**Be Kind, Be Calm, Be Safe** Dr. Bonnie Henry, Lynn Henry, 2021-03-09 From the BC doctor who has become a household name for leading the response to the pandemic a personal account of the first weeks of COVID for readers of Sam Nutt's Damned Nations and James Maskayk's Life on the Ground Floor Dr Bonnie Henry has been called one of the most effective public health figures in the world by The New York Times She has been called a calming voice in a sea of coronavirus madness and our hero in national newspapers But in the waning days of 2019 when the first rumours of a strange respiratory ailment in Wuhan China began to trickle into her office in British Columbia these accolades lay in a barely imaginable future Only weeks later the whole world would look back on the previous year with the kind of nostalgia usually reserved for the distant past With a staggering suddenness our livelihoods our closest relationships our habits and our homes had all been transformed In a moment when half truths threatened to drown out the truth when recklessness all too often exposed those around us to very real danger and when it was difficult to tell paranoia from healthy respect for an invisible threat Dr Henry's transparency humility and humanity became a beacon for millions of Canadians And her trademark enjoinder to be kind be calm and be safe became words for us all to live by Coincidentally Dr Henry's sister Lynn arrived in BC for a long planned visit on March 12 just as the virus revealed itself as a pandemic For the four ensuing weeks Lynn had rare insight into the whirlwind of Bonnie's daily life with its moments of agony and gravity as well as its occasional episodes of levity and grace Both a global story and a family story Be Kind Be Calm Be Safe combines Lynn's observations and knowledge of Bonnie's personal and professional background with Bonnie's recollections of how and why decisions were made to tell in a vivid way the dramatic tale of the four weeks that changed all our lives Be Kind Be Calm Be Safe is about communication leadership and public trust about the balance between politics and policy and at heart about what and who we value as individuals and a society The authors advance from the publisher has been donated to charities with a focus on alleviating communities hit particularly hard by the pandemic True North Aid with its Covid 19 response in Northern Indigenous communities and First Book Canada with its focus on reading and literacy for underserved marginalized youth
