*Crashed* Timothy Hallinan, 2013-04-23 Quick talking burglar Junior Bender gets blackmailed into starting a new career as a private investigator for crooks in this hilarious Hollywood mystery Junior Bender a burglar with a magic touch is being blackmailed into taking on a new freelance job One of LA s biggest crime bosses is producing a porn movie that someone keeps sabotaging Junior s job is to figure out who s responsible and keep the movie on track The trouble is he s not sure he can go through with the job blackmail or no blackmail The actress lined up to star in the film *Thistle Downing* is an ex child star who now lives alone in a drug induced stupor destitute and uninsurable This movie would be scandalous fodder for tabloids around the country Junior knows what he should do get *Thistle* out and find her some help but doing the right thing will land him on the wrong side of some scary people

**Rock of Ages** Timothy Hallinan, 2022-06-14 Junior Bender Los Angeles burglar and off the books detective to the felonious is reminded that rock and roll will never die no matter how fervently he wishes some of it would when Hollywood s most dangerous geriatric mobster Irwin Dressler retains Junior s investigative services to solve a rather unharmonious problem Four of Dressler s old gangster colleagues have put together a national tour of once popular rock bands they own a piece of three nights of concerts by guys and a few gals who were big shots back in the 1960s and 1970s and who are now hoping for one more gasp of glory with this nostalgia exhibition The *Rock of Ages* tour has proved itself to be anything but a love fest plenty of the bandmates have been feuding for forty years and perhaps unsurprisingly drugs and bad behavior have created health wellness and legal problems for the musicians and managers Plus there have been two near fatal accidents that might have been attempted murders But they re not what Irwin Dressler is concerned about It s that someone one of his own colleagues is using the tour as a front to steal Dressler s money And that simply cannot be allowed Now the tour has pulled into LA and Junior has one weekend to figure out who s to blame a weekend that begins with his tires being slashed threatening notes left on his car and a theatrical backdrop falling on a drummer during the truly terrible first set of the first concert To make things worse Junior is saddled for the weekend with his teenage daughter Rina who lately has been much much too interested in how her father earns his living Can Junior recover Dressler s money prevent a murder talk his daughter out of pursuing a life of crime and somehow survive all that bad music

**The Fame Thief** Timothy Hallinan, 2014-03-04 Hollywood burglar turned detective Junior Bender has a knotty new case to solve a 60 year old Tinseltown mystery There are not many people brave enough to say no to Irwin Dressler Hollywood s infamous mob boss turned movie king Even though Dressler is ninety three years old Junior Bender is quaking in his boots when Dressler s henchmen haul him in for a meeting Dressler wants Junior to solve a crime he believes was committed more than seventy years ago when an old friend of his once famous starlet Dolores La Marr had her career destroyed after compromising photos were taken of her at a Las Vegas party Dressler wants justice for Dolores and the

shining career she never had Junior can't help but think the whole thing is a little crazy After all it's been sixty years Even if someone did set up Dolores for a fall from grace back then they're probably long dead But he can't say no to Irwin Dressler no one can really So he starts digging And what he finds is that some vendettas never die they only get more dangerous

**Fields Where They Lay** Timothy Hallinan, 2016-10-25 Burglar Junior Bender may just be our favorite literary P I Entertainment Weekly It's three days until Christmas and Junior Bender Hollywood's fasttalking fixer for the felonious is up to his ears in shopping mall Santa's Russian mobsters desperate holiday shoppers and tis the season murder The halls are decked the deck is stacked and here comes that jolly old elf Junior Bender divorced father of one and burglar extraordinaire finds himself stuck inside the Edgerton Mall and not just as a last minute shopper though he is that too Edgerton isn't exactly the epicenter of holiday cheer despite its two Santas canned Christmas music chintzy bows and festive lights The mall is a fossil of an industry in decline many of its stores are closed and to make matters worse there is a rampant shoplifting problem The murderous Russian mobster who owns the place has decided it takes a thief to catch a thief and hires Junior under threat to solve the shoplifting problem for him But Junior's surveillance operation doesn't go well as Christmas Eve approaches two people are dead and it's obvious that shoplifting is the least of the mall's problems To prevent further deaths possibly including his own Junior must confront his dread of Christmas both present and past *Herbie's Game* Timothy Hallinan, 2014 It's everyday business when Wattles the San Fernando Valley's top executive crook sets up a hit He establishes a chain of criminals to pass along the instructions and the money thereby ensuring that the hitter doesn't know who hired him Then one day Wattles finds his office safe open and a single item missing the piece of paper on which he has written the names of the crooks in the chain When people associated with the chain begin to pop up dead the only person Wattles can turn to to solve his problem is Junior Bender professional burglar and begrudging private eye for crooks But Junior already knows exactly who took Wattles's list the signature is too obvious It was Herbie Mott Junior's burglar mentor and second father and when Junior seeks him out to discuss the missing list he finds Herbie very unpleasantly murdered Junior follows the links in the chain back toward the killer and as he does he learns disturbing things about Herbie's hidden past He has to ask himself how much of the life he's lived for the past twenty years has been of his own making and how much of it was actually Herbie's game

**Nighttown** Timothy Hallinan, 2018-11-06 Exceedingly funny this one's good for what ails you The New York Times Reluctant P I to the perfidious Junior Bender may be L A's smoothest operator but when he breaks one of the cardinal rules of burglary don't take scores that you're being paid way too much for he finds himself once again on the wrong side of well the wrong side Los Angeles burglar Junior Bender has a rule about never taking a job that pays too well in the criminal underworld if you're offered more money than a job is worth someone is going to end up dead But he's bending his rule this one time because he and his girlfriend Ronnie are in desperate need of cash to hire a kidnapper to snatch Ronnie's two year old son back from her ex The whole thing is pretty complicated and has Junior on edge

The parameters of the job do nothing to calm his nerves A nameless woman in an orange wig has offered Junior fifty grand twenty five up front to break into the abandoned house of a recently deceased 97 year old recluse Daisy Horton and steal a doll from her collection Junior knows no doll is worth 50K so he figures there must be something hidden inside the doll that can get him in a heap of trouble It doesn't take long for Junior to realize he's not the only one looking for the doll When an old friend ends up murdered Junior decides he will stop at nothing to figure out who the woman in the orange wig is and why she wants the doll badly enough to leave a trail of bodies in her wake **Bender** Brian Pinkerton,2016-11-17 After a night of heavy drinking business traveler Bill Rowe wakes up in his Chicago hotel room with an epic hangover pounding headache memory loss and a naked dead woman in his bed Forced to go on the run Bill must piece together the sequence of events during his alcohol blackout to prove his innocence Pursued by mysterious assailants he discovers he's been framed as part of an elaborate scheme to cover up a shocking secret Brian Pinkerton's **BENDER** is a thriller fueled by whiplash twists and turns of the plot and one man's relentless fight for justice **The Four Last Things** Timothy Hallinan,1989 L A private eye Simeon Grist is led to The Church of the Eternal Moment when the woman he is paid to follow dies and he uncovers channeling televangelism blackmail and murder and finds himself in mortal danger **A Killing at Cotton Hill** Terry Shames,2013-07-16 In this award winning debut mystery novel the chief of police of a small town is also an unreliable drunk So when Dora Lee Parjeter is murdered her old friend and former police chief Samuel Craddock steps in to investigate He discovers that a lot of people may have had it in for Dora Lee the conniving rascals on the farm next door her estranged daughter and her live in grandson And then there's that stranger Dora Lee claimed was spying on her As Craddock digs to find the identity of the killer the human foibles of Jarrett Creek's residents their pettiness and generosity their secret vices and true virtues are also revealed **The Bone Polisher** Timothy Hallinan,1995 A serial killer is terrorizing the gay community in Los Angeles He slices them open and writes to the family exposing the man's homosexuality With the police dragging their feet the community calls on PI Simeon Grist By the author of **Incinerator** **A Nail Through the Heart** Timothy Hallinan,2009-10-13 An expat detective in Bangkok discovers the dark truths beneath the surface of his chosen home in this fast bold and beautifully written thriller T Jefferson Parker Travel writer Poke Rafferty was good at looking for trouble so good that he made a little money writing a few offbeat travel guides for the young and terminally bored But that was before Bangkok stole his heart Now the expat American is happily playing family with Rose the former go go dancer he wants to marry and with Miaow the wary street child he wants to adopt But settling down won't be as easy as it seems First Poke takes in Miaow's friend a troubled and terrifying street urchin named Superman Then he agrees to help an Aussie woman find her missing uncle and accepts an old woman's generous payment to find a blackmailing thief Soon these three seemingly disparate events begin to overlap pulling Poke into dark unfamiliar terrain Poke soon comes to realize that he's been gliding across the surface of a culture he really doesn't understand and that what he doesn't know is about to hurt him
