HAUNEBU: THE SECRET FILES David Childress,2020-01-01 David Childress popular author and star of the History Channel show Ancient Aliens brings us the incredible tale of the German flying disk known as the Haunebu Although rumors of German flying disks have been around since the late years of WWII it was not until 1989 when a German researcher named Ralf Ettl living in London received an anonymous packet of photographs and documents concerning the planning and development of at least three types of unusual craft craft which we would classify today as UFOs or flying saucers Ettl went on to make several television documentaries based on the material in the packet and released most of the documents and photos to researchers in Austria and other parts of Europe What the Ralf Ettl document dump shows us is what many have suspected for a long time that WWII did not end in the manner in which we have been told and a remnant of the Nazi military particularly the SS continued to operate flying saucers and submarines around the world in the decades after the end of the war This activity involving a flying saucer known as the Haunebu was particularly notable in South America but it ultimately involved all the continents of the world including Antarctica Join Childress as he shows us the secret files involving the Haunebu the Vril craft the Andromeda craft and others Includes a 16 page color section Over 120 photographs and diagrams

It has fascinated figures from the English occultist Lord Bulwer Lytton the Russian theosophist Madame Helena Blavatsky and most surprisingly of all Adolf Hitler who based part of his philosophy of world domination on the legend of the subterranean super race Hitler was attracted to the stories of Vril Power an amazing force that can control man and nature He believed that possession of this power would allow his dream of a Thousand Year Reich and he sent scientists and soldiers in search of this lost world Alec MacLellan has pieced together the history of the Agharti and tries to discover the tunnels that lead to Agharti Based on evidence collected all over the world and embracing subjects from the origins of the peoples of America the occult secrets of Asia and the lost continent of Atlantis MacLellan provides the first assessment of what Vril Power actually was [The Suicide Exhibition](#) Justin Richards,2013-11-07 WEWELSBURG CASTLE 1940 The German war machine has woken an ancient threat the alien Vril and their Ubermensch have returned Ultimate Victory in the war for Europe is now within the Nazis grasp ENGLAND 1941 Foreign Office trouble shooter Guy Pentecross has stumbled into a conspiracy beyond his imagining a secret war being waged in the shadows against a terrible enemy The battle for Europe has just become the war for humanity This is The Thirty Nine Steps crossed with Indiana Jones and Quatermass Justin Richards has an extremely credible grasp of the period s history and has transformed it into a groundbreaking alternate reality thriller

Captain Gravity and the Power of the Vril Josh Dysart,Sal Velluto,2006 A collection of comics featuring a young man working in the 1930s movie industry who finds his destiny amid movie sets along with an artifact that could change the course of human history [Vril Or Vital Magnetism](#) Book Tree,1999-07 Vril is another name for the life energy of the body known in other cultures worldwide as mana prana chi or vital force Most of the ancient cultures of the world were aware of this important force and worked to make use of it In today s world especially in the West we move along through life completely oblivious to this truly vital force Although this force cannot be seen it is the life force within our bodies It takes energy from food and provides muscles with energy which in turn allows us to move about in daily life as well as grow and metabolize Nourishment digestion and elimination are all driven by the life force Vril also has a connection to the mind and methods can be employed to store up its energy and use it constructively Vril is not manufactured in the human body but can be collected and used effectively This energy is present in water and especially in the air This is why breathing is so important in the practice of meditation A deeper part of us comes alive while we meditate due to increased vital energy in the body combined with the relaxation of the mind This book is by far the best guidebook known to this mysterious and powerful force The exact mechanics of how it works are detailed plus methods of gathering conserving and using its power The exercises given are powerful and they work This is really more of a self help book than a simple fact book or mystical overview Few books have packed in so much vital information in so few pages and out of all the books we have ever seen we can safely say that no other book from the West reveals anything close to the important information found here on this subject [Nazi Moonbase](#) Graeme Davis,2016-04-21 In the dying days of World War II Nazi Germany spent increasingly

large amounts of its dwindling manufacturing capability on the construction of a small fleet of flying saucers capable of travel beyond the atmosphere While these saucers were too few in number to affect the eventual outcome of the war they did allow for a small but fanatical Nazi group to escape Germany first to Antarctica and then on to the moon For the first time the history of the Nazi space program has been revealed with a focus on the design construction and layout of the moonbase Using detailed maps the entire moonbase is reconstructed noting the locations of various important features such as weapon emplacements the Vril generator the air recyclers and water extractors The book also covers the various attempt by the allies to overcome this last Nazi stronghold through both subterfuge and outright battle

Valiant Thor's Book of Vril: How to Live Long and Prosper Valiant Thor,2018-11-06 When the noted thinker author and philanthropist Commander Valiant Thor dictated this book over a half century ago in Earth years he was just settling into his role as commander of the Venusian forces on our planet He had actually put in many decades on Earth prior to that although he was not as they say truly in charge Being a relative novice at that time Thor decided to stick to traditional protocol and studiously avoided mentioning the word Vril in these pages It had been decided long before that by certain Venusian elders to keep that particular word and its conceptual underpinnings secret from Earthlings at least until the appropriate time Although it obviously wasn t the appropriate time the term and the belief system behind it were revealed to certain nosy Germans who had gotten heavily into the occult during World War II These Nazi necromancers had somehow hacked into the ongoing telemetric stream between Earth and Venus and illegally downloaded much of the information about Vril The civilized world has been trying to regain its balance ever since As a result the author herein states unequivocally and for the record that Vril has nothing to do with Nazism fascism racism hate or bigotry Like most Venusians Thor follows the teachings of Jesus Christ Tecumseh Krishna and Buddha which generally state that all men are created equal in God s sight and are loved equally by God Today in 2018 most everyone has heard about Vril so Thor has no trouble stating that this book edited for him by his brilliant human acolyte Hilton Hotema is about one of the key aspects of Vril rejuvenating and extending the lives of human beings There are many correlations in this area

between Venusians and Earthlings Vrill is truly the essence of the active verb the powerful sentence and the narrative that moves people to action It is the energy behind the words which makes the mind react in a positive and uplifting fashion As the Buddhists say our words are actions and should be approached soberly cautiously compassionately and empathetically Vrill is about living life to the fullest and loving to the fullest In these current days of extreme political divide where lying and deception are being spread from on high much like the Nazis and KKK of old we need Vrill more than ever to counteract the Antichrist evil that seems to be sweeping the world under the false guise of making America great again Those of you who understand Vrill should have no problem understanding what Thor is saying May these words and the positive galaxial inspiration behind them guide and comfort you as you go about your daily business in our dynamic infinite and loving universe
