# World War One A Laymans Guide Kindle Edition Scott Addington

**The First World War Fact Book** Scott Addington,2014-01-02 The First World War Fact Book offers up 1 568 facts on a war that shaped the 20th Century Split into nineteen separate sections including weapons the air war infantry battles trench warfare casualties remembrance the main combatants and more this fact book gives a unique perspective on the First World War that will be of interest to everyone from teenagers to Granddads Why are there 1 568 facts Read the first fact in the book to find out [World War One](#) Scott Addington,2014-04-25 This guide has been written specifically for people with little or no prior knowledge of the First World War and will be an ideal introduction to what can be a very complicated and daunting subject Written in an engaging way this is more like a chat down the pub rather than a heavy historical text and with short sharp chapters it is very easy to dive in and out without having to re read the previous five pages in an effort to remember where you were last time For anyone looking for an entertaining and informative overview of The First World War this Layman s Guide provides just enough detail to gain a good grounding of knowledge and understanding without the reader becoming overwhelmed with detail and complexity [First World War Great Battles](#) Scott Addington,2014 How much can you really find out about the Great Battles of the First World War in five minutes This handy little history book will surpass all your expectations and leave you well versed on all you wish to know and maybe even a little bit more What was the first battle of the First World War Or the last Which was the bloodiest What about the Allies biggest victory Or their worst defeat Publisher s information **The World War 1 Trivia Book** Bill O'Neill,2019-06-28 Welcome to World War I formerly known as the Great War where men fought and died in trenches and did whatever they could to avoid chemical weapon attacks You may have read a few things about World War One or remember some things from your history classes but this book is here to help fill in the blanks Get ready to learn all about World War One from the ideologies and complex geo political alliances that led to war to how average soldiers tried to deal with life in the trenches This book will bring to life some of the most important battles but it will also go far beyond that to how the war ended and how it continued to linger on for many especially those with PTSD You ll learn What roles did nationalism colonialism and the European alliance structure play in the start of the war Who thought that trench warfare was a good idea Why did the Germans wear those spiked helmets How did chemical warfare get introduced and what role did it play How did the rise of communism seriously affect the course of the war Each chapter of our trivia books is broken up into fifteen short sections that will introduce you to major players major ideas and sometimes weird stories Unlike your high school history teacher we re not going to put you to sleep with the names of a million generals or an endless line of dates but instead we ll show you the war from a series of different perspectives and themes To go along with the fifteen short break downs of the war every chapter also ends with twenty fun facts or bits of trivia and five questions to test your knowledge on World War One So put on your pickelhaube man the

trenches and get ready to learn
