosophers: Happiness with Aristotle](#) Duane Armitage, Maureen McQuerry, 2020-07-07 Explore the importance of happiness with the youngest readers in a wonderfully accessible way Even little children have big questions about life Finding happiness is a lifelong goal and Aristotle thought deeply about it Why are we here What is the best way to live a happy life Having friends who are fun and adventurous is important but it's also important to have true friends who will help us be good people and tell us when we're straying from that He also believed we have to love ourselves in order to love others and be happy This book will prompt readers to concentrate on what makes them happy and how they can be a good friend to others and themselves Look for all six Big Ideas for Little Philosophers board books Equality with Simone de Beauvoir Truth with Socrates Happiness with Aristotle Imagination with Ren Descartes Kindness with Confucius Love with Plato and Truth with Socrates

The Life and Times of Socrates Susan Zannos,2005-09 Socrates the great Athenian philosopher was born during the Golden Age of Greece one of the most glorious periods in human history He grew up during the exciting days of Pericles in Athens in the midst of the flowering of drama and poetry the creation of magnificent architecture and sculpture the writing of literature that has inspired mankind for 2 500 years The glory of Athens inspired by the Athenians victory over the Persians against great odds lasted less than 50 years Socrates lived to see his city conquered by the Spartans from without and by a terrible plague from within He tried to convince his fellow citizens to examine their own beliefs and behavior The Athenians looking for someone to blame for their troubles arrested Socrates They accused him of corrupting the young men who were his students He refused to run away to save his life and was tried and executed **Socrates** Paul Johnson,2012-11-27 Spectacular A delight to read The Wall Street Journal From bestselling biographer and historian Paul Johnson a brilliant portrait of Socrates the founding father of philosophy In his highly acclaimed style historian Paul Johnson masterfully disentangles centuries of scarce sources to offer a riveting account of Socrates who is often hailed as the most important thinker of all time Johnson provides a compelling picture of Athens in the fifth century BCE and of the people Socrates reciprocally delighted in as well as many enlightening and intimate analyses of specific aspects of his personality Enchantingly portraying the sheer power of Socrates s mind and its unique combination of steel subtlety and frivolity Paul Johnson captures the vast and intriguing life of a man who did nothing less than supply the basic apparatus of the human mind Socrates in Love Armand D'Angour,2019-03-07 An innovative and insightful exploration of the passionate early life of Socrates and the influences that led him to become the first and greatest of philosophers Socrates the philosopher whose questioning gave birth to the ideas of Western thought and whose execution marked the end of the Athenian Golden Age Yet despite his pre eminence among the great thinkers of history little of his life story is known What we know tends to begin in his middle age and end with his trial and death Our conception of Socrates has relied upon Plato and Xenophon men who met him when he was in his fifties and a well known figure in war torn Athens There is mystery at the heart of Socrates story what turned the young Socrates into a philosopher What drove him to pursue with such persistence at the cost of social acceptance and ultimately of his life a whole new way of thinking about the meaning of existence In this revisionist biography Armand D Angour draws on neglected sources to explore the passions and motivations of young Socrates showing how love transformed him into the philosopher he was to become What emerges is the figure of Socrates as never previously portrayed a heroic warrior an athletic wrestler and dancer and a passionate lover Socrates in Love sheds new light on the formative journey of the philosopher finally revealing the identity of the woman who Socrates claimed inspired him to develop ideas that have captivated thinkers for 2 500 years Socrates Meets Kant Peter Kreeft,2009-01-01 Immanuel Kant is one of the greatest philosophers in history But as Peter Kreeft notes in this book Kant is really two philosophers a philosopher about how we know things epistemology and a philosopher of right and wrong ethics If he had written only on either topic he would

still be the most important and influential of the modern philosophers The combination of the two though makes for a formidable thinker one it would take a figure such as the Father of Philosophy the relentless Socrates to confront Confront he does in Peter Kreeft s next installment of the popular Socrates Meets series Set in the afterlife the conversation between the two great minds lays out the key issues Kreeft s Socrates reflects what the historical philosopher would likely have made of Kant s ideas while also recognizing the greatness genius and insightfulness of Kant The result of their dialogues is a helpful highly readable even amusing book useful for beginner as well as master Kant s philosophy of knowing truly is a Copernican revolution in philosophy as he dubbed it His ethics was intended to set out the rational grounds for morality Did he achieve his goals What would Socrates say about the matter Dr Kreeft has written a book no student of modern thought should be without Socrates Pamela Dell,2006 Learn about the life of the famous philosopher *Coronavirus: A Book for Children* Kate Wilson,Elizabeth Jenner,Nia Roberts,2020-04-07 What is the coronavirus and why is everyone talking about it Engagingly illustrated by Axel Scheffler this approachable and timely book helps answer these questions and many more providing children aged 5 10 and their parents with clear and accessible explanations about the coronavirus and its effects both from a health perspective and the impact it has on a family s day to day life With input from expert consultant Professor Graham Medley of the London School of Hygiene Tropical Medicine as well as advice from teachers and child psychologists this is a practical and informative resource to help explain the changes we are currently all experiencing The book is free to read and download but Nosy Crow would like to encourage readers should they feel in a position to to make a donation to <https://www.nhscharitiestogether.co.uk> *Socrates* Luis E.
