MISS UNIVERSE 2000

Q: Right now, there is a protest going on right outside here, calling the Miss Universe Pageant disrespectful of women. Convince them they are wrong.

A: I think a pageant like the Miss Universe pageant gives us young women a platform to foray in the fields that we want to and forge ahead, be it entrepreneurship, be it the armed forces, be it politics. It gives us a platform to voice our choices and opinions, and makes us strong, independent, that we are today.

America's Best Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize winning masterwork of honor and injustice in the deep South and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time To Kill a Mockingbird has been translated into more than forty languages sold more than forty million copies worldwide served as the basis for an enormously popular motion picture and was voted one of the best novels of the twentieth century by librarians across the country A gripping heart wrenching and wholly remarkable tale of coming of age in a South poisoned by virulent prejudice it views a world of great beauty and savage inequities through the eyes of a young girl as her father a crusading local lawyer risks everything to defend a black man unjustly accused of a terrible crime

Looking for Miss America Margot Mifflin, 2020-08-04 From an author praised for writing delicious social history Dwight Garner The New York Times comes a lively account of memorable Miss America contestants protests and scandals and how the pageant nearing its one hundredth anniversary serves as an unintended indicator of feminist progress Looking for Miss America is a fast paced narrative history of a curious and contradictory institution From its start in 1921 as an Atlantic City tourist draw to its current incarnation as a scholarship competition the pageant has indexed women's status during periods of social change the post suffrage 1920s the Eisenhower 1950s the MeToo era This ever changing institution has been shaped by war evangelism the rise of television and reality TV and significantly by contestants who confounded expectations Spotighting individuals from Yolande Betbeze whose refusal to pose in swimsuits led an angry sponsor to launch the rival Miss USA contest to the first black winner Vanessa Williams who received death threats and was protected by sharpshooters in her hometown parade Margot Mifflin shows how women made hard bargains even as they used the pageant for economic advancement The pageant's history includes crucially those it excluded the notorious Rule Seven which required contestants to be of the white race was retired in the 1950s but no women of color were crowned until the 1980s In rigorously researched vibrant chapters that unpack each decade of the pageant Looking for Miss America examines the heady blend of capitalism patriotism class anxiety and cultural mythology that has fueled this American ritual **"What Would You Do to Save the World?"** Ira Trivedi, 2006 Riya has always had a secret ambition winning the coveted Miss Indian Beauty crown It's Riya's chance to turn fantasy into reality The Miss Indian Beauty contest could well be her ticket to instant fame and success After all she's good looking intelligent confident and most importantly tall how difficult could it be But Riya is in for a dose of reality as she soon finds herself in the company of twenty two gorgeous girls under house arrest in a five star hotel in Mumbai for a rigorous training session that will test them all to their limits With each girl's eyes set on the crown the mood is emotionally charged and the atmosphere intense exhilarating vicious and explosive all at once What Would You Do to Save the World is a delightfully entertaining first novel which reveals the dust behind the diamonds the tears behind the plastic smiles and dishes the dirt on what really goes on behind the scenes of a beauty pageant *Commodity Activism* Roopali Mukherjee, Sarah Banet-Weiser, 2012-02 Buying RED products from Gap T shirts to Apple to fight AIDS Drinking a Caring

Cup of coffee at the Coffee Bean Tea Leaf to support fair trade Driving a Toyota Prius to fight global warming All these commonplace activities point to a central feature of contemporary culture the most common way we participate in social activism is by buying something Roopali Mukherjee and Sarah Banet Weiser have gathered an exemplary group of scholars to explore this new landscape through a series of case studies of commodity activism Drawing from television film consumer activist campaigns and cultures of celebrity and corporate patronage the essays take up examples such as the Dove Real Beauty campaign sex positive retail activism ABC s Extreme Home Makeover and Angelina Jolie as multinational celebrity missionary Exploring the complexities embedded in contemporary political activism Commodity Activism reveals the workings of power and resistance as well as citizenship and subjectivity in the neoliberal era Refusing to simply position politics in opposition to consumerism this collection teases out the relationships between material cultures and political subjectivities arguing that activism may itself be transforming into a branded commodity
