**Interloper** Delas Heras, 2020-07-11 A neighborhood is turned upside down when an alien lands on a New York rooftop In this charming debut novel we meet the residents of an East Village block whose lives are thrown into turmoil by an extraterrestrial visitor There s a wanna be rock star his eccentric rabbit loving neighbor a cursed superintendent and a ghost obsessed old woman along with a remarkable cat Their intersecting paths are all drawn up towards the otherworldly creature lurking overhead When Ollie spies a two headed turtle from outer space on a nearby rooftop he wonders if he has lost his mind His incredulous friends certainly think so To make matters worse he lands in hot water at his bookstore day job and his cat has gone missing His bandmate Zara offers to help him track down the troublesome feline and they join forces with a nosy starlet to follow a trail of clues that leads them inexorably up toward a mysterious rooftop creature who would much prefer to remain hidden The Intergalactic Interloper is a lighthearted romp through a bohemian New York world a one of a kind novel that is as memorable and interesting as it is fun **Transfigurations** Asbjørn Grønstad, 2008 In many senses

viewers have cut their teeth on the violence in American cinema from Anthony Perkins slashing Janet Leigh in the most infamous of shower scenes to the 1970s masterpieces of Martin Scorsese Sam Peckinpah and Francis Ford Coppola to our present day undertakings in imagining global annihilations through terrorism war and alien grudges Transfigurations brings our cultural obsession with film violence into a renewed dialogue with contemporary theory Gr nstad argues that the use of violence in Hollywood films should be understood semiotically rather than viewed realistically Tranfigurations thus alters both our methodology of reading violence in films and the meanings we assign to them depicting violence not as a self contained incident but as a convoluted network of our own cultural ideologies and beliefs **The Core** Kate

Thomas, 2015-02-10 Equilibrium The Light The Darkness The Future The Past The Core One of the most unique paranormal stories available It s like nothing you have ever read before He had blood on his hands when I walked in that day Though it should have drove me far from wanting anything to do with my illustrious boss instead it forced me to look closer Too close It started as a simply infatuation Dark hair deep green eyes and a dominance about him that left everyone paying attention but that was only the beginning Things got off track the moment I let myself look beyond what I could truly see and explain Thus

began the unfolding of Equilibrium I have no clue what part I will play in the powerful structure set up to maintain the balance between good and evil All I know is that the epicenter of all power has passed away and someone must take his place I can only hope that it s not me I m not prepared for such a journey nor will I ever be I don t even believe in good and evil But somehow the truth remains I have no choice in what s to come None of us do The Core is missing and the position will not go unfilled The Invitation Join us from the beginning of this journey and emerge yourself in the alternative reality that Kate Thomas has created Let the here and now subtly fade away as you discover something new and perhaps even find yourself changed by the authentic human experience presented in this fantastic magic adventure Not everything is quite what it seems But you knew that already Paranormal Romance Clean New Adult Balance Light and Dark Office Romance Unique Intreguing magic powers

**Magic Unfurled** M L Ryan,2020-12-20 Two kinds of people inhabit my world those with loads of magic and those with little or none The Haves usually warlords and their henchmen use their arcane abilities to keep the Have Nots firmly squashed beneath their enchanted thumbs Unfortunately I fall into the second category The only thing worse in this lawless and brutal world than being magically stunted Being a woman On my own since age eleven I stayed alive by posing as a boy stealing to keep my belly full and never lingering in one place for long Lonely Sure but it kept me safe for eight long years Until I picked the wrong gang to filch a loaf of bread from If not for the magically skilled warriors who saved me the blunder surely would have been my last While the last place I wanted to be was in the hands of a warlord they didn t give me much choice I fully intended to get the hell out of their camp at the first opportunity And I would have too if everyone hadn t been so damned nice Or not dangled an offer to teach me how to use the powerful magic I didn t know I had

**Magic Unfurled Book One of the Interdimensional Magic Series** chronicles the parallel dimension of Dekankara introduced in M L Ryan s award winning Coursodon Dimension series

**The JOKE** Milan Kundera,1993-02-26 All too often this brilliant novel of thwarted love and revenge miscarried has been read for its political implications Now a quarter century after The Joke was first published and several years after the collapse of the Soviet imposed Czechoslovak regime it becomes

easier to put such implications into perspective in favor of valuing the book and all Kundera's work as what it truly is great stirring literature that sheds new light on the eternal themes of human existence The present edition provides English language readers an important further means toward reevaluation of *The Joke* For reasons he describes in his Author's Note Milan Kundera devoted much time to creating with the assistance of his American publisher editor a completely revised translation that reflects his original as closely as any translation possibly can reflects it in its fidelity not only to the words and syntax but also to the characteristic dictions and tonalities of the novel's narrators The result is nothing less than the restoration of a classic

*American-Australian Cinema* Adrian Danks, Stephen Gaunson, Peter C. Kunze, 2018-01-29 This edited collection assesses the complex historical and contemporary relationships between US and Australian cinema by tapping directly into discussions of national cinema transnationalism and global Hollywood While most equivalent studies aim to define national cinema as independent from or in competition with Hollywood this collection explores a more porous set of relationships through the varied production distribution and exhibition associations between Australia and the US To explore

this idea the book investigates the influence that Australia has had on US cinema through the exportation of its stars directors and other production personnel to Hollywood while also charting the sustained influence of US cinema on Australia over the last hundred years It takes two key points in time the 1920s and 1930s and the last twenty years to explore how particular patterns of localism nationalism colonialism transnationalism and globalisation have shaped its course over the last century The contributors re examine the concept and definition of Australian cinema in regard to a range of local international and global practices and trends that blur neat categorisations of national cinema Although this concentration on US production or influence is particularly acute in relation to developments such as the opening of international film studios in Melbourne Sydney Adelaide and the Gold Coast over the last thirty years the book also examines a range of Hollywood financed and or conceived films shot in Australia since the 1920s

Shooting Midnight Cowboy Glenn Frankel,2021-03-16  
Much more than a page turner It s the first essential work of cultural history of the new decade Charles Kaiser The Guardian One of The Washington Post s 50 best nonfiction books of 2021 A Publishers Weekly best book of 2021 The Pulitzer Prize winning journalist and New York Times bestselling author of the behind the scenes explorations of the classic American Westerns High Noon and The Searchers now reveals the history of the controversial 1969 Oscar winning film that signaled a dramatic shift in American popular culture Director John Schlesinger s Darling was nominated for five Academy Awards and introduced the world to the transcendently talented Julie Christie Suddenly the toast of Hollywood Schlesinger used his newfound clout to film an expensive Panavision adaptation of Far from the Madding Crowd Expectations were huge making the movie s complete critical and commercial failure even more devastating and Schlesinger suddenly found himself persona non grata in the Hollywood circles he had hoped to conquer Given his recent travails Schlesinger s next project seemed doubly daring bordering on foolish James Leo Herlihy s novel Midnight Cowboy about a Texas hustler trying to survive on the mean streets of 1960 s New York was dark and transgressive Perhaps something about the book s unsparing portrait of cultural alienation resonated with him His decision to film it began one of the unlikelier convergences in cinematic history centered around a city that seemed at first glance as unwelcoming as Herlihy s novel itself Glenn Frankel s Shooting Midnight Cowboy tells the

story of a modern classic that by all accounts should never have become one in the first place The film's boundary pushing subject matter homosexuality prostitution sexual assault earned it an X rating when it first appeared in cinemas in 1969 For Midnight Cowboy Schlesinger who had never made a film in the United States enlisted Jerome Hellman a producer coming off his own recent flop and smarting from a failed marriage and Waldo Salt a formerly blacklisted screenwriter with a tortured past The decision to shoot on location in New York at a time when the city was approaching its gritty nadir backfired when a sanitation strike filled Manhattan with garbage fires and fears of dysentery Much more than a history of Schlesinger's film Shooting Midnight Cowboy is an arresting glimpse into the world from which it emerged a troubled city that nurtured the talents and ambitions of the pioneering Polish cinematographer Adam Holender and legendary casting director Marion Dougherty who discovered both Dustin Hoffman and Jon Voight and supported them for the roles of Ratso Rizzo and Joe Buck leading to one of the most intensely moving joint performances ever to appear on screen We follow Herlihy himself as he moves from the experimental confines of Black Mountain College to the theatres of Broadway influenced by close relationships with Tennessee Williams and Ana's Nin and yet unable to find lasting literary success By turns madcap and serious and enriched by interviews with Hoffman Voight and others Shooting Midnight Cowboy Art Sex Loneliness Liberation and the Making of a Dark Classic is not only the definitive account of the film that unleashed a new wave of innovation in American cinema but also the story of a country and an industry beginning to break free from decades of cultural and sexual repression **Great Comedians Talk about Comedy** Larry Wilde,2000 Donated by Tremendous Life Books
