The object of "Student Enterprise Operation Manual: The General Store" provides facilitators with a structured management plan. Plans include procedures for efficient operation. Initial implementation, student management and financial tracking are major components to be addressed. Using a series of case studies from five industries, Dicke analyzes franchising, a marketing system that combines large and small firms into a single administrative unit,

strengthening both in the process. He studies the franchise industry from the 1840s to the 1980s, closely examining the rights and obligations of both the parent company and the franchise owner. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value. This concise and reader-friendly book is for aspiring businessmen and women who desire to be successful. It talks about operational details and the day-to-day running of a shop or chain of stores. The 4-colour book includes pictures of store layouts, merchandise displays and promotional activities so that important points are depicted in a clearer manner. Developed by and for public works professionals, the widely used Public Works Management Practices Manual updates and improves statements that describe the basic criteria and procedures necessary to perform as a full-service public works agency and provides the framework for the objective self-evaluation of an agency. Changes to the 10th edition include 10 mandatory chapters, including a new chapter on Asset Management (chapter 10) which involves inventory condition assessment and/or inspection; chapter 2 is reduced to 36 practices (removing three practices related to union contracts). "It's easy to dream of owning your own brewery, but where do you begin? This Brewery Operations Manual is a complete 'to do' list that will guide you through the maze of events necessary to open your own brewery. This is not a 'how I did it' story, rather the real nuts and bolts stuff on how you can do it, without spending the family fortune!"--Cover [p. 4]. The newest, revised edition of Too Good to be Threw, often called "the resale bible", now encompassing buy-outright as well as consignment shops. From Day One on, everything needed to be professional and profitable in the growing field of resale, from clothing to household to furniture. Written by the guru of Resale, a multiple-award winner and consignment consultant with over three decades of experience in the industry. "This manual contains all the information you need to prepare your own staff manual, regardless of the size of your firm"-- This is a directory of companies that grant franchises with detailed information for each listed franchise. This is a directory of companies that grant franchises with detailed information for each listed franchise.
