Jesus in Solidarity with His People William E. Reiser, 2000 Jesus in Solidarity with His People A Theologian Looks at Mark works from two premises The first is that the Gospel of Mark is from beginning to end an Easter story And the second is that the category of solidarity provides a contemporary key for understanding Mark s message about Jesus life and mission The book argues that the spiritual effectiveness of Mark s story will be determined largely by how much the reader is willing to live like Jesus in solidarity with God s people The opening chapter surveys the range of theological matters that the text invites us to think about Subsequent chapters return to those issues as they appear in the Gospel text

Exploring Faith with New Eyes Parra Dolores Aleixandre, José Antonio Pagola, Juan Martín Velasco, 2014-05 To commemorate the fiftieth anniversary of the Second Vatican Council three of the most important authors in the field of Spanish religious and theological thinking offer their reflections on the subject of faith Each of them is a child of a Council member whose memory we are celebrating The authors each with their individual and distinct style expose aspects concerning the Christian faith that can help readers to personalise it and make it ever more deeply their own This book will help those who read it whatever their personal or ecclesiastical status feel lovingly looked upon by the Lord and be able to sincerely say those words of St Paul I know whom I have believed

Believe? Tell Me why José A. Pagola, 2013 This book addresses questions and uncertainties expressed by those who have distanced themselves from the faith in which they were nurtured as children Their faith is still there flickering in the depths but it is surrounded by doubts and prejudices Pagola understands their reluctance to search the past for those once comforting certainties and is aware of their unwillingness to return to the beliefs and practices of former times Offering guidance in their need for understanding various things about the faith Pagola proposes not a process of catechesis or meetings for religious formation or prayer meetings for believers Rather he suggests that the most helpful way through this stage would be to make the return journey with a group of fellow seekers who are taking the first steps toward a new faith by sharing their anxieties and experiences with others
